P. W. COLLEGE SENSATION: TEACHERS RESIGN IN BODY

As a Result of Cavalier Treatment for Increase of Salaries, the Principal and Professors Hand in Their Resignations This Morning to Take Immediate Effect Which Means Closing of College.

An unfortunate impasse has occurred in connection with Prince of Wales College which, like many other happenings of today, is going to cause much loss and inconvenience, if not worse. The whole teaching staff of the college are tendering their resignations this morning to take immediate effect.

The causes which have led to this unfortunate climax are, briefly, as follows:—

Last June the teachers notified the government that they would teach no longer than till the end of the then academic year at the salaries then paid them. They requested an increase of approximately 33 1-3 per cent., arguing that as the members of the legislature had increased their own salaries by 150 per cent and those of the heads of other government departments very considerably, they claimed they had a right to the increase demanded.

The government made no reply although frequently reminded that an answer must be forthcoming, otherwise that the teachers would resign.

The first and only reply was received yesterday when the teachers were presented with their cheques for the month of September, the amounts being the same as those of last year which they had positively declared they would not accept. No word of explanation, no hint at giving the matter consideration was vouchsafed and the teachers, after a conference, wrote out their resignations to take effect immediately.

As the office of the Provincial Secretary Treasurer was closed when the teachers marched there in a body yesterday afternoon they deferred presenting their resignations till this morning when they will be handed in.

How the matter will be adjusted has not yet been revealed. Why some attempt had not been made by the government to adjust it before it became too late is, apparently, a prerogative of the Bell government.

Passing of Sir W. W. Sullivan

MEMRAMCOOK, N. B., Sept. 30.—Sir Wilfrid W. Sullivan, late Chief Justice of Prince Edward Island, died at the home of his daughter, Mrs. McMahon, here today. The body will be forwarded to Charlottetown, arriving there Friday evening. The funeral will take place Saturday at 2 p. m.

News of of the death of Sir Wilfrid Sullivan will be learned with sorrow throughout this province as few of its public men have been better known or more highly esteemed. Born in New London in 1843 he was educated in the public Schools, the Central Academy and St. Dunstan's College, after which he studied law in the office of the late Hon. Judge Hensley. He was called to the bar in 1867 and became a law partner of Mr. Hensley until 1869 when Mr. Hensley was appointed to the Supreme Court bench. In 1872 he married Miss Alice Maud Mary, third daughter of the late Mr. John Fenton Newbery, B. A., of Oxford University, formerly of London, England, and of Siena, Italy. He was one of the counsel for the government in the interests of the tenants before the Land Commissioners' Court under the Land Purchase Act, 1875. He later became a member of the law firm of Sullivan and Morson, a Surrogate of the Admiralty Court and a Notary Public. He entered the political arena in 1872, having been elected to represent the First District of Kings. He was re-elected in 1873, and again in 1876 and 1879. He was Premier of the Province from 1879 until his resignation to accept the Chief Justiceship in 1889, a position which he filled honorably and well until his retirement in 1917.

As a lawyer, a politician and judge of the Supreme Court, Sir Wilfrid W. Sullivan has had a long and distinguished public career, a career in which he won the respect and esteem of all and which forms a bright page in the history of the province.

He leaves to mourn three sons and three daughters, his wife having predeceased him in 1908. To the family and relatives the Guardian tenders respectful sympathy.

CONDENSED SPECIALS

*CAR FOR HIRE—PHONE 339 R. 3085-9-28-tf.

*FOR SALE.— HORSE POWER nearly new also fanning mill. D. McNeil, Village Green. 30004-9-30-3i.

*MAID WANTED.—FOR GENERal housework in family of three. apply 131 Water Street. 3048-3i.

NO CANADIAN AMBASSADOR FOR THE UNITED STATES

NEW YORK, Sept. 30.—A special London cable to the New York Sun Herald says "it was stated in high diplomatic circles here today that there was no likelihood of a Canadian ambassador to Washington for a long time to come.

While there is not objection in Downing Street to Canada having her own ambassador in Washington it was found that neither a special Canadian ambassador nor a special Canadian representative subordinate to Sir Auckland Geddes coull have escaped difficulties which would have crippled the mission. As a result of this, the scheme for a Canadian ambassador to United States has been abandoned at least for the present."

MUCH INCIPIENT RIOTING CONTINUE IN IRELAND

Much Incipent Rioting.

DUBLIN, Sept. 30.—The once fashionable town of Mallow was dotted with charred ruins today, momentoes of prompt reprisals by he police for noonday raids on their bararcks there in which one officer was killed.

