JAS. KELLY & CO

Continued from page 1.
Secretary—Waldon B. Prowse.
Director—Edward Chandler.

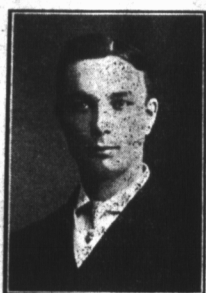

Of the principals of the firm and the managers of departments it may be interesting to The Guardian's readers to learn some detail. For that purpose this paper herewith publishes their portraits and adds something of each one's personal history.

Percy Peardon, who presides over the Boot and Shoe Department is a Charlottetown man. For 4 years was with Morris & Smith. He is well fitted for his work and has been notably successful. His cleverness in window dressing has already earned him a reputation.

Oswald Wright has been with the firm for the past eight years. In charge of the staple department, which it is said, is the best of its kind in Prince Edward Island. He knows his business well and is always willing to wait on his customers to the best of his ability.

Charles Livingstone is the firm's Wholesale traveller for the Island and he also has charge of the soft hats and caps. He has been 11 years with the firm and is capable and popular. He is a son of the late Neil Livingstone of this city.

Albert Sabine is the man who runs the business at least he runs the goods to the homes of the customers. He is the expressman of the firm and has been there for 18 years. He knows pretty nearly every inch of Charlottetown's streets and has driven so many horses that he is an authority on trotters. He is probably better known by sight to the citizens of Charlottetown than any other person connected with the firm, for early and late his express is usually seen traversing the streets of the city, with Mr. Sabine, in command.

AN HONEST MAN.

Wrote and told us that Ozone had not cured him of Stomach trouble. He did not say what kind of Ozone he wrote and asked him if he was sure he had been taking solution of Ozone, the kind that contains a coupon entitling the purchaser to one full sized box, package of Celery King free of cost. He replied that he had unknowingly taken some other brand, and was sorry that he had treated us unjustly. Then he commenced to use Ozone (the coupon kind) with Celery King—he is a well man to-day. You can be cured just as easily if you are careful to ask your druggists for Ozone (the coupon kind) made by the PUBLIC DRUG CO., BRIDGE BURG, ONT.
