Scout News and Notices

Well Scouting friends there seems to be a lack of news items this week! I presume that most of the Troops and Packs have stopped their meetings for the Christmas holidays. There must have been a few Christmas parties—if so, we would like to hear about them. Scouters, please try to write up your happenings. If you haven't time, send me the main details and I will write it up for you.

Before closing this brief report there are one or two things I would like to mention, viz: Best wishes of the Scouting fraternity to Miss Frances McMillan, Cubmaster of the 1st Charlottetown Pack. Miss McMillan is in the Charlottetown Hospital at present, and we wish her a speedy recovery.

A welcome to Mr. W. G. Gray of Halifax who has moved to the city and we hope to see him as the new Scoutmaster of the soon to be formed 2nd. Charlottetown Troop.

And lastly, to all Scouters: A very Merry Christmas and a Happy New Year, and may the New Year bring us all a greater joy and satisfaction from our Scouting friendships and our Scouting work; the satisfaction coming from knowing we have done a good job, but can do better if we try that much more.

(G. Anderson), Acting Executive Commissioner, P. E. I. Late News: Zion Troop is the first in this

district to register—Congratulations to the 5th!

The following is a delayed report of a meeting of the Charlottetown Scouters Club. The report was sent in by a member of the club executive. Seems you are having a bit of trouble with attendance. Oh well, Christmas, you know! Believe me if any so-called members to be present. But as the Irish would say: "It will all come out in the wash" or was it the Irish? Anyway, here it is!

The Scouters Club meeting originally scheduled for St. Peter's Hall on December 3rd was held at the home of Mr. and Mrs. R. C. Parent. Before the meeting, two members were introduced to all present and to say the least, it was a very poor attendance. We feel that if some of the leaders' Packs and Troops were as poor in attending meetings as their leaders are, that Scouting would soon become a thing of the past. It is strange how the same faces show up at each meeting and others are never seen.

The meeting was opened by the chairman, Abe Zakem, followed by the reading of the minutes of the previous meeting. A short discussion followed re a Christmas party, before the meeting closed.

We had as our guest Cpl. Green of the R.C.M.P., who very kindly outlined the R. C. M. P. campaign against juvenile delinquency, which was very interesting. One point that was stressed by Cpl. Green was the fact that if a person is interested in anything they can always find a little more time to devote to it. This might even refer to our Scouters' meetings.

Cpl. Green also showed Scarlet and Gold, technical film depicting training, etc., of some members of the R. C. M. P. The Club members are certainly very grateful to Cpl. Green for his kindness in aiding us to have something a little different at our meetings, in order to encourage attendance. Camp Buchanan film was also shown as some present had not seen it. After the showing of films the lunch committee made a splendid effort in their duties of supplying refreshments. Thus the meeting was over and will be departed for home more than delighted with the pleasant evening they had. Our thanks to Mrs.
