**\$3.50 Recipe Free For Weak Men.**  
 Send Name and Address To day—You Can Have it Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakness, manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth. I have cured so many worn and nervous men right in their own homes—without any additional help—that I think every man who wishes to regain his manly power and vitality, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.  
 This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of nervous debility and vigor ever put together.  
 I think I owe it to my fellow man to send them a copy if he considers so that any man anywhere that is weak and discouraged with repeated failures may stop struggling with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, STOP-TO-STOP remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line to Dr. A. J. Robinson, 3671 Luke Building, Detroit, Mich. and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$5.00 to \$50.00 for merely writing out a prescription like this—now I send it entirely free.

**LETTER TO THE FARMER**  
 The business of farming is in the most critical period of its development.  
 Both the working farmer and the investor in farm lands and securities are seriously studying how to turn farm products into net profits.  
 There are thousands of farmers in Prince Edward Island alone.  
 Is it not hard to believe that only one of every five read a farm paper at all?  
 Only one in five! The other four need the instructions given by farm papers.

**TESTIMONIALS.**  
 DEAR SIR:—I had a mare which had a very bad cough and heaves for almost six months, and became so thin there was nothing left apparently but skin and bones and I was tempted to shoot her. A friend of mine who had used Dr. J. Woodbury's Horse Liniment, with good success, induced me to try one bottle of it which I used with the best results. I used just one and one half bottles of the Liniment which effected a complete cure of both the cough and the heaves, and I have worked and driven her ever since. I strongly recommend Dr. J. Woodbury's Horse Liniment as the best Horse Liniment on the market, and advise all horse owners to try it.  
 Very truly,  
 RODERICK MCKENZIE.
