"Country Doctor" At Prince Edward

PICTURE OF SPECIAL INTEREST TO OUR PEOPLE TO BE SHOWN THIS WEEK.

In the Prince Edward Theatre on Wednesday and Thursday of this week a film which should be of exceptional interest to Prince Edward Islanders will be shown.

The story is written round the life and work of a Prince Edward Island physician, the author being a scenic playwright who has been spending his vacations in Prince Edward Island for a number of years past.

A private screening of this picture was shown by Mr. Gallagher to the members of the Medical Association and others, and they were highly pleased with the picture, and were quite enthusiastic in recommending it to the theatre patrons.

A country doctor is usually very reticent about his experiences, but it is known that he carries on his labors of mercy at all hours, traveling over almost impassable roads to relieve the sick and suffering.

The film gives a very vivid idea of exactly what the country doctor has to overcome. One of the most thrilling scenes is exceptionally thrilling. A very whole story.

The film runs eight reels, and should be seen by all our people.

POTATO BOAT—Yesterday about 2 o'clock the steamer S. B. Lund arrived from New York and is docked at the railway wharf, preparatory to receiving a cargo of potatoes. This is the first potato vessel of the season.

POLICE COURT—At the Police Court yesterday morning six prohibition cases were adjourned until today for judgment, and four on Monday. Jamie Stewart was fined \$200 or three months. A man named Matthews, charged with assault resulting in grievous bodily harm, was remanded to jail till next Monday. Two drunks were fined \$20 or 30 days and \$60 or 90 days respectively. One man charged with operating his car in a disorderly manner was fined \$30 or 60 days.

CORRECTION—In the report which appeared yesterday morning concerning the assault upon Mrs. E. Toombs last Saturday evening, it was stated that Mrs. Toombs was accompanied by her husband. This was incorrect, as the latter, accompanied by Miss Eleanore Toombs, was walking quite a distance behind and was unaware of the attack until too late to completely frustrate the ruffian, who succeeded in inflicting serious bodily injury to Mrs. Toombs before he was beaten off.

CHANGE IN BUSINESS—The Swift Canadian Company has purchased the business of the Messrs. Conard and Co., and has moved into the stand recently occupied by the latter at 68 Queen Street, Mr. Conard taking a position with the purchasing company as produce buyer. The Queen Street premises are much larger than those formerly occupied on Water Street, and are not only more commodious, but more conveniently situated for the company's business. In connection with the Swift Canadian business it is an interesting fact that the company pays a higher price for Prince Edward Island produce than they pay in any other province in Canada, because of its superior quality.

Daughters Of The Empire

The annual celebration of Trafalgar Day by the Royal Edward Chapter is to be celebrated this year by having a sale on Friday 21st inst., at Holman's Store. During that day, the "Daughters" will be in attendance from ten o'clock till five p. m. to preside over the tables.

Beautiful articles in the fancy work line, unique and picturesque aprons in varied shapes and sizes, household and pantry tables, will be well supplied.

This sale is a source of revenue to help carry on the aims and objects of the Chapter.

Where and when understood, the public has justly appreciated the efforts of the Order in its promotion of all patriotic and educational work for the advancement of Canada and the Empire; and all who are interested in good citizenship should show their appreciation by encouraging the Chapter in its undertakings.

Recently a resolution was unanimously adopted to support any effort put forth towards a museum for the preservation of valuable records and relics of the Province.

They are also desirous of assisting in any way towards securing a building for the Public Library and strongly advocate that steps be taken to secure the Market Building for this purpose.

With these and other projects in view, we must have money, the need of which retards all hand-caps all movements. So you see how necessary it is to have the sympathy and support of our legitimate community. Towards our legitimate expenses, we have in the past, "High", and five o'clock was "Trafalgar Day", but this year in deference to the desire of some members, this method of a sale is being tried.

Not being a money-making society, our aims are to keep alive the spirit of loyalty, patriotism, education in its higher branches, which includes the School Essays, the variety of which are too numerous to mention, but all bearing on the uplift of the school child.

FOOTBALL

The Abegweits will hold practice this evening at the Abegweit grounds and will meet at the Rev. Hotel at 4.45 sharp. The following players are kindly asked to be on hand: G. Woods, F. Healy, I. McKenzie, G. Campbell, McCarey, G. Peake, C. Campbell, Saunders, St. C. Trainor, J. Connolly, I. Horne, L. Connolly, J. Longear, J. Morris, J. McLeod, W. Smeagran, R. Jenkins and Ed. Lynds.

The Abbies put up a great game on Saturday and with a little extra work on the ball will be in condition to give a good game.

