—VISITING IN P. E. I.—Mr. and
Mrs. Wm. Emery of Worcester,
Mass., are visiting relatives on P.
E. I. They have been the guests
of Mr. and Mrs. David Crockett
and Mr. and Mrs. David Campbell,
Montreal.—S.

—RETURNED HOME—Mr. and
Mrs. Ernest G. Baker, who have
been visiting Mr. Baker's sister,
Mrs. J. A. Smallman and Mr.
Smallman of Summerside for the
past week, have returned to
their home in San Diego, Califor-
nia. They are visiting Yarmouth,
St. John and Boston on their way
back.—S.

—DEATH OF MR. WALTER A.
WALSH OF SHERBROOKE—
He passed away at his home in
Sherbrooke in the early hours of
Friday morning, Mr. Walter A.
Walsh at the comparatively early
age of 46 years. The deceased had
been in failing health for some
time and in spite of the best of
medical skill and tender nursing
succumbed to his eternal rest. He
was a man of pleasing personality
and had many friends who will
regret to learn of his passing. The
funeral is taking place on Sunday,
Aug. 15th at two o'clock from his
late residence in Sherbrooke.—S.

—DEATH OF MR. PARRY—
Many friends will regret to learn
of the passing of Mr. George H.
Parry whose death occurred at his
home on Water Street, Sum-
merside, on Thursday morning, Mr.
Parry had not enjoyed good health
for some time. He was a native of
Yarmouth, N. S., but removed at
an early age to the United States
and had a profitable wholesale
business for many years. Thirteen
years ago he retired and came to
live in Summerside where he has
since made his home and found
many friends. His wife survives
him and much sympathy is ex-
tended to her in her bereavement.
The funeral is taking place this
afternoon from the United Church
at 2 o'clock.—S.

—DEMONSTRATION OF AUTO
RALLER—The new auto raller
gave a demonstration of its skill
in changing from highway to rail
tracks on Friday morning when,
Mr. H. C. Rochester, superinten-
dent of passenger train service,
with his party, Mr. J. P. Hogan,
station agent at Summerside, May-
ston and Robinson, Councillors and
prominent citizens were taken for
a demonstration tour through to
North Bedouque and back to Sum-
merside transferring to the rail
track at the east end crossing for
a short ride within the yard lim-
its. The folks were most interest-
ed in the arrangement of wheels. The
auto raller and party then left
for Charlottetown.—S.

—VISITING SUMMERSIDE—
Mrs. MacPhail, wife of Mr. Enzor
Fred, Compton is visiting her old
home in Summerside for a few
days and will sing at Trinity
United Church on Sunday where
special music has been arranged
under the direction of Professor
Emslie, the new organist for the
church.

—VISITING SUMMERSIDE—
Mrs. Stella Lumsden, Oakfield, N.
S., is spending some time here as
a guest of Mr. and Mrs. William
Tower.

—VISITING SUMMERSIDE—
Master Jimmy Monteith has re-
turned to his home in Charlottetown
after spending several weeks here,
a guest of Mr. and Mrs. J. R.
Monteith.

—VISITING SUMMERSIDE—
Miss Ada McGlashan has re-
turned home from Richibucto
where she has been visiting rela-
tives for several weeks.

—VISITING SUMMERSIDE—
Miss Wynneford has returned
home from Detroit, Michigan,
where she has been visiting rela-
tives.

—VISITING SUMMERSIDE—
Mrs. Fannie Allen, Amherst, was
a recent guest of Mr. and Mrs. Dex-
ter W. Allen for a few days.

—VISITING SUMMERSIDE—
Mrs. W. E. Oulton is spending
several days in Fredericton attend-
ing the 80th anniversary convention
of the Grand Lodge.

—VISITING SUMMERSIDE—
Miss Estelle Allen is spending
several days in Fredericton attend-
ing the 80th anniversary conven-
tion of the Grand Lodge.

