DOWN - THE - BACK STRETCH

Professor A. Rockford paid a hurried visit to Charlottetown on Tuesday and in course of conversation gave us some particulars regarding Fred Worthy 2:16 1-2, the boy quarter who has campaigned so successfully this season.

Before putting him away for the winter the Professor resolved to test him out and worked him in company with Fred Magnus 2:08 1/4 and Bud Wenter 2:05 1/4, neither of whom could head him to the wire in miles paced in 2:10 or better. He negotiated a half in 1:03 1/2 and a quarter in thirty seconds, which is real speed as every horse-man knows.

A long campaign is planned for Fred Worthy next season when he will take in stakes at Essex Junction and Rutland, Vermont, also Malone, N.Y., but he will positively be on hand for the Provincial Exhibition, Charlottetown. The breeding of this valuable sire, sire, Bud Axworthy 2:14, dam, Betsy Aubrey 2:22 by Captain Aubrey 2:07 1/2. He was bred and raised by Frank Metherall, Cape Wolfe.

Forty years ago Professor Rockford was a familiar figure on New England tracks. He had that good pacer Dandy Boy 1:13 1/4, with which he hung up track records at South Framingham and Pepperal, Mass., and Springfield, Maine.

It is reported that Miss Helen Volo 2:08 1/4 in the stable of Eddie Avery the past season, has been sold to a Charlottetown sportsman. If so it will be good news and help out the competition in the 2:14 or better trot here.

The sale of speed at Springfield, Mass., last week was highly satisfactory. Several Maritime horsemen attended and purchased the following: C. M. Alexander, Saint John, who bought Barney Hanover 2:07, eligible to the 2:13 pace. He is a lovely little horse, sound, good mannered and good in his class. Leonard Barrie's, Buctouche, purchased five as follows: Czar Frisco 2:07 1/4, eligible to the 2:09 trots. This horse has been racing in Maine for several years and has always given an excellent account of himself. Elsie Louise 2:16 1/4, eligible to the 2:26 trot. Elsie was raced by Pearce Chapman this summer and fell about two weeks ago was a mile in 2:10. Lucky Miss 2:18. This mare won three races the past summer, is good paced, good mannered and of the improving kind. Paul Abey, time 2:13 1/4, is a three-year-old by Abbeville 2:10 1/4. He was raced by Frank Stafford and looks like an excellent prospect for the open market.

Proctor 2:10 1/2 pacing as a three-year-old, and 2:12 trotting this season as a four-year-old, is a nice made stallion, sound and good mannered, but the former world's champion three-year-old trotter Proctor 1:59 1/4. Last season as a three-year-old he started in eight races, winning one and taking a record of 2:10 1/4 on the race track. This season he was campaigned as a trotter and took a record of 2:12.

Among those attending the sale was Joseph Beaudoin of Bedford Mines, Quebec, who bought five, and one went to Belgium - Calumet 2:06. Mr. E. P. Gray, owner of Miss Volo 2:08 1/4, a three-year-old, stated that he had been offered \$2,500 for the mare by a Halifax lady but had withdrawn her from the sale as she hurt her ankle. Other good horses sold there were Warwell Guy 2:08, eligible to the 2:17 class, Directum J. 2:08 1/4, eligible to the 2:14 class, Harry G. 2:04 1-2, eligible to the 2:12 class.

The 1939 calendar issued by the Harness Horse will contain half tone engravings of the following horses, champions of 1938: Billy Direct 1:55, world's champion pacer. Greyhound 1:55 1/4, world's champion trotter. Rosalind 1:54 1/4, world's champion trotting mare. Her Ladyship 1:57 3/4, champion pacing mare of 1938. Chief Counsel (3) 1:57 3/4, champion three-year-old trotter. Dean Hanover 1:58 1-2, world's champion four-year-old trotter. Nibble Hanover 2:02 1-2, champion two-year-old trotter. Madlin Hanover 1:59 3/4, champion three-year-old trotter. Spintell 2:01 1/4, champion green trotter of 1938. Del Frisco 1:59 3/4, champion three-year-old pacing mare of 1938. Lynnite (2) 2:06 1-4, champion two-year-old trotting filly of 1938. Lovely Lady 2:07 1-4, world's champion two-year-old trotter over half-mile tracks. Blackstone, 2:08 3-4, champion two-year-old pacer of 1938.

