TUESDAY

ANOTHER RECOVERED LETTER—The mystery surrounding the non-receipt of expected letters from the front and from other parts of Europe is now being explained by the arrival of letters just recovered from the Hesperian. Mrs. Johnson received one yesterday written by her husband, Dr. Harry Johnson, about the last of August from Shorncliffe Hospital, England.

YOUNGER BOYS' GYMNASIUM CLASS.—With regard to the gymnasium class for younger boys at the Y. M. C. A., the response so far has not been sufficient to warrant the starting of this class, and unless there are quite a few more enquiries this week, the proposition will be dropped. Any parents having boys they might wish to join this class are requested to communicate with the Secretary, Mr. Cross, at the Y. M. C. A.

HOME GUARDS ATTENTION.—There are two hundred and fifty names on the service roll of this volunteer organization. Capt. Landrigan and Lieut. Sterns requests all that can possibly do so, to fall in line the morning of the 2nd Battery brave lads depart for overseas this week. Out of gratitude for what Capt. W. B. Prowse has done for the Home Guards at the beginning of its formation, every man should try to show in this way, a simple way but one that will be appreciated, what each member thinks of Capt. Prowse and all the members of the battery now going to fight their battles. Let there be a hearty response to this turn out, due notice will be given through the press any moment now.

MILTON NOTES.—Potatoes and threshing prospects are the order of the day in and around Milton. The employers of Mr. A. Horne and Co., City, had a very pleasant visit to the farm of Thomas Dollar on Thursday the 14th inst., testing one of Mr. Horne's 4 h.p., i. H. C. engines. Mr. Thomas Horton the expert engineer attended the thrashing. Not understanding the machinery, Mr. John T. McLeod, feeder threshed 250 bushels oats in 60 minutes.—Mr. Nathaniel Moore attended the shaker. Mr. Geo. Hishon, Ban Cuddey, while Mr. Owen Proud acted time keeper. Mr. Dollar was well pleased with the working of the machine and hoped to see them again. His friends are pleased to see Mr. Hammond crabs out again after his recent illness.

SUMMERSIDE TOWN COUNCIL.—The regular monthly meeting of the Summerside Town Council, postponed from Tuesday, was held last evening. The Mayor and all the Councillors were present, excepting Councillor McParlane. A number of bills were approved and ordered paid. A request from the School Board for sufficient funds to carry on the contract for the new school was granted. A request for new street lights on Milk and Beaver Streets was referred to the Fire and Light Committee. The chairman of the Property Committee reported that a contract had been let to Mr. A. R. Green for the erection of a new town stable at the rear of the civic building. It was decided to lay concrete crossing on Summer Street beside the civic building. The Street Commissioner was granted one week's holiday. Considerable discussion took place on matters pertaining to the new school, but no action was taken.—C.

Lieutenant Parker Hooper, who leaves shortly for the front with the 2nd Siege Battery, was honoured by his fellow-firemen last evening in the rooms of the Fire Department, when he was presented with a splendid automatic revolver. Lieutenant Cheverle, though not a fireman, was also an honoured guest. Chief Fireman Ranganath presided. Gunner Stephen McKinnon was also present and was referred to in complimentary terms in several speeches. The speech of the evening was made by Mr. F. J. Nash, Editor of the "Patriot," in reply to "The Press," and in eloquent language he spoke of Lieutenant Hooper's exceptional ability as an athlete and his fine musical talent. He had no doubt that both Lieutenant Hooper and Lieutenant Cheverle would be a credit to themselves and the island. The other speeches were all brief and to the point, referring to the splendid ability of the guests and wishing them every success. A couple of songs helped to make the evening the pleasanter. The toast-list was as follows: The King; The guests, Lieuts. Hooper and Cheverle; Gunner McKinnon; Returned Hero; Charlottetown Fire Board; Mr. Ranganath; The Press, Mr. F. J. Nash; The Athletes, J. McMillan; Addresses by Capt. Large, Capt. Webster and Mr. Palmer. Fine songs were sung by Lieut. Hooper and Mr. Jos. Hennessey and a splendid recitation was given by Mr. A. Trainor.

The proceedings, which were highly interesting throughout, were concluded with "Auld Lang Syne" and "God Save the King."