Academy Pass List Announced

The pass list of the students of
the Summerside High School
Academy writing the Maritime
Board Examinations had just been
received by Miss Georgie MacLean,
M. A., principal of the Academy.
As usual the high school made a
good showing with 75 per cent.
This was particularly good as four
of the best students did not write
the exams as they attended the
Coronation and Empire Youth
Conference sponsored by the Na-
tional Council of Education.
The standing is as follows: (out
of ten writing in Grade 12) 1st,
Lloyd Henderson, 2nd, Sidney
Wright, 3rd, Earl Jolly, 4th, Jean
MacDowell, 5th, Margaret Mc-
Callum, 6th, Robt. Willett, 7th,
Ruth Dodds.
Grade 11, (25 writing) 1st, Ray-
mond Farrell, 2nd, Allison McDo-
nald, 3rd, Clarissa Blanchard, 4th,
Constance Denny, 5th, James For-
bes, 6th, Geraldine Darby, 7th,
Blair Baker, 8th, Arnold MacLean,
9th, Mary Blanchard, 10th, Ben
Arsenault, 11th, Jean Dewdney,
12th, Thompson Wright, 13th, Dor-
othy Allen, 14th, Marion Gun-
nings, 15th, George MacNeill, 16th,
Carolyne Pickering, 17th, John
MacNeill, Brenton Rankin, Nora
Taylor.

W. M. S. Rally

A most interesting and inspiring
Woman's Missionary Society rally
was held on August 5th in the
United Church at West Covehead.
The afternoon session opened at
3 p.m. with Mrs. E. J. Vessey,
Presbyterial Vice-President presid-
ing.

The meeting opened with hymn,
Jesus Shall Reign, and Mrs. Webb
of Brackley led in prayer. The
Bible message given by Mrs. Wm.
Clark of Brackley was most help-
ful and the devotional period
closed with prayer and singing of
the hymn, Breathe on Me Breath
of God.

Mrs. Wm. R. Clarke of North
Wiltshire was appointed secretary
and Mrs. Frank Howard, Mrs. B.
C. Hardy and Mrs. E. J. Vessey a
committee on Resolutions and
Courtship.

A very cordial welcome was ex-
tended to the visiting members by
Mrs. H. Shaw of the West Cove-
head Auxiliary, and Mrs. Wm.
Clark graciously responded.
About sixty members repre-
sented the ten auxiliaries and three
Mission Bands, responded to roll
call and gave very encouraging
and interesting reports.

The meeting was here bright-
ened with a solo by Mrs. Lena Mc-
Intosh of Boston, which was most
enjoyed by all present.

Warships Expected to Arrive in Summerside Today

H. M. C. S. Saguenaay and H. M. C. S. Laurent of the Canadian Royal Navy are expected to arrive in Summerside today and will remain until Wednesday 18th according to word received by His Worship Mayor Robinson.

A program of entertainment is being arranged for the officers and men during their visit. The personnel of the warships are as follows:

H. M. C. S. Saguenaay
Tonnage—1377 tons. Complement of Ratings—144.
Officers serving: Commander in Command William J. R. Beech; Lieutenant-Commander George R. Miles; Lieutenant-Morgan A. Medland; Lieutenant-Morton A. Brian; R. Spencer; Mr. Patrick D. Budge, Gunner (T).

H. M. C. S. S. Laurent
Tonnage—1475 tons. Complement of Ratings—144.
Officers serving: Lieutenant-Commander Roger E. S. Bidwell; Lieutenant-Commander Kenneth F. Adams; Lieutenant-Commander (E) Wm. V. Porteous; Lieutenant Phillip E. Hadden; Lieutenant Reginald A. Webber; Mr. Arthur C. Freeman, Gunner (T).—S

Mrs. Laura Buxton.
A very interesting question box was conducted by Mrs. Harold Newson and the afternoon session was closed with a beautiful benediction.