Forty-eight two-minute or better miles were trotted or paced the past season. This is twice as many as any year in the history of the harness sport. The total for all time is 297. Of these 200 were paced and 97 trotted.

H. Stacy Smith passed away at his home, Short Hills, New Jersey, on November 8th. Mr. Smith was a very large man, standing six feet three and weighing about 250 pounds. He was a banker by profession and his hobby was harness racing. He could pick a colt on form and watch its development, was an excellent driver, and judging by what he has accomplished he had few superiors living or dead among amateurs.

His handling and management of Dean Hanover (3) 1:58 1/4, borders on the phenomenal. Buying the colt two years ago last fall as a yearling for \$410, he developed him under his management and most of the time drove him in his training, setting up a new trotting record at Weequatic Park track last season of 2:05, but previously as a two-year-old, trotter he had taken a heat record of 2:08 and established a world's record for a three heat race by a two-year-old trotter over a half-mile track. He also set a world's three-year-old record for half-mile tracks at 2:03 3-4 and won the open trot at Good Time Park last year in 2:00 1-2 and 2:00 1-4, then sold the level for \$20,000. Dean Hanover then went on to establish a world's record of 1:58 1-2 as a three-year-old and 1:58 1-2 this season as a four-year-old. For years Mr. Smith's horses raced on the Grand Circuit and always gave a good account of themselves. He was a former owner of Golden 2:12, well known locally.

The Indianapolis speed sale held on November 1st and 2nd attracted horsemen from all sections of the United States with a few from Canada and some from Europe. The sale featured the dispersal of the horse holdings of the J. E. Crosby estate and was a most successful one. The gross total was \$400,000. He also set a world's record for a three-year-old pacer Colossal, raced as Buddy Volo last season when he took a track-mile record of 2:03 1/4. The next highest figure was \$2,000 paid for the trotting gelding Senator V. 2:08 1-2.

Franklyn Safford of Kenne, N.H., who was there, reported the racing career of the greatest of all half-mile track geldings, Ray Henry 2:01 3-4, as probably being the best of the breed since he first campaigned in 1930, and in this season, his ninth, raced by Earle Avery, Woodstock, N. B., he was in 2:08 1/4, a little more than 94 races contested. He finished second in 15, third in 5, four in 6.

The friends of trotting to the number of 300, met on three evenings of the recent horse sale at Indianapolis, and apparently have accomplished something worth studying. The present money earning system of classification is expected to continue.

W. J. MacDonald, noted amateur driver of Boston, thought there was too much racing for young colts and that they should be only required to race one mile instead of two or three as events now call for. He said that if only trained for one mile most of the colts would race sound for many years. Only iron horses can stand the present methods, he said.

The tragic death of that gallant campaigner Marjorie M. 2:07 3-4, destroyed by fire in her stable at North Sydney on Tuesday night, together with her stable companion Hanover Czar 2:11, has evoked widespread expressions of regret. Marjorie M. was a favorite from her first appearance here as a five-year-old, eight seasons ago. She always gave her best in every race and enjoyed the competition just as much as the spectators and her driver. In 1933 she lowered the Charlottetown track record to 2:07 3-4, which was the best mark she obtained. In the racing history of the Maritimes it is very doubtful if there ever was a trotter or pacer with a better series of summaries.

Calumet Azo with a record of 2:04 1-2 in pacing, was shifted to the trot this spring and got along nicely at that gait until they raced him, then if the driver took the least bit

Moncton Boy Will Replace Goalie Cude

(C. P. by Guardian's Special Wire) MONTRÉAL, Nov. 18.—The slumping Montreal Canadiens announced tonight Wilfie Cude, the slender Welshman who has been plying them three seasons, has been following a medical examination ordered after he let in seven goals in last night's National Hockey League game against Detroit.

