## RANGERS Last Minute Field Goal Gives Mount Victory A. Maritime Title BY UNION

(Associated Press)

NEW YORK, Nov. 16.—New York Rangers, last season's champions of the hockey world, won their first game of the new National Hockey League season tonight, defeating Detroit Red Wings 2-1 in a fast, rough encounter. The defeat knocked Detroit out of the American Division lead as Chicago defeated Ottawa to go ahead.

Encouraged, perhaps, by the official presentation of the Stanley Cup, the Rangers scored twice in the first period, aided to a considerable extent by Detroit penalties, and held the margin through two more strenuous sessions. The Cook brothers, Bill and Bun, accounted for the Ranger tallies, while Larry Aurie scored for Detroit in the third frame. Each team had one goal disallowed.

The Stanley Cup, emblem of the world's championship which the Rangers won last spring, was officially presented to the club by Frank Calder, league president, between the first and second periods. Jean Puse, new defenseman of Rangers, made his debut to New York by displaying his capable qualities. Broad shouldered Jean tossed aside his black cap and padded gloves to exchange blows in the first period with Eddie Goodfellow, husky Detroit centerman. Little damage was done before the referees quelled the disturbance and banished the combatants. Puse with a major and 10-minute misconduct penalty and Goodfellow with a major.

## Acadia Squad Suffers Heart-breaking Defeat In Sudden-death Game For Intercollegiate Football Title At Truro.

TRURO, N. S., Nov. 16.—(C.P.)—Suddenly breaking into a relentless, last minute attack to overcome a lead that had made victory appear assured for their opponents, Mount Allison University of Sackville, N. B., today captured the Maritime Intercollegiate Rugby championship by defeating the doughty Acadia representatives 7-6.

The sudden-death battle, first started at Halifax Monday when they finished in a 80 minute scoreless draw, was staged on a snow-covered arena, frozen to rock hardness by the heavy frost.

Within two minutes of the final whistle the Mounts burst out in a sudden attack that ended in Brody picking up the ball on the three-quarter line and booting a direct spiral over the bar to push Sackville tally up four points—just far enough to give them the decision.

Brody was acclaimed hero of the hour by the rows of Mount Allison enthusiasts standing, shivering in the deep snow, almost subdued by the three-point margin. Brody had established, only to lose it within foothold of victory.

Right from the start Acadia started off to score when they made the only count in the first period by Young's spectacular 50 yard dash for a touch that was not converted. Sackville, however, evened matters in the second period when Stoddard galloped over for a touch. Then Acadia shot into the lead, which they guarded until the last two minutes.

Breaking from a melee on the Mount's five yard line Acadia forwards combined to register another touch to place the game at 6-3.

Forcing play into Mount Allison territory Wolfville scrums continued to get the better heeling and fed the ball to their speedy half line which carried it over to the enemy's 25 yard line. They could not break through, however, and the Sackville forces crowded play back to centre field.

Completely turning direction of aggression, Sackville dashed into Acadia when it appeared they would crash over, but Acadia's sturdy full-back, Tedford, interfered and booted the ball up the line, where, through misjudgment of Mount A's backs, Young grabbed it and tore down more than 60 yards to a try. The speedy half liner outdistanced Sackville men and leisurely placed the ball a few feet from the side-line. Attempted convert failed.

Tedford, the big full back, deserved much of the credit for holding back Mount Allison's charges. More than once he made spectacular kicks with the opposing forces closing tightly in on him. Partridge almost scored in the last minute on the ball as they dashed over for the try.

## Official Recognition is Given to Junior Records at Annual Meeting of A. A. U. of C.

(By S. N. Ross, Canadian Press Staff Writer)  
WINNIPEG, Nov. 16.—Twenty-five new records in open, indoor, native, interscholastic and junior athletic competition and equalling of another in the indoor division were recognized today by the Amateur Athletic Union of Canada as it ended the first day of its annual meeting here.

Dealing with numerous reports and routine business, delegates from all parts of the Dominion cleared the decks for more contentious questions during the next two days of the meeting. Reports on past year's work by the various committees were read and adopted.

Oldest record to be cast aside by the Union was the mark of nine minutes, 34 3-8 seconds set by T. P. Connett of Montreal in 1890 for the two-mile run. The new crown was awarded Cyril Mabey of Oxford, England, who covered the distance in nine minutes, 24 seconds at Hamilton, July 19, 1933.

The only other record of long-standing to be wiped away was the running broad jump of 23 feet, 8 1-2 inches set by C. D. Bricker of Montreal in 1908. The new record, 24 feet 7 3-4 inches, was set by Jesse Owens of Cleveland at Hamilton September 19, 1933.

For the first time in the history of the organization official recognition was given junior records. All were established at a spring athletic meeting in Vancouver where only British Columbia boys were the competitors. Hope was expressed other branches would foster junior sport to a greater extent.

Among the records on half mile track recognized was the 10 mile mark of 54 minutes, 2 2-5 seconds credited to Lou Gregory, Ozone Park, N. B.

The Mount Allison crowd went wild. Victory was certain. Time was against Acadia then and they had only beaten their way to centre field when the end was called.

## Leafs Outfielder Named Manager Of Team

GALVESTON, Tex., Nov. 16.—(A.P.)—Minor baseball league club owners today re-elected officers of their association, adopted a resolution designed to curb "shoestring operators" and then set about strengthening their teams for the campaign of 1934.

W. G. Bramham of Durham, N.C., for two years President of the National Association of Professional Baseball Leagues, was chosen again to head the organization. His salary was raised from \$8,000 to \$8,500 and his term was extended from one to five years.

Reports that Ike Boone, veteran slugging outfielder had been signed to manage Toronto Leafs of the International League, were confirmed during the day.