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

BEST FOR LIVER AND BOWELS,
STOMACH AND CONSTIPATION.

Get a 10-cent box now. Purred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which soured and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascareset tonight will give you constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take Cascareset now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing too.

ALL HAVE BEEN THERE—One of the infantry sergeants had a squad of about a dozen raw recruits at the park on Monday morning putting them through the rudiments of drill. He was taking great pains with the men, and the men were doing their best under the circumstances. In a few days they will be able to take their place with those who have been "through the mill" and give a good account of themselves.

FROM THE DEPTHS.—Mrs. Daniel Stewart, (Fitzroy St.) was fortunate enough yesterday to receive from her son, Ira Stewart, now with the Canadian Expeditionary Force in France, a letter which had gone down to the depths with the Hesperian. The letter was written on August 28. Mr. Stewart, it will be remembered, was one of the gun crew with Mr. Stephen McKinnon when the latter was wounded. Mr. Stewart escaped unhurt.

PRESENTATION.—Canon Simpson visited the Camp, Brighton, yesterday morning and presented each of the six members of No. 2 Siege Battery belonging to St Peter's Cathedral, with a finely bound Prayer Book, a flash light and khaki handkerchief as a gift to the recipients were: Charles Hine, Corporal Walter Smith, Trumpeter Russel Smith, Gunners Allan Hyam, Geo. Sherren and Sidney Richards, Captain Austin Chappell of the Dental Corps, and Gunner Ernest Hine, of the Heavy Brigade, Sydney Mines. He also been presented with Prayer Books. There are now sixteen members of St Peter's Cathedral on active service, and so far as known twenty-three former members. Seventeen of these belonged to the choir, and sixteen were baptized by Canon Simpson.

Mrs John Quinn, of this city, received a telegram last Sunday announcing the death of her brother, Moses Gallant, who was killed in action at the front. The deceased was a son of the late Mr. and Mrs. Moses Gallant, of Rustico, and was enlisted with the 26th Battalion in Charlotte. Upon shortly after the outbreak of the war. Particulars as to how he met his death have not been given, all that is known being that he died the noble death of a soldier in the performance of his duty. His death adds one more to the list of Prince Consort soldiers who have paid the price in this war and the sympathy of all goes out to the surviving relatives. There are left to mourn four sisters, Mrs. Hugh McKinnon, Mrs. John Quinn, the Misses Margaret and Maud Gallant, City, and five brothers, Elmer, Milton, Alex., Trenton, David, Tracadie; Jerome, now with the 26th Battalion in the firing line in France, and Wilfrid, recently enlisted with the Infantry now recruiting at Charlottetown. Mr. Hugh McKinnon, a brother-in-law, has also enlisted with the Infantry at Charlottetown.

PRESENTATION.—Several members of the Charlottetown Chess Club called up Capt. W. B. Prowse Saturday afternoon last and presented him (on behalf of the Club) with a number of useful articles, that were made handy on the firing line. A number of kindly addresses accompanied the presentation to which Capt. Prowse feelingly replied. He, Capt. Prowse, stated he was very fond of the strategy of Chess and hoped to be able to put some of his experience in this line to good use when fighting the battles of Chess. The Charlottetown Chess Club are only few in number but somehow they show the spirit of fight, and self defence to a marked degree. This makes the third presentation, within a year to its members going to service to the Empire. Charles Coombs, Dr. Alexander Ross, and Capt. W. B. Prowse. In the ranks of the Charlottetown Home Guards will also be found the names of Champion Dr. A. E. Lundie, T. B. Woodman, L. C. Worthy, W. S. Louison. Half the present membership of the Chess Club are ready for service for King and country, which undoubtedly is a good showing.

SOLDIER REMEMBERED.—A most enjoyable gathering took place at the home of Mr. and Mrs. Edgar Gillespie, Spring Brook, on Wednesday evening when about forty guests assembled there to bid farewell to Mr. Jack McCrae before his departure for England. The evening was spent in the various kinds of amusements. A banner lunch was served by Mrs. Gillespie. The reading of the following address, the presentation of a purse of money and the singing of God be with you till we meet again, brought the evening to a close:—"Dear Jack—We are gathered here in evening to express to you our appreciation of your valour in volunteering to serve your country and fight our battles for us. We cannot all go to fight and feel greatly indebted to those who go in our place. During your absence while on training you have been very much missed by all your friends in the community. You have always won friends for yourself by your cheerful manner and your willingness to oblige others. We extend to you our hearty wishes for your safety and beg you to accept this small present as a remembrance from your many friends, who will be praying for your safety."