Club President J. Ernie Savard said the little netminder had been ordered to take "a complete rest from hockey" for two or three weeks. The "leave" was granted on condition that Cude's successor would be a local player.

Speculation as to Cude's successor while he is away brought no comment from club officials but it was reported Habitanie were dicker for Claude Burke of Verdun Maple Leafs in the Quebec Senior Hockey League.

The New Brunswick boy, who has been coaching here for a couple of years and is rated one of the best amateurs in the business, is expected to sign with Canadiens tomorrow morning and leave for their later in the day for their Sunday game against New York Rangers in Manhattan.

Manager Cecil Hart said there was a chance the Welshman's place between the pipes would be taken by Paul Gauthier, goalie of New Haven Eagles, Canadian team of the Int-Am League. Gauthier himself has been ordered to rest because of his health, and pucky Bill Beveridge, with Marjorie last year, has stepped over to the Syracuse Stars to take his place.

Of hold of him he would pace. About to give up the task of making a trotted out of the big bay horse it occurred to his trainer to try him without bit or bridle, simply attach rings to a head halter and buckle the reins to the rings. The new style worked perfectly and he has raced in good form several times this summer and is now at Dufferin Park, Toronto, where he will campaign until after New Year's Day whenever they desire to race him on the pace they simply put back the bridle and bit and away he goes at his old gait.

At Escanaba, Michigan, one afternoon he beat the race and won two and two days after started in the trotting event and won it, taking a record of 2:12 1-4.

Dufferin Park, Toronto, has over 40 horses stable there and meetings will be held every Saturday afternoon until Christmas, when two-day meetings will be staged, also at New Year's. For the first time in its history two two-minute pacers have stabled there, Colonel Tom 2:00 and Peter at Law 1:59 3-4 as well as the last Canadian bred pacer, Dixie Direct 2:01, Calumet Azo 2:04 1-4, Simcoe Harvester 2:04 1-4, Sir Esme 2:04 1-4 and a lot of lesser lights. There will be a race for lady drivers similar to the one last year's program. There are quite a number of competent ones to take part including Miss Rowe, daughter of the Hon. Earl Rowe, former leader of the Conservative Party in Ontario.

Speaking of the race won by the four-year-old Canadian pacer Daz-Direct at Lexington, Ky., two weeks ago the Harness Horse says: "Daz-Direct 2:01, as his picture shows, has not much claim to beauty, but he can whiz, is sound and a gamer, or better member of the breed, than one he has ever known. Last year in his three-year-old form he won four of his six starts and took a record of 2:11 1-4. When he arrived in Lexington he was untried and no one knew or cared anything about him, but when he left for he was the medium of what is called a 'killing', and his owner and friends surely cashed in on his race. Making no effort in his first round he was entirely over-looked in the second, which he won in 2:01 despite a grand field of seasoned campaigners, and then to show them that it was no fluke he came home the last end of the final mile in 29 seconds, trouncing the field into the ground. The youthful driver, MacDonald, who had the mount and did a clever job of handling him, will be on the Grand Circuit next season and surely hang a two-minute or better record on the son of Gratton Direct 2:13 1-4.

Jane Azoff, 1:59 3-4, the first two-minute trotter or pacer to secure a home in the Maritimes, arrived about 11.30 last night. She shall the stable of Dr. H. M. Parrshall, Lexington, Kentucky, last Saturday. This mare was owned by Charles H. Horton, Murray River, Prince Edward Island, is eight years old and was the second fastest pacing mare campaigned in this season. She will be this Province's standard bearer in the free for all paces next year and all Islanders will be pulling for Mr. Horton and Jane Azoff.

Apostoli Halts Corbett In Eighth Round To Win N.Y. Middleweight Title

(By SID FEDER) (Associated Press Sports Writer) NEW YORK, Nov. 18.—(AP)—Fred Apostoli, the San Francisco bellhop long recognized as the uncorrupted king of middleweights, perched at least a portion of the 160 pound crown on his curly black hair tonight by stopping Young Corbett in eight rounds at Madison Square Garden. Apostoli weighed 159; his rival 169 1-2.