Between sessions a picnic supper was served by the West Covehead ladies on the beautiful grounds adjoining the old historic church, and the social hour passed very pleasantly.
At 8 p.m. a public meeting was held, Mrs. Vessey again presiding. The devotional period was conducted by Mrs. E. R. Woodside assisted by Mrs. Frank Howard and Mrs. L. Denny, members of the Cornwall Auxiliary.

Rev. L. H. Wilson, pastor of the church, brought greetings, and in a few well-chosen words com-
mended the work of the W.M.S. to its value to the church, the loyalty of its members, their generous support and proving their deep interest by the way they carry on the work.

Their method of work combin-
ing, as they do, missions and social life in the country community is very wise. He concluded by saying that the W.M.S. of our day is up-to-date rather than last minute, which is so often the case.

Mrs. Hazen Howard, the Provincial President of the W.C.T.U., having had the privilege of at-
tending the Dominion-wide meet-
ings in Belleville, Ont., that she
brought in some interesting
and rather startling facts, and
told us that she was conspicuous
wherever she went, not in a per-
sonal way, but because she re-
presented the only province which
retained the title, "From Ocean
to Ocean" and that she was
pleased to uphold that title in
which even at its worst is better
than government control.

Rev. Andrew McKenzie of Trin-
ity United Church, Charlottetown,
was the special speaker and in his
address said that the Christian
spirit must be a missionary spirit
expressing itself in outward activ-
ity, making men and women mis-
sionaries for Christ. Love is the
basis of missionary activity. Love
is unselfish, never counting the
cost but seeking the way of Christ.
It expresses itself in sharing; we
cannot give it to one another, but
we can share it. We must pray,
read, have an interest in the work
and thus enlarge our vision until
we can call every man our brother.
Each one must have our pacif-
ist duty. Our commission is not
world-wide, we can never be wit-
nesses for Christ.

The evening meeting was very
much enriched by the presence
again of Mrs. Lena McIntosh, who
presided at the organ and in his
address said that the Christian
spirit must be a missionary spirit
expressing itself in outward activ-
ity, making men and women mis-
sionaries for Christ. Love is the
basis of missionary activity. Love
is unselfish, never counting the
cost but seeking the way of Christ.
It expresses itself in sharing; we
cannot give it to one another, but
we can share it. We must pray,
read, have an interest in the work
and thus enlarge our vision until
we can call every man our brother.
Each one must have our pacif-
ist duty. Our commission is not
world-wide, we can never be wit-
nesses for Christ.

Furs Remodeled

Bring your old fur coats to 7 Myrtle Street, Summerside where experienced workmen will remodel them into the new jackets. All repair work done.
Orders booked during August 10% discount.

Terry Slated For Front Office Job

By ALLAN GOULD
Associated Press Sports Writer
NEW YORK, Aug. 13 (AP)—
Categorical denials that Bill Terry has signed a new contract with the New York Giants, calling for \$37,500 plus in 1938 and making him the highest salaried man on any big league ball field, can't quell rumors that Memphis Bill is slated to take over the job of general manager next year. That "plis" means \$5,000 additional for supervising the growing "farm" system of the New York National League Club.

Nothing has been done—"yet"—says Secretary Eddie Brannick of Giants but it's good bet that Terry eventually, if not next season, will step into front-office role at a bigger salary and name his successor as field boss of Giants.
Tipoff on Tommy Farr may be that Jack Dempsey already has been persuaded to help the ballyhoo by predicting British Jock "hard to hit" and may have a "good chance" to upset Champion Joe Louis. Dempsey, who did a similar good turn for Jim Braddock before the Chicago title fight rapidly is picking up where gentleman Jim Corbett left off as a revere forecaster.