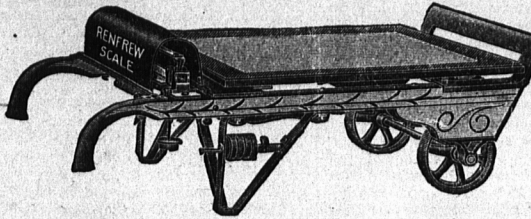

The Patriotic Bridge, Whist and Dance Party was given last night in the Prince of Wales College Hall for the Second Siege Battery Regimental Fund, under the patronage of the Lieutenant-Governor. This was the biggest social event of the season. The hall was well filled, there being 41 tables, altogether, at which some 170 ladies and gentlemen enjoyed spirited and well-contested games of bridge and whist.

Until 10.30 o'clock card playing and the brilliant conversation and social intercourse which usually accompanies the game were the main attraction. The hall was then cleared for dancing. The Band of the 4th Regiment furnished excellent music and the light fantastic was indulged in till two o'clock.

The gathering was a particularly brilliant one, the ladies' dresses being particularly attractive. The party concluded with the singing of God Save the King. The proceeds, it is expected, will be highly satisfactory and the Committee in charge is to be congratulated on the splendid success of their undertaking. The list of prize-winners and the proceeds will be announced later. The ladies beg to cordially thank all who contributed in any way in making the party such a success.

Renfrew Standard Starts Without Cranking

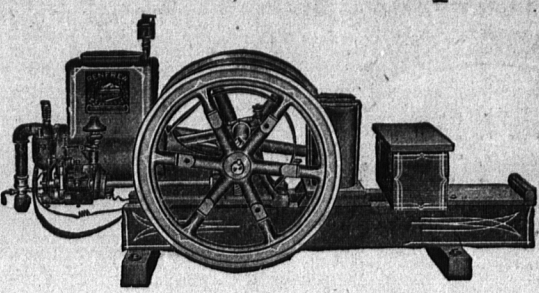

No bother or fuss about making this engine go. It has dual ignition. A complete battery ignition system—a complete high tension magneto ignition system. If one system should get out of order, you've always the other to depend on. Very economical carburetor, too. Always a fly ball governor which permits remarkably close regulation of the engine. Many other features. Read our latest catalog—free on request. All sizes from 1 1/2 to 60 h.p.

The Renfrew Machinery Co. Limited,

Head Office and Works, Renfrew, Ontario

Office for the Maritime Province, Sussex, N. B.

Trio Of Farmer's Helpers

Wheels Around Like A Truck

No trouble to weigh things on this scale, because you can wheel it wherever you desire; because it is self-adjusting and will weigh accurately on even or uneven ground. Weighs anything from one lb. to 2000 lbs. Government inspected. Guaranteed accurate. Compact, durable. Write for Renfrew Truck Scale booklet.

SERIOUS FIRE AT SUMMERSIDE.

The most serious fire since that which occurred at Schurman's Mill over a year ago, took place about 8 o'clock on Sunday morning, when the large coal shed at the rear of Robinson's flour mill, adjoining the railway yards, containing about 200 tons of coal, and belonging to G. W. Robinson, was completely destroyed by fire. The fire when discovered was breaking out through the roof, and notwithstanding the strenuous efforts of the firemen, the building was completely destroyed. Most of the coal was saved. About two weeks ago fire was discovered in the coal in this building, which had originated by spontaneous combustion. A large quantity of coal was then removed and it was thought the fire was under control. The loss will be between four and five hundred dollars.—C.

The death took place at his home, Brookfield, on Sept. 18th, James William Essory, at the early age of 39 years. The deceased had been an intense sufferer for a number of years, but he bore it with great Christian fortitude and uncomplaining submission. Of a cheerful disposition linked with true Christian character he was loved and respected much by the community in which he lived. The funeral services were conducted at his home by his pastor the Rev. Mr. Leard and the remains were followed to Greenvale Cemetery by a large concourse of people. He leaves to mourn, a wife and four small children; also his mother. The many beautiful flowers presented by friends, showed the esteem in which the deceased was held. The pall bearers were six of his cousins, namely: Samuel Sill-

phant, Elmer Bagnall, Everett Haslam, Peter Martin, Wm. Haslam, W. G. Darke.