Before a somewhat disappointing crowd of 7,500 who paid \$21-601 at the box office, the San Franciscan dropped his California rival twice in the seventh round and twice in the eighth. Eddie Josephs halted the proceedings at two minutes, one second of the latter heat. The victory gave the falling Fred recognition in New York State as world middleweight champion.

After a slow start, which saw the ring-scarred southpaw give Apostoli plenty of trouble through hand style of whacking, Fred went to work. From the fifth heat to the end, it was just a question of when the finish would come.

Apostoli had been trained to go after the southpaw stance of the 35-year-old Corbett with a smashing right hook, and once he started to pour this in, he was complete master. He threw this blow, along with jarring lefts to the body, and Corbett after gamely accepting the beating, slumped to one knee in a neutral corner for a nine-count in the seventh round. He came back fighting, but Apostoli, the 24-year-old boy who has whipped every top middleweight in the game today, sailed in and flattened him once more, this time with a right-hand smash that landed flush on the face.

Coming out for the eighth, Apostoli belted the shorter, stockier 33-year-old batter with rights all over the ring. Finally Corbett went down in his own corner for a count of nine from another right. They danced out to mid-ring from there, but the beating had been too much for the game warrior who once held the welterweight championship. In the centre of the ring, he slumped to his knees and referee Josephs called the whole thing off.

SAINT JOHN, N. B., Nov. 18.—(CP)—Saint John Braves again showed themselves too good for Halifax Wolves blanking the Nova Scotians 2-0 tonight in a second exhibition hockey game. On Monday Braves edged out the Halifaxians 4-1 here. The two teams will play at Halifax next Monday and Wednesday. On Thursday and Friday Braves will be at home to Grace Bay Miners. The fans saw a faster brand of hockey tonight than they did Monday. The game also was rougher, resulting in more penalties.

Notre Dame Faces Crucial Game Today NEW YORK, Nov. 18.—(AP)—The middle west, where two major titles will be put on the line and Notre Dame will encounter the next-to-last obstacle in its march to an all-winning season, holds the balance in its grasp in tomorrow's United States Collegiate football program, one which marks the end of the 1938 season for many of the mightiest powers.

Two of those powers are Wisconsin and Minnesota, evenly-matched western conference leaders who will clash before a capacity crowd of 37,000 at Madison. The Badgers are bidding for their first championship in 26 years and Minnesota is defending the title, but neither will have exclusive claim to the season's laurels unless Michigan co-operates by beating Ohio State before a full house of 6,000 Columbus, Ill., 47,000 customers will jam into Dwyce Stadium to see Northwestern, always tough on the Irish, try to throw a damper on Notre Dame's United States Championship aspirations. There also will be a record turnout of 20,000 at Des Moines as Oklahoma, unbeaten and untied, winds up its big six conference campaign against unbeaten but once-tied Iowa State.

These four games, with their championship aspects, over-throw even such traditional conflicts as Yale vs Harvard in the east, and California vs Stanford on the Pacific coast.

Fast, Hard-tackling Team Of Queen Square Inflict 14-0 Defeat On Summerside Squad

A relentless hard-following, hard-tackling band of Queen Square ruggers outwheeled almost man for man yesterday got ample revenge for a previous defeat inflicted on them by Summerside High School team when they sent the Western squad tumbling to a 14-0 defeat in a game played at the C. A. A. Grounds.

Smashing through for a converted try in the first half the purple and white clad team came through with three more in the second session to chalk up their big total. The very fury of their attack took the play away from the losers once Jim McCallum, coach of the Q. S. S. team came through with a successful piece of strategy in the first five minutes of the contest. The winners started out with a 7-man scrum but against the heavier Summerside team they continually lost the ball. Then they shifted to a five man scrum with the two men going back into the backfield. Summerside high still continued to heel 100 percent of the time but the two extra men in the backfield gave the ball resolute carry and chance as the hard-tackling backs came through time and again to down the ball carrier in his tracks.