Two more violent deaths were reported from Belfast where the police replied to firing from a street crowd. Several were wounded, several small riots without fatalities were reported in various parts of the city. Two thousand troops were enroue to Belfast today. The city now is in a turmoil with many factories closed and idlers thus created adding to the troubles of the police. Shipyards were among the industries disrupted.

London Fears Trouble

LONDON, Sept. 30.—Apprehension that violence may result here from the Irish situation was keener today with the reported frustration of a plot to destroy the office buildings in Whitehall. The Irish office of Brixton prison, where Terrence MacSwiney is starving himself, Downing Street and all other places where demonstrations might be expected were given additional guards. Plain clothesmen and uniformed guards were conspicuous. The Irish office was closed and its doors barred with heavy chains.

LONDON, Sept. 30.—The London Globe in an editorial comes out squarely in defense of reprisals. "It is not in accord with human nature," the editorial said in part, "to endure attacks without retaliating. Violence is the inevitable resort of men exasperated beyond endurance. They are driven to reprisals as their only resource. There are only two methods by which the Irish questions can be dealt with," the Globe continued, "either Sinn Fein elemen should be given what it wants or the entire Southwest portion of Ireland should be declared in a state of siege." The Globe favored the latter method as the only one which the English government could pursue.

700 Sinn Feiners In Bomb Plot

(Special to The Guardian.)

LONDON, Sept. 30—Seven hundred Sinn Feiners and Radicals were involved in a plot to destroy the Irish office and Treasury buildings in Whitehall, the Daily Express declares. It is apparent that the exposure of this plot which had apparently been inspired by the Wall Street explosion, in view of a method to be used, has worried the government. There is undoubtedly a great deal of misapprehension in official circles as to the aftermath of MacSwiney's case, on the other hand leading Irishmen scoff at the Scotland Yard discovery and attribute it to "nervousness."

"After Office Hours"

At the Prince Edward Theatre last evening the Urban Stock Company scored another notable success, when they presented the intensely interesting drama "After Office Hours." There was a big attendance. The play for tonight will be "A Man's Game" written by the celebrated Jack London. This is a play which is sure to make a hit and another large audience is assured.

THE WEATHER, TEMPERATURE, TIDE, MOON, ETC.

TORONTO, Oct. 1—Fresh to strong south to south west winds mostly fair.

Tide high this afternoon at 12 and tonight at 12.20.

Sun sets this afternoon at 5.57.

Last quarter of moon Monday, Oct. 4th, 8.54 p. m.

Noozie the Sunshine Kid

Island Teachers In Convention

The meetings in connection with the annual Convention of the Teachers Association were continued yesterday in the Prince of Wales College Hall.

Various matters of importance to the profession were taken up and discussed at considerable length.

The outstanding feature of the morning meeting was the address of Superintendent Smith of Verdun, Quebec, who gave an account of the agitation of increased salaries of teachers in Montreal and suburban cities and showed that by organization they had very materially increased their salaries. This report will appear later.

Rev. Mr. Freeman also addressed the meeting. During the session a resolution was unanimously carried amalgamating the Prince Edward Island Teachers' Association and the Prince Edward Island Teachers' Union.

The amalgamated organization will be known as the Prince Edward Island Teachers' Union.

In the evening the meeting was fairly attended, the citizens of Charlottetown not attending in the numbers anticipated. Mr. A. B. Warburton presided ably, the first speaker being Rev. G. C. Taylor, followed by Superintendent Smith of Verdun, Quebec. Hon. Mr. Lea, Commissioner of Agriculture and the Hon. Attorney General's names were on the programme but they did not respond to the invitation.

Superintendent of Education Rogers spoke briefly making an eloquent appeal for co-operation to help build up our Educational system.

HUNGER STRIKERS AMAZE THE MEDICAL FRATERNITY

LONDON, Sept. 30.—Lord Mayor MacSwiney of Cork was reported in an unchanged condition today at the beginning of his forty-seventh day as a hunger striker, a Sinn Fein bulletin said. Conscious and barely able to whisper, the condition of the eleven hunger strikers in Cork now in their fifty-first day of hunger striking, aroused the keenest interest of the medical profession. The Government installed a medical staff under the direction of Dr. Pearson who was instructed to provide emergency equipment. Heroic measures will be taken to save the strikers' lives should they decide to give up the fast.

Mine Owners Fail to Agree

(Special to The Guardian.)

LONDON, Sept. 30—Following their report to Premier Lloyd-George of their failure to reach an agreement with the mine owners, the delegation issued a statement announcing they had declined to conduct any further negotiations with the employers. Their statement, said Lloyd-George, expressed regret at the failure of the owner and worker conference and suggested further meetings between the two groups. The miners declined on the ground that they had concluded such action to be useless. Delegates announced they would report their failure of negotiations to the miners' union in conference today.