The Daughters of the Empire are deserving of the best the citizens can do for them and we trust their sale will be well patronized. The O. D. E. is one of our stable, loyal, helping institutions and what funds they gather through the work of their own hands are expended for educational and philanthropic work at Holman's on Friday 21st October.

Harry Runcorn, Middleweight Champion Of Canada Will Defend His Title Here On Nov. 4th Against Jack McKenna In 10 Round Decision Bout.

Harry Runcorn of Moose Jaw, Alberta, Middleweight Champion of Canada will defend his boxing title in Charlottetown at the local Arena on Friday, November 4th. This was the information given to the Guardian last night, and will be confirmed by the fight promoter, Jimmie Rennie, who is preparing with seating for over two thousand. McKenna, Island boy and very popular here, will accept McKenna, come soon as possible.

Many large centres have been angling for this bout, due to the fact that this will be the first meeting between McKenna and the Champion, and further still, no two men according to fight followers, more evenly matched in Canada. It will be Jack McKenna's big chance, the chance he has been looking for ever since he donned the padded mitts. Prince Edward Islanders and Cape Bretoners in particular will be legion at the ringside that night to give "Our Own Jack McKenna" the big hand in this his most important match.

This bout will put Charlottetown in the limelight as one of the main boxing cities of the Dominion.

The following communication between Mr. H. A. Ebers and the Managers of the respective boxers speaks for itself:

H. A. Ebers, Charlottetown Sports Club, Charlottetown, P. E. I.

"Runcorn defend his title against Jack McKenna, Sydney, November 4th as follows: Guarantee with privilege, percentage and ticket. Runcorn will weigh one hundred sixty pounds three o'clock day of fight. If O. K. send contract. Can leave here after Oct. twenty-second."

FOR SERVICE OF CANADA.

Let us dedicate ourselves, young men and women, to the service of Canada that we may make it what we ourselves have it. That is the appeal to the younger men, and I hope I may be able in every part of this country, if I have my health and strength, to meet the young men of Canada from Cape Breton to the Yukon.

Let us talk to them, to see their faces, and to see the enthusiasm of youth, the bright and cheerful faces of men and women filled with hope and energy. These are the constituents to which we will appeal, the human element of promise who are the backbone of our country. We must stop the movement out of our country, if I have my health and strength, to meet the young men of Canada from Cape Breton to the Yukon.

MINISTERIAL ASSOCIATION—A largely attended meeting of the P. E. I. Ministerial Association was held at the Baptist Church, Charlottetown yesterday. Many matters of concern to the Ministry of the Island were dealt with. Dinner was served in the Church Vestry. At the afternoon session, Rev. W. E. MacDonnell, Acting pastor of the Central Baptist Church gave a very illuminating and scholarly address on "The Psychology of Prejudice". This, the first fall meeting of the Association was very profitable and enjoyable, and augurs well for the future of this body.

LEAVING GOVERNOR'S ISLAND—Mr. Hugh McKay, Sapulpa, Okla., and Mr. L. M. Farish, Woodstock, Va., arrived in the city last week and are here in connection with the removal of the H. L. Doherty drilling plant from the Governor's Island to Alberta. The company do not intend to conduct further operations on the Island. Mr. McKay says two tickets and one for himself, but that there is a possibility of starting drilling in Nova Scotia in the near future, also of the Company resuming operations on the Island at a later date. The casing has been pulled from the well at Governor's Island, and about 600 tons, or about 25 carloads of material will be transported to Alberta. The first load was brought from the Island to Charlottetown yesterday.

Gang Chieftain Murdered By Five New York Gunmen

NEW YORK, Oct. 17.—Confronted by the wall of silence which surrounds gang warfare on the low east side, police sought vainly today for the perpetrators of the murder of Jacob Orgon, gang chieftain known as "Little Augie", who was ambushed and slain by a crew of five gunmen in Delancy Street Saturday night.

Jack Diamond, "Little Augie's" body guard, was still in a critical condition with two bullets under his heart, but he would not recognize the killers, three of whom trailed their quarry afoot while two operated the get-away car.

Despite this reticence detectives knew that Orgon's death was due to activities of the re-organized "Kid Dreyer" gang which still exists although its leader was slain on August 28, 1923, by Louis Kushner, a member of "Little Augie's" gang.

Mr. Clifford Baker, of the Kentville Advertiser, was visiting the Province for the weekend, accompanied by Mr. E. J. Butcher, Dartmouth, and N. F. Cuthfield, Halifax. They left on return by the S. S. Hochelaga yesterday.