The U. S. Tennis Championships at Forest Hills this year will have a record foreign entry, says Secretary Ed Moss, with players from Britain, Germany, France, Poland and Chile due to compete.
John Arnold Heydler, international league president, thinks that Cooperstown "hall of fame" won't look right until such old stalwarts as A. G. Spalding, George Wright, Adrian (Cap) Anson, John Montgomery Ward, Mike (Old) Hahn, Joseph (Doc) McGraw and Connie Mack are included. Eight figures named so far are Tris Speaker, Ty Cobb, Walter Johnson, Hans Wagner, Babe Ruth, Nap Lajoie, Christy Mathewson and Cy Young.

"Shepard Hermit" Is Found Dead

CALGARY, Aug. 13—(CP)—Known as the "Shepard Hermit," Frederick Fraser, 60, was found dead in his farm home, 25 miles east of here, Thursday. A revolver was found near the body.
A search of his papers led investigators to believe Fraser to be the son of V. G. Gordon Fraser, noted educationist, now living in Halifax, N. S. They are communicating with the Maritime police.

Internationalization Of Colonies Urged As Peace Move

LAKE OUCHICHING, Ont. Aug. 11—(CP)—Internationalization by Great Britain of her crown colonies was urged as a step towards world peace, Dr. Layton Richards, Birmingham, Eng. non-conformist preacher who has served on several colonial commissions, told the Canadian institute on economics and politics today.

The inspirational service was brought to a close with the singing of the hymn, "From Ocean to Ocean" and Rev. L. H. Wilson pronounced the benediction. (Patriot please copy).

For Britain to announce she was prepared to administer all her colonies under mandate of the League of Nations would be to "defeat the dictators," he said. Its psychological effect would be tremendous and the dictators wouldn't know what to do, he believed.

Norwegian Fox Research Official Visits Summerside

Dr. Rochmann, head of the Research Department of the Norwegian Experimental Fox Ranch at Oslo, Norway, accompanied by his wife, is spending about two weeks on Prince Edward Island visiting leading fox ranches and the Experimental Station at Summerside. Dr. Rochmann visited here nine years ago in the interests of fox breeding. He says that the Norwegian people are going in for foxes in a large way and that the government are holding lectures in various centres to instruct ranchers how to rear those very valuable animals.

The blue fox from Greenland and other northern parts of Europe are gaining in popularity in his country and are considered away ahead of the Alaska blue fox. The reason for the popularity of the Greenland blue fox is that they have a finer texture fur and the vixen are better mothers. They also have larger litters, averaging 12 to 14. The silver fox average 3 or 4.
Some years ago many ranchers cleared out all the Alaska foxes and started with some from Greenland. Foxes of this strain have fetched as much as \$200 at the Copenhagen Saes. Others have brought 11 to 16 pounds sterling at the markets in London.

Dr. Rochmann says that feeding the foxes heavy grain before the breeding season is good as in the wild state they are quite fat before the breeding season. For good fur one should feed light and they use a good deal of fish. The Norwegians are looking for better results all the time from the fox industry and are educating the young people in the art of rearing foxes. The government is doing all it can to place the business on a firm footing.
The Norwegians now have their own fox exhibition and sales.
Dr. Rochmann and Mrs. Rochmann are guests of Mr. and Mrs. James H. Pritchard. Before returning to Norway they expect to visit Montreal, Toronto and New York.

FLIERS ARE

(Continued from page 1)
a.m. (7.45 a.m. ADT) and subsequently was believed to be fighting heavy head-winds and fog on the final stretch of its 4,000-mile hop from the Soviet Capital to Fairbanks.

Confers With Signal Corps
In Seattle, A. Vartanian, Soviet representative who said the plane had been expected here by 11.2 p.m. (12.12 p.m. ADT) went into conference with American Army Signal Corps officers after failing to hear from the fliers for several hours.

At that time the plane was 31 hours out of Moscow. Levanefsky had estimated he would reach Fairbanks in 30 hours.
Fliers reported skies in the Fairbanks area "clear as a bell" but the Weather Bureau said fog was forming over the Point Barrow area, 450 miles to the north.