Today's Races

Something About the Horses that Will Race To-day.

The first event will likely be the final heat of the 2.40 pace carried over from yesterday, which will be raced off between College Swift owned by the Woodstock Driving Club and Dick C., owned by the McKinnon Drug Company. It will be called at 2 o'clock and great interest is centred in the outcome.

The Free-for-All Class Trot—Purse $500.

This will be of great interest as it will be the first appearance at this meeting of that celebrated stallion The Exposer, owned by Mr H. C. Jewett, of Fredericton, N. B. This horse is the holder of the Canadian trotting record made this July at Chatham, N. B., when he stepped the second heat in 2.09 1-4. He will meet the renowned Bill Sheran 2.11 1-4, unbeaten this year over Maritime tracks and the most expensive horse ever raced in the lower provinces. The third starter will be Colorado L., owned by our popular local man, Mr. Hammond Kelly. The most sanguine friends of Mr. Kelly do not expect this horse to have any chance of beating the other two as his training has been of a very limited kind this year. The fourth starter will be Brage, who this year took a heat record of 2.11 1-2 and by the way that heat was won from Bill Sheran. Brage will no doubt go a great race today and as he is driven by one of the most honourable reinsmen in Canada, Frank Boutillier, it is hoped he will make a good showing. The remaining horses that were entered are drawn, Border Prince and Mayor Todd both being lame since their gruelling race at St. John on Labour Day, when they broke track record made by The Great Nelson, then champion of the world. J. Forbes and Roy Miller are also both drawn, neither being in condition to go up against such hot company. It may here be said that the reader and spectators often criticize the fact that there are so many horses drawn from races but anyone who has had anything to do with race horses must understand how difficult it is to keep them sound, particularly when they compete over different tracks. Hence, gentle reader, do not be too hard on the owner who draws his horse. It is with the best of intentions, you may be assured.

2.45 Class Trot.

The same horses which figured in the 2.30 class on Wednesday will again face the starter with a few added entries, notably Dolly Douroc owned by Mr. D. Donnelly, one of the finest sportsmen in Canada, popular with everyone. The great contest will no doubt be between Bingen Worthy and Miss Bell Rico, with Dolly adding to the excitement. These three and Upton Prince have a little class on the others and should secure first moneys. Commodore Cresceus and Mother's Boy will also start and their owners are confident they can make a much better showing than they did on Wednesday. Miss Elred is also entered. She is owned by Mr. Smith of Kinkora, but as she has taken part in the two races in three days it is rather unlikely she will start. She is a real good trotter and if not too tired will make it warm for the others. The above programme will start at 2 o'clock so the spectators need not hurry themselves so much to get to the grounds today.

Mayor McSwiney Appears Healthy

(Special to The Guardian.)

LONDON, Sept. 30—Lord Mayor MacSwiney slept three hours during the early part of last night, it was announced and today he appeared to be brighter after his nap, although still extremely weak. Mayor MacSwiney was described as appearing healthy but very tired.

Appoint A Mission of Control

(Special to The Guardian.)

PARIS, Sept. 30.—The League of Nations will make its first appearances on an actual battlefield shortly, when its newly appointed "mission of control" meets in Suwalki to end the Polish-Lithuanian hostilities. The mission, headed by Col. Chardigny of the French army, comprises a military man from the several League members. They will meet with representatives of the warring armies advising as to the disposition of troops so as to prevent further hostilities.

Soviet Troops Capture City

LONDON, Sept. 30.—A Moscow wireless today said Soviet troops had taken the Nikoleff railroad junction north of Odessa and Staro Konstantinoff 150 miles east of Lemberg. The Poles have occupied Sarny, north of Staro, a Konstantinoff wireless ssaid.

Fire Sweeps Galveston Piers

(Special to The Guardian.)

GALVESTON, Sept. 30—Fire Galveston water front today, causing thousands of dollars damage. The fire was still raging and fire fighting forces had been unable to bring it under control. Two piers block of the waterfront buildings and seven other blocks were burning. Three steamships were afire and piers 35 and 36 were completely destroyed.

Probable Settlement Of MinersStrike

(Special to The Guardian.)

LONDON, Sept. 28.—Although some discontent is manifest in certain of coal mining regions there is considerable optimism over the outlook for an agreement between workers and mine owners. Extremists have been successful in only one or two instances in forcing men to take action. Then thousand of miners for instance refused to give up the claim for two shilling daily increase and went on strike. Normal conditions were reported everywhere else Monday.

