BAND PRACTISE.—Last evening the Fourth Regiment Band met in their rooms at the drill hall and held a practise. The reflection of the artificial lights on the snow, the music and the lighted drill hall in the background was a very delightful picture.

P. E. I. FAMILY DESTITUTE.—The Town Council of Westville, N.S., met on Friday evening last, when it was reported that a family named Morrell, formerly of P. E. I. were in destitute circumstances and that the husband was working in the lumber woods in the Mount Thom district. This case was referred to the Poor Committee.

AWAY FOR GAME.—Jimmy Williams, the local hockey player, was suddenly called to his home in P. E. I. Wednesday on his return from Halifax, owing to the death of his little son, six weeks old, who is there with his wife, and therefore did not appear on the line-up of the Cubs in New Glasgow, Wednesday, says an exchange.

POLICE COURT RECORD.—Last year 334 cases came up before the Charlottetown Police Court for trial, 292 of these ended in convictions while 102 were dismissed. The total amount collected from the fines imposed during the year was \$2,797.75—\$1,099.75 being ordinary fines and \$1,700 from fines collected in prohibition cases. The total amount of costs recovered was \$685.26.

WEDDING BELLS.—A pretty wedding took place at the home of Mr. and Mrs. Wm. Laird 1130 Robson St. Vancouver, when their daughter Lulu M. was united in the holy bonds of matrimony to Mr. Keith H. MacGuinn of the Western Power Co. The bride, who was given away by her father, looked charming in a travelling suit of novelty cloth in shades of blue and black velvet hat and carried a bouquet of white carnations and maiden hair ferns. Only the immediate relatives were present, and the happy couple left by the midnight train of their honeymoon trip to Wallula, North Dakota, where the groom's parents reside. On their return they will make their home in North Van. The young couple are known in P. E. Island.

CROSSED FROM ROCKY POINT.—For the first time this season a number of men with horses and sleighs crossed the ice from Rocky Point to Charlottetown, Thursday returning the same day by the same route. Friday some more teams also crossed to the city for market. The ice is thick enough at present to carry a horse and sleigh with a light load. However the farmers feel dubious about venturing on it with a big load until the ice is bushed, which will not be for some time yet. So far no teams have come down the river to Charlottetown.

WRESTLER MARRIED.—The following from St. John's Nfld., exchange will be of interest here as Mr. McDonald is well known in this his native Province. Dan McDonald, champion middleweight wrestler of the world, has returned from St. John's, Newfoundland, where he recently was a principal in a happy event. After winning the championship belt from Sam Anderson in this city on New Year's day, Dan left in search of new laurels and was successful in winning a match which placed him in a new sphere—the ranks of the "benefactors." On last Monday he was united in marriage to Miss Violet Lillian Snow, a nurse in the St. John's General Public Hospital. There is a very pretty romance connected with the betrothal of the young couple. Three years ago Dan was in Newfoundland he was stricken with typhoid fever and was sick for nine months. Miss Snow was appointed to take care of him during his illness, and it was during that time that the darts of Cupid did their work. The happy bride and groom arrived in this city a few days ago to take up their residence here. Dan has many friends who will unite in wishing him and his bride every happiness.

CORNWALL.—The meeting of the Cornwall Farmers' Institute held on Monday evening was well attended. The purchasing of another Holstein bull was discussed and final arrangements made for the holding of the annual banquet on Thursday evening 15th inst., which promises to be a big event. At a recent meeting of the Directors, Mr. David Scott was elected resident and Mr. Lemuel Drake Secy-Treas., and the ensuing year.—V.

SLEIGH RIDES.—This is just the kind of weather that enables one to enjoy a good sleigh ride—mild temperature and pleasant snow—and the sleigh-loads of young people that left the city last night seemed just as joyful as they could be. One party which appeared to have a fund of humor among its guests, was privately arranged for by a number of young people, gentle and stern, and filled five sleighs. Their laughter and prattle echoed and re-echoed along the roads as they drove and was a stimulant to the merry, blithe feeling that predominates among the citizens at the present time of the year.

FOX FARMING.—The latest, but by no means the least promising Partridge industry is fox farming, says an exchange. In November last some Partridge men, who had become interested in fox raising, went to Prince Edward Island to get what information they could at first hands concerning the industry. The immediate result was that they purchased a pair of silver black foxes and made preparations for establishing a ranch. Other men joined the company, and the work of preparation was pushed briskly forward. A suitable lot of ground was secured about three miles from town, and about three-fourths of an acre of land well adapted to ranching purposes was enclosed by a board fence ten feet high. Within this enclosure six wire dens thirty feet square have been erected and within each den has been built a neat, comfortable, well-ventilated hut or kennel, which is strictly of the most approved design in every particular. Each den is now occupied by a healthy, well-selected pair of silver black foxes, so it will be seen that the promoters of the industry have lost little time in increasing their stock, although it is their intention to still further increase the number of their breeding animals.

The harsh winds and changeable weather we are having now is hard on delicate complexions. The best way to be sure of protection is to use MacKinnon's Witch Hazel Cream, a delightful preparation of well-known merit for keeping the skin smooth and velvety and free from blemishes. Doesn't contain excessive fats and oils and is recommended for use by every owner of a dainty complexion. 25c. a bottle. The MacKinnon Drug Co., Corner Great George and Kent Sts. Mt.
