RICH BLOOD Strong Nerves. When the blood gets thin and watery, as it usually does at this time of year, the nerves are first to suffer; they are starved and exhausted. Headache, dizzy spells, indigestion, weak action of the heart, languid, depressing feelings, weakness and functional derangements of the bodily organs are the result. You can feel Dr. Chase's Nerve Food doing you good day by day, as it strikes at the root of trouble and creates new, rich blood. You can prove that it builds up new tissues and adds flesh if you weigh yourself each week while using it. Mr. J. McFaul, carpenter, 315 Manning Avenue, Toronto, states:—"I have used Dr. Chase's Nerve Food for acute indigestion, nervousness and inability to sleep, and now, after a thorough system, I am pleased to say that my nervous system has been built up, and I rest and sleep well. I can speak very highly of this preparation, knowing it to possess curative properties which I have failed to find in other remedies." go cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Dr. Chase's Nerve Food. "Now, I have an impression in my head," said the teacher. "Can any of you tell me what in impression is?" "Yes'm, I can," replied a little fellow at the foot of the class. "An impression is a dent in a soft spot."

Minard's Liniment For Rheumatism. "A couple were married in St. Louis the other day who couldn't understand each other's language," said Mrs. Gilley. "And I suppose they are unspeakably happy," commented Mr. Gilley. MILBURN'S HEART AND NERVE PILLS cure Anemia, Nervousness, Sleeplessness, Weakness, Palpitation, Throbbing, Faint Spells, Dizziness, or any condition arising from Impoverished Blood, Disordered Nerves or Weak Heart.