Dribbling and kicking the winners kept the play in Summerside territory all throughout the game. Numerous times they threatened but only once in the first session could they manage to cross their hard-fighting opponents line. The ball was 15 yards from the last stripe when Bus Bell dribbled it over the line. Following fast the backfield man beat the Summerside team to the oval for a try. Gauthier converting with a kick that split the posts.

It was dribble, dribble, dribble for Queen Square as the backs handed Summerside players with once-ankle-high tackles and only once did the visitors threaten. Hogan hefty picking quarter gathered the ball in cleanly from a scrum to go 30 yards before being stopped just about two yards from the line. From a scrum on the one-yard line Summerside saw their chance of a try fade as Queen Square was awarded a penalty kick that took the ball out of danger.

Throughout the entire second half Queen Square kept up the same tactics that had worked so well in the first session. They kept the ball in Summerside territory. Shortly after the half opened they ran the score to 8-0. Strategy worked here again. A scrum was called on the Summerside 3-yard line. Ted Wilson suddenly called for a 7-man Q. S. S. line being using. The move worked. Q. S. S. heeled the ball cleanly and Bell went the three yards for his second try of the game.

Never giving their opponents a rest the winners kept pressing and Ted Wilson scooped up a loose ball at the halfway mark to run the count to 11-0. Summerside fighting back doggedly at every stage of the game but they couldn't cope with their hard-tackling, fast opponents. Before the game ended the winners had made it 14-0. "Pop" Doyle following a dribble over C. Summerside line to fall on the oval for the final fish in the money, as did Stanley Square's three tries in the second half were converted.

The game apparently ends football for the season unless Queen Square and West Kent should stage their annual series, which if they do should prove to be plenty close and interesting. Q. S. S.—Fullback, Trainor; three quarters, Bell, "Pop" Doyle, Stanley, Gauthier, Halves, Gormley, Blanchard, Lightner. Forwards, Wilson, Smith, Fleming, Arsenault, McMonagle, Leo Doyle, DeCoste. Subs, Bowlan, Richard, Gaudet, S. H. S.—Fullback, Morrison, three quarters, Gallant, Moore, Willet, Deighton, Halves, Ellis, Hogan, Wood; forwards, Arsenault, Affleck, Wright, MacDonald, Kelly, Walker, MacNeill. Referee: Smith, S. D. Collegians And Y-Knots Win Games Prince of Wales College basketball squad edged out the Y-Grads 13-11 and the Y-Knots defeated the Esquires 35-19 in the opening games of the Y. M. C. A. House League last night. In the first tilt, the Y-Knots had no trouble handling the Esquires. They led 17-6 at the end of the first period and after turning on the heat in the second, led with a heavy margin, 35-13. There was plenty of competition in the second game between P. W. and the Y-Grads. The Collegians boys had the edge in the play in the first half and led 9-3 at the halfway mark. The Y-Grads staged a stupor rally in the second period and amassed nine points but P. W. C. managed to hoop four points for themselves to edge out their opponents, 13-12. Jimmy Walker and George Gear were relieved. Lineups and scores: Y-Knots—Goskin, 7, J. Johnston, 1, Bill Johnston, 5, Stuart 2, Cullen, 8, Matheson, 10, Partridge, 2, Esquires, Langille, Weeks, 7, E. Anderson, 4, Ayers, Norman, Anderson, 2. Y-Grads: Lely 1, Jones, Corbett, 1, Partridge, 3, Creighton 7, P. W. C.—Glover, Brown, McDonald, Hennessey, 7, Beer, Baginall, Gilmore.

Wins Mid-south Golf Tourney PINEHURST, N. C., Nov. 18.—(AP)—Tommy Armour of Boca Raton, Fla., a former United States and British open titleholder, won the mid-south professional golf tournament here today with a 30-hole score of 139. The winner, Greenboro N. C. Johnny Bulla of Chicago, Ill., and Craig Wood of Rumson, N. J., tied with 140's for second place. Jules Huot, Quebec star, shot an ace—the first in competition here—during his final round but failed to finish in the money, as did Stanley Horne of Ottawa.
