Florida, 4324 McPherson Avenue. Death was due to kidney trouble. Mr. Sutherland had been ill only ten days. Prior to his illness he was engaged in settling the affairs of the Washington institution, which recently consolidated with the American Trust Company. Mr. Sutherland was associated in the law practice with George Eigel, a member of the House of Delegates. About seventeen years ago Mr. Sutherland came to Charlottetown from Chicago. His former home was in Charlottetown, Prince Edward Island, Canada. Mr. Sutherland was formerly a member of the Caledonian Society, the City Club, and the Missouri Athletic Club. Mr. Sutherland has no relatives in the United States, except a brother-in-law in Chicago. He was 58 years old.—St. Louis Mo. Globe-Democrat, September 21st.

The home of Alexander Horne, Queen Street, City, will be the scene of a very pretty event, and one of much interest in social circles here, when at six fifteen this morning, his youngest daughter, Miss H. Louise, will be united in marriage to Dr. Ira J. Yeo, also of this city. The ceremony will be performed in the parlor which has been handsomely decorated with flowers—lavish in beauty and abundance—for the occasion, and will be of a quiet nature, only the immediate friends and relatives of the contracting parties being present. The bride who will be given away by her father, will be attired in a tailored cloth travelling suit of navy blue with hat to match and will carry a bouquet of bridal roses. Both parties will be unattended. Immediately after the ceremony a wedding breakfast will be served in the dining room after which the happy couple will leave on the western express en route to Montreal, Toronto, Niagara Falls and other Canadian and American cities on their bridal tour. The principals in this event enjoy a wide acquaintance—their circle of friends extending almost across the continent. From hosts of these have been received gifts innumerable attesting in beauty and value to the high regard in which the recipients are held by their friends at home and abroad. The bride is one of this city's best known and most popular young ladies while the groom is a physician who now enjoys a rapidly increasing practice in his native city, having opened his offices a comparatively short time ago. Among the presents received was a magnificent quartered oak china cabinet from the Abegweit Athletic Association, of which the groom is the President and one of the most untiring workers, and also a cut glass set from the choir of the Baptist Church, of which the Doctor was a member. The Guardian heartily joins with the friends of the happy couple in extending best wishes on this occasion.

At De Sable, on Aug. 26th, there peacefully passed into the "great beyond," Lydia May Ferguson, aged two years and seven months. She was the daughter of Marcus and Mrs. Ferguson, and although so young in years, will be greatly missed by her parents, brothers and sisters. She was the joy of the home, so young, so tender and so fair, but— Nipt by the wand's unkindly blast, Parched by the sun's direst ray, The momentary glories waste. The short-lived beauties die away. So blooms the human face divine, When youth its pride of beauty shows: Fairer than spring the colours shine, And sweeter than the virgin rose. Let sickness blast, and death devour, If Heaven must recompense our pains, Perish the grass, and fade the flower, If firm the word of God remains. (Examiner please copy.)

FRIDAY
Considering weather conditions a large crowd attended the races at the exhibition grounds yesterday afternoon. The track was not in as good a condition as the day previous owing to the heavy rain during the night and morning forenoon. The inside of the track was muddy and in places water lodged on it, and consequently the racers could not hug the pole which made long miles. All conditions considered, good time was made as will be seen by the summary. First race called was the 2.30 trot (stake).

2.30 TROT. (STAKE.)
First Heat—The horses got away on the third race. Orwell Belle took the lead and held it to the wire. She was closely followed by Pretium to the 1/2 mark when Acquiri showed up and landed second position in easy style. Our Pretium third and King Dods fourth. In this race there were ten entries of which only four started to the disappointment of all. Second Heat—Orwell Belle held the pole until the 1/2 mark was nearly reached when she broke and was passed by Our Pretium and Acquiri. The Belle mare did not loose very much by the break and came home like a whirlwind, passing both of her opponents in easy style. Our Pretium second, Acquiri third, and King Dods fourth.

Third Heat—Our Pretium took the lead and held it to the stretch with Acquiri second. Orwell Belle held third race until the home stretch when her driver pulled her out and she came home an easy winner. Our Pretium

Pimples So Bad He Was Ashamed
Tried Everything but Did It No Good. One Box of Cuticura Ointment Took Pimples Away.

"About seven years ago pimples broke out all over my face and neck. When they would first come out they would be sore and red, then after a while they would turn white, and matter would come out. Sometimes they would itch so I could hardly sleep. I was ashamed to go down street. My face looked so bad. I went to several doctors and got medicine, which did me no good, and bought ointment, salves and patent medicines, but none of them would cure my face and neck. A friend advised me to try Cuticura Ointment. I got one box, and I took the pimples away before I had it all used up. I can say it is a wonderful remedy. Any sufferer who has pimples should use Cuticura Ointment if they want a sure cure. I never saw any case equal to Cuticura Remedies (Signed) Aylmer Mathers, Parkhill, Ont., Dec. 24, 1910.

Sores All Over Baby's Body
"When my baby boy was six months old, his body was completely covered with large sores that seemed to itch and burn and caused terrible suffering. The eruption began in pimples which would open and run, making large sores. His hair came out and finger nails fell off, and the sores would come off when I moved his body. I got one box, and I took the sores away before I had it all used up. I can say it is a wonderful remedy. Any sufferer who has sores should use Cuticura Soap and Ointment. (Signed) Mrs. Noble Tubman, Dodson, Mont., Jan. 28, 1911.

second, Acquiri third, and King Dods fourth.
2.25 TROT, 2.28 PACE.
First Heat—It took several scores to get the horses away. Billy C. made a bad break on the first and last turn. Hilda S. and Ginger went a great race from start to finish. Hilda S. won out, Ginger second, King Brazilian third, and Billy C. fourth.
Second Heat—Away on first score. Hilda S. took the lead and held it to the wire. It was a great finish between her and King Brazilian who gave her the race of the day, winning by a nose only. King Brazilian second, Ginger third and Billy C. fourth.
Third Heat—Hilda S. took the lead and held it to the 1/2 mark when she was passed by King Brazilian and Billy C. who finished in this order. Hilda S. third and Ginger fourth.

Fourth Heat—King Brazilian held first position to the stretch, where he was collared by Billy C. and then the expected happened. Billy broke and King Brazilian won the heat, Hilda S., second, Ginger third, and Billy C. fourth.
Fifth Heat—This was the most exciting heat of the day. Billy C. retained a good start and led the bunch to the 1/2 mark, when King Brazilian and Hilda S. strided out. The King horse finished first but was placed second position for breaking. This gave Hilda S. first place and first money.

2.19 TROT & PACE.
First Heat—Robert C. drew the pole position and held it to the 1/2 when Meadowvale strided out and captured it. Before the half mark was reached Ruth Hatheway was in the lead, with Bebe Logan trailing. It was a great race to the wire between the two ladies but Miss Ruth proved fast. Meadowvale third, Axell fourth, Queen Marie fifth, Robert C. sixth, and Premier seventh.

Second Heat—The horses scored several times and it proved impossible for the driver of Ruth Hatheway to bring her down with the other horses on account of lameness. The judge allowed her owner to withdraw her to the regret of everybody as she captured the first heat. On the first turn, Meadowvale took the lead and held it to the home stretch where Baby Logan won out by a length. Axell third, Queen Marie fourth, and Robert C. fifth. Premier was also drawn after first heat.

Third Heat—Meadowvale took the lead and held it to a few yards of the wire where he was nosed out by Baby Logan. Axell third, Queen Marie fourth, and Robert C. fifth. Premier was also drawn after first heat.