AND STILL THEY COME!—Yesterday nine applicants for the Infantry Re-Enforcements were received at the Armouries, seven of whom passed the doctor. The men who proved medically fit; and who were attested are as follows:—Willie Stewart, Wellington; Joseph Turny, New Haven; Peter McInnis, Earncliffe; Aeneas Dowling, Nine Mile Creek; Edward T. Croker, City; Arthur A. Gallant, Summerside; Jos. Arsenault, Summerside.

The casual observer, taking a stroll in the park these days, cannot help but observe the growth of the Infantry Re-Enforcements, as well as their ever increasing efficiency.

Yesterday the list was swelled by nine who passed the doctor's examination and were attested. The nine new men were from different parts of the province and their names are as follows:—

Albert McKinnon, Richmond, Lot 14, Jas. A. McNeil, Wellington, John Edward McNeil, Wellington, Arthur T. Arsenault, Egmont Bay, Geo. Larter, City, Jas. Rooney, City, Edward Phalon, City, Earl McLean, City, Albany Gallant, Summerside.

The growth of this new corps is quite remarkable, following as it does the mobilization of the 2nd Siege Battery, a corps of over two hundred men. The Infantry Re-Enforcements is now over 100 strong, and both officers and men are to be congratulated on both their field work and their appearance and behaviour in the city.

WEDNESDAY

RETURNING TO SERBIA.—Staff Officer Roy Leitch is leaving the city on Thursday next on return to Serbia, after spending a furlough of seven weeks in his native city. He will go back via the United States and expects to arrive in Serbia about the middle of November. He had applied to Ottawa for permission to accompany the Siege Battery with or without charge, but the authorities declined his request.

THE RIGHT SPIRIT.—A recruit presented himself at the Armouries yesterday for the Infantry Re-Enforcements, but on medical examination it was found that one toe overlapped its nearest neighbour. He was consequently turned down as being medically unfit. On being informed that an operation would remedy the evil he immediately set out to get a surgeon to remove the offending member. This spirit is the truly patriotic one, and should make all strong young men of eligible age who have not come forward ashamed of their inactivity.

MENTIONED IN DESPATCHES.—It is understood that Major Melville W. Warburton, of the British Field Artillery at the front has been mentioned in despatches for gallantry and excellent work with the guns. Major Warburton is a son of the late Colonel William P. Warburton, C. S. I. and nephew of Drs. Geo. A. and James Warburton, of Charlottetown. He went to the front last year, in August, with the first Expeditionary Force sent over from England to the assistance of the Belgians and French and has been doing his "bit," on the battle line in deadly earnest, ever since.

PROMOTION GAZETTED.—Capt. W. A. McKee, a native of Charlottetown, who enlisted in Moncton and has been at the front for some months, has been promoted to the rank of Major. He is a son of the late Conductor McKee.

PURSE OF GOLD.—Lieutenant J. Parker Hooper was waited upon by a number of the young ladies of St. Paul's Church on Monday, and on behalf of the congregation, presented him with a purse of gold as a token of their appreciation of the services he had rendered as a member of the choir. The Lieutenant thankfully and suitably acknowledged the gift.

M. ANDRE'S LECTURE.—M. Andre gave his delightful lecture on two occasions yesterday. In the afternoon the pupils of the various schools gathered in St. James' Hall to listen to his most interesting descriptions and to see the beautiful collection of lantern views of the various scenes of the great European conflict. The children watched and listened with deep attention throughout. Mr. Ritchie played the various national anthems of the Allies at intervals. M. Andre suited the lecture to the juvenile years of his audience and every boy and girl must have left the hall with a deeper sense of the reality of the greatest war in history. At the close the children joined lustily in singing "God Save the King." Again in the evening Mr. Andre repeated his lecture to a large audience and held their interest throughout with his lucid descriptions of the various scenes and episodes. The lecture was thoroughly enjoyed by all. The proceeds of this effort for the "Patriotic Fund cause will be declared later.

Don't Forget!