The principal Major League deal announced by Rogers Hornsby, of St. Louis Browns—sent Mervin Shea, catcher, to Chicago in exchange for Frank Grube, another catcher. Chicago Cubs purchased Roy Joiner, southpaw hurler, from Oakland of the Coast League.

Other deals included purchase of catcher Lincoln Wasem of Jopelin by Buffalo, trading of Bill Weeny, Toledo first baseman, to Rochester for Art Shires; Baltimore's sending of third baseman Jim Stronger to the Mission Club of the Pacific Coast League on option.

A number of the rule changes were adopted by the minor league executives. Outstanding action was against the so-called "shoestring operators" whom President Bramham referred to as "bootleggers of franchises."

The new rule provides that any salary, commission or compensation becoming due to an operator of a franchise shall be transmitted through the office of the President of the National Association and become applicable to payment of liens or claims created by the operator.

## TROPHIES WON BY NORTH BEDEQUE TEAM

Notwithstanding the cold night and frozen roads some 700 enthusiastic fans assembled in Bedeque rink on Wednesday night to see the final of the Strong-Morrison Trophies.

In the senior competition the final pull was between St. Eleanors and North Bedeque. The North Bedeque team won in both pulls—the first in 15 seconds and the second in 35 seconds. This gave North Bedeque the Senior Trophy.

The Junior finals were between Freetown and North Bedeque. This was the tug that created the major interest and the supporters of both teams cheered them lustily.

Freetown won the first pull in two minutes and 33 seconds. North Bedeque won the second in one minute and light seconds. The teams each had a tug to their credit and excitement ran high.

In the final pull North Bedeque won in 43 seconds and with it the Jun or Trophy.

The Summers de Est team commanded by Bob Dewar were on hand to pull North Wiltshire but owing to the bad weather the North Wiltshire team did not arrive. St. Eleanors under the captaincy of Roy Tanton challenged the Summerside East team and pulled them in one minute and nineteen seconds.

There was a pile vault, Vernon Clow won first, Leonard McDonald, second and Herman Durant third. Mr. Hugh F. Morrison one of the donors presented the cup to the Senior North Bedeque team and in doing so complimented the team on winning the cup for the second time and on the strength exhibited by the individual members of the team during the various contests this season. He also on behalf of the management of the rink presented the St. Eleanors team with \$10.00 they having come second in the finals for the Senior Trophy and complimented them on their sportsmanship.

Mr. Heath Strong, M. L. A. presented the Junior North Bedeque team with the Trophy they had won and referred to their strength and stamina which gave them their victory and he also drew their attention to the fact that both North Bedeque teams had an excellent coach in Mr. Robert Baker who contributed not a little to their success in this contest.

Mr. Strong then on behalf of the management presented the Captain of the Freetown team with \$10.00 they having come second in the race for the Jun or Trophy. He complimented the Freetown team on their standing in the series and drew their attention to the fact that although they had not won they should not be discouraged that the cup had to be won three years in succession before it became the property of any team and that with perseverance and determination, victory would yet rest with them. This team has also a very energetic and able coach in Mr. Jack Lewis, and the fans feel that he will bring a term next year that will capture the trophy, they lost by such a small margin this season.

## AMERKS HOLD MAROONS TO TIE SCORE

(Canadian Press)  
FORUM, Montreal, Nov. 16.—An overtime 2-2 tie before a small crowd of 2,500 fans here tonight left New York Americans still at the bottom of the Canadian section standing of the National Hockey League, with Maroons, their opponents tonight, one point above them. There was little excitement in a dull and spiritless game relieved at times by a smart goal tending display by Davie Kerr of Maroons.

Hogley Smith, veteran Montreal center star, scored both the Maroons' goals and came near scoring several others. The New Yorkers went to the front in the second period when Red Jackson rifled a high shot to the upper corner.

The Montrealers seemed headed for victory when George Patterson beat Dave Kerr in a scramble with less than three minutes left to play. The overtime proved only a few desultory raids from either side.

## Good Dressers Must be Artistic

LONDON, Nov. 16.—(C.P.)—Well-dressed girls are more often to be found among those who earn their living than among the idle rich, said Dr. Joseph Oldfield, lecturing at a Girls' High School. Points made by Dr. Oldfield were:

To be able to dress beautifully is not either a natural gift or an instinct in the female; the girl who says that if only she had plenty of money she would dress delightfully is wrong; rich women never dress not by art or taste, but by herd instinct.

To dress beautifully, Dr. Oldfield declared, required a careful artistic training in terms and colors, curves and angles.

## Members Of Great Ottawa Machine Still In Hockey

A hockey team which won a world's championship, ten years ago, and every member of the club still in hockey—sounds like a jigsaw puzzle, doesn't it?

But it's a fact, every member of Ottawa's great hockey team of 1924 that won the Stanley Cup after defeating Vancouver and Edmonton in turn on Vancouver ice, are now in hockey coaching or playing roles. Here they are: Eddie Gerard, pilot of Montreal Maroons; George Boucher, with Ottawa Senators; and Frank Nighbor with Buffalo in the International League, Harry "Punch" Broadbent, coached Ottawa Amateur League last season and may do so again the coming season. Clint Benedict the team's great goaler who finished his major league career with Montreal Maroons, was recently named coach of the Saint John, N. B. amateur team.

Still in the game in playing roles are Frank "King" Clancy, with Toronto Maple Leafs, and Lionel Hitchman with Boston Bruins, who were members of that famous team. Cy Denneny, another member is on the board of referees in the N.H.L. and Tommy Gorman, who managed that team, is now manager of the Chicago Blackhawks in the N.H.L.