Organ Recital Last Evening

The organ recital given in the Methodist Church last evening by Prof. W. E. Fletcher, A.R.C.M., organist of the Church, was attended by a large and appreciative audience. Every number on the programme was rendered in masterly fashion and with true artistic taste.

The programme was as follows:

Organ Overture—(Handel.)

Solo—"The Lord is My Light"—Mrs. W. E. Fletcher.

Violin Solo—Rev. F. H. Littlejohns.

Solo—Mr. Chas. Earle.

Organ Selection—Prof. Fletcher.

Solo—"Good Bye"—Mrs. H. S. Henderson.

Organ—Sonata

Solo—Mr. G. E. Ritchie

Violin Souvenir—Rev. F. H. Littlejohns.

Solo—"There is a Green Hill"—Charles Earle.

Organ—Grand Choeur.

The National Anthem.

The proceeds are in aid of the Choir Committee. Prof. Fletcher and all concerned are indeed to be congratulated.

ANOTHER BIG DAY AT PROVINCIAL FAIR

The Weather Proved Favourable and Thousands Enjoyed the Races and Viewed with Interest the Various Exhibits Indoors and Outside the the Main Building.

Another very large attendance marked the third day of the exhibition. The weather except for a brief shower about noon was all that could be desired, and everything went along as smoothly and successfully as possible. The Judges of cattle completed their work with the Holsteins, Ayrshires, Shorthorns and Jerseys by noon and the work of judging grades is now in progress. The judging of heavy and light horses and swine was completed the evening previously and the greatest interest in the proceedings was manifested by all owners and persons who follow live stock.

In Chester hogs Mr. B. Ings was the winner of the champion boar. The first prize for aged sow was awarded to Mr. Wallace Stead who was also second for aged boar.

Mr. Stead also captured first and second for sow under one year and over two. Mr. Ings being second. In sow under one year Mr. H. Boswell was awarded first, Mr. Ings second and Mr. Stead third.

In sow under six months Mr. Ings captured first and Mr. Boswell second.

Much interest was taken in the judging of the cattle. In Shorthorns Mr. J. M. Leard, Kelvin, was awarded first for champion bull, and first for aged bull, Cass Brothers of North River being second. Mr. W. Stead was awarded first for two year old bull and Mr. H. Boswell second, while Dr. Jack Jenkins was awarded first for Bull under one year, R. Edwards, North Wiltshire, second and Cass Brothers third and fourth. Prize for bull under six years old in this class went to Mr. Stephen Holroyd of Winsloe. In aged cows Mr. Leard took first, Mr. Arbing, Cherry Valley, second, and Dr. Jenkins third. Dr. Jenkins also won first in two year olds. In senior yearlings Mr. J. M. Leard was first as well as first for junior yearlings, with Mr. Stead second.

In fat yearling oxen, first prize was awarded to Mr. S. Holroyd and second to Mr. Praught. These gentlemen also won first and second in this order in the competition for a pair of fat animals one year old.

Mr. R. S. Stevenson, of Lancaster, Ontario, was the judge of the dairy cattle, Mr. J. M. Guardhouse, of Weston, Ontario., of the beef cattle, Mr. Douglas of Ontario was judge of swine.

Mr. J. Walter Jones showed a herd of twenty head of handsome Holsteins. The herd was headed by Roycroft Peitje Echo imported from Ontario from W. L. Shaw, the noted breeder of high class animals. Mr. Jones shows four young bulls, two of which were bred in Ontario. His matured cows are headed by Queen Countess, Abbekerk, with a thirty-pound record of butter per week. Other notable animals in his herd are Pearl, five years old, giving sixty pounds of milk per day, Jewel Marcina, and Dew Drop, jun., a three year old, with an official record of 480 pounds of milk in seven days and over eighteen pounds of butter.

Mr. H. J. Kennedy, Southport, is exhibiting a junior yearling Holstein which was awarded a first prize. This animal is a daughter of the highest record two year old in P. E. I and a three year old which won second and which was a grand champion in the milk test last year and champion in the show ring. He is also exhibiting her daughter which won third prize.

Mr. W. C. McCallum, Southport, showed two fine Holstein heifers one of which was second in the junior one year olds, both animals having been imported from Ontario.

Mr. W. D. Ross, Kinross, shows a yearling bull out of the highest record cow for butter on the Island, Cynthia Abbekerk owned by Mr. H. J. Kennedy.