Since earlier reports of head-winds indicated the plane might be delayed several hours, Soviet representatives expressed no anxiety.
The Fairbanks News Miner said it learned the last reported contact with the fliers was at five a.m. (noon a.d. ADT) when the wireless station at Point Schmidt, North Siberia, heard the plane transmit her call letters.

Recalling the successful flights in June and July from Moscow to the United States, the Russian agents counted upon Levanefsky, their foremost flier, to bring the big plane in without difficulty. Hundreds of persons watched the skies from behind rope barriers.

The huge airliner, reputedly weighing 36 tons loaded, as compared with 16 tons for the largest United States commercial ships, left Moscow at 6.13 p.m. yesterday (12.13 p.m. ADT). It was reported carrying mail and freight.

Aiming for the sub-stratosphere, F. I. Levanefsky climbed slowly. Four hours after the takeoff he reported "everything okay," elevation 2,850 feet, 500 miles out of Moscow.
Crossing the Pole the fliers said the mercury registered 35 degrees below zero.

Soon thereafter their messages indicated they were in the teeth of a fierce headwind and later they reported fog.
The log of the flight showed the plane covered the 1,600 mile between Moscow and the Pole in 19 hours, 32 minutes, an average of slightly less than 87 miles an hour. At the start Levanefsky had said he would attempt no speed records.

LASTING DIMPLES GROW OVERNIGHT
As a sequel to the "plastic" complexion, now popular in London beauty shops, comes a patent device which is claimed to produce lasting dimples, now being held in New York.

Summerside Holds Sports Programme

A brief programme of sports and swimming events were carried out Wednesday afternoon at Summerside under the direction of Pat Ryan of the local police force.

Available troops moved eastward to Honan and Chengchow to await the call of Marshal Chiang Kai-Shek, Central Government Commander.
Officials received an enthusiastic response to appeal for aid. Churches, schools, government offices and business men started a fund to provide relief and comforts for soldiers.

Highway Safety To Be Discussed

SUBJECT GIVEN PROMINENT PLACE ON GOOD ROADS CONVENTION AGENDA
MONTREAL, Aug. 13—With safety on the highway constituting one of the chief concerns of the public today, the programme committee of the Canadian Good Roads Association, headed by its president, Hon. A. S. MacMillan, Minister of Highways for Nova Scotia, has given this subject a prominent place upon the agenda for the twenty-third annual convention to be held at the Algonquin Hotel, St. Andrews-by-the-Sea, N. B., on September 7, 8 and 9. While in this action the committee is following the precedent set at previous conventions, the tendency is to adopt increasingly the scientific approach to the problem, and to study it in its larger aspects as it affects not only the individual citizen but also the commercial, industrial, social and tourist trade interests of the whole country. To this end the committee secured as the chief speaker on safety an outstanding authority on the subject, H. S. Hales, assistant director of the Bureau for Street Traffic Research of Harvard University, the title of his lecture being "Safety of Traffic Control—Methods of Estimating Traffic Volume. Among these taking part in the course of discussion will be G. G. Murdoch, M. E. I. C. deputy land surveyor, Saint John, N. B., A. Gaboury, managing director, Institute of Safety Engineers of Canada; Larsen Cummings, president of the Ontario Motor League; Theodore G. Moran, chairman of executive, Royal Automobile Club of Canada; and Mr. Justice A. F. Arsenault, Charlottetown.

The Canadian Good Roads Association includes in its membership all the highways minister, deputy ministers, chief engineers and other departmental officials of the nine Canadian provinces, together with representatives of municipalities, motor organizations, tourist bureaus and other bodies interested in highway traffic conditions. Its conventions thus bring together in deliberate assembly the administrative authorities, the builders and the users of the roads of the nation, and from their consideration of safety and other highway problems there emerges a consensus of opinion and constructive proposals which in time eventually result in definite remedial legislation.