Mr. Alexander Agnew, East Royalty, shows one cow in the aged class which won third prize. She had a butter record of 2452 pounds in a week and took third in the three year old class with Denora fourth, having a butter record of 1766 at two years old. H. M. Agnew also won second in the two year old class. Two of the three were imported from Ontario.

Mr. W. J. Gibson, Marshfield, whose splendid Holstein herd has already been referred to won six firsts, four seconds, three thirds and three fourths.

W. M. Lea and Sons showed eighteen head of Holsteins sixteen of which were bred and raised on their farm, "Riverside". Out of the whole number seven firsts were captured and six seconds. Their herd is headed by a son of the old many times champion bull Ida Rooker 11 Vale who has over twenty officially tested daughters in R. O. P. and R. O. N. work.

In the class of aged cows this firm won first, second and fifth prizes, taking first in three year old heifer, second in three year old heifers and first and second in heifer calf, also first in bull calf over six months old.

In Ayrshires Messrs. A. McRae and Sons' grand champion bull headed the list with Ings and Noy, Mt. Herbert, second.

THE GRAND PARADE

One of the most inspiring sights of the Fair was the grand parade of cattle in front of the grand stand at 4 p. m. It comprised the following animals.

Shorthorns

J. M. Liard.—Bull, aged champion; cow, aged, first prize; heifer 2 years, 1st, and champion female; heifer junior yearling, 1st; heifer, senior calf, 1st.

Cass Bros.—Bull aged, 2nd, prize; bull, sr. calf, 3rd; heifer, sr. yearling, 2nd.

Dr. Jack Jenkins.— Calf, 1st. prize; heifer, 1st.

Polled Angus

Horne Bros.—Herd, Bull, aged, grand champion; cow, aged 1st. prize; cow, aged,2nd; heifer, 2 yr. old. 1st and 2nd.

Holsteins

W. M. Lea & Sons.—Bull, aged, 2nd, prize; cow, aged, 2nd; cow, aged, 1st grand champion; cow, 3 yr. old. 1st; cow 2 yr. old, 2nd.

Walter M. Jones.—Bull, 2 yrs old 1st, prize; heifer, 2 yrs, 1st; bull calf, 3rd.

Geo. A. Godfrey.—North Wiltshire, Bull, aged grand champion, cow, 3 yr. old; heifer, 2 yrs, 3rd.

Ernest Ings—Hazebrook, heifer champion.

Guernseys

Roper Bros.—Cow, aged grand champion; cow, aged, 1st, prize and 2nd; heifer, 2 yrs, 1st and 2nd; heifer yearling, 1st.

Louis Roper.—Heifer, sr. yearling, 1st prize; jr. yearling, 1st; heifer, 3 yrs. 2nd.

W. G. Darke—Bull, aged, 2nd prize; heifer, 3 yrs. 1st.

Herefords

Louis Hayden.—

Ayrshires

Farmers Milling Co. (Pope Noy).—Sr. Herd—Bull, 2nd; senior herd cow 4th; 1 yearling, 3rd; sr. calf, 4th.

Bert R. Brown.—Bull, 1 yr., 2nd, prize; cow, aged, 1st; bull, aged, young herd.

Dominion Experimental Farm.—Bull, 2 yrs. old, 2nd; cow, aged, grand champion; cow, 1st; cow, 4th.

A. McRae & Sons.—Herd—champion bull.

Tupper Ferguson.—Herd.

Jerseys

F. Glydon & Son.—Jersey herd; Bull champion; champion cow; heifer 3 yrs, 1st; heifer, 2 yrs. 1st.

Herefords

S. Holroyd.—Bull, 2 yrs. old, 1st. prize.

THE POULTRY SHOW

The Poultry Show is one of the best exhibits for years. The Buff Orpingtons are an especially fine lot; the Wyandottes are also excellent, in fact the exhibit including ducks and geese, a turkey and some very handsome bantams is an altogether good all-round show.

THE FRUIT SHOW

The fruit show this year is magnificent. All the Island fruits are represented, the apples and plums making an exceptionally fine display. If the Island can raise plenty of such apples as so temptingly displayed on the tables at this year's Exhibition there should be no trouble in securing a market for them and prices to compare favorably with the best grown anywhere in Canada.

THE VEGETABLES

The vegetables show, though not so large as in years past is very creditable, the size and the quality being evidently up to a high standard. All kinds of vegetables in season are shown and they look good.

THE FLOWER SHOW

The flower show this year, it is regretable to state, is a disappointment, being according to the judge, Rev. Mr. Trivett, much inferior to that of last year. The plants are short all round, there being only one entry of dahlias and three of sweet peas. There are numerous citizens who could spare a few sprigs of geranium which with the addition of other flowers would make up a flower show that would
