This lecture will prove a great treat and no one should miss the opportunity of hearing it. A silver collection will be taken at the door in aid of connexional funds.

NORTH TRYON:—February is drawing to a close, yet by no means no storms or cold weather begin to cease. From the 1st up to time of writing (23) there has been only seven fine days and even then the mercury only rise two degrees above zero. Merritt Dawson and Dobson Clarke, who have been felling the huge trees of Maine, for the past few months, have returned home, after a very successful winter. Miss Clara Crue of Summerside has returned home, having spent her holidays in this village as the guest of Miss Carrie Delaney. James Chisholm, our popular mechanic, lost quite a large sum of money a few evenings ago. Passing from his home to the Post Office, his pocket book dropped from his pocket. One of our promising youths, Master Harrison Crossman passing along shortly afterwards picked up the purse. Harrison did not hear until the following day of Mr. Chisholm's loss, when he at once went to his home in the face of a piercing snowstorm and returned the money. We congratulate Master Harrison on this honorable and upright action.—L. B. Crue of Summerside spent Sunday in Tryon as the guest of M. C. Delaney.—Everett Ives of Montague is spending a few days with his parents in this village.—Our farmers are busily engaged in hauling mud from various marshes and swamps. Some of our more enterprising ones are hauling mussel mud from Bedeque shoals. But most of this mud is now shipped from Summerside to Albany on cars and then it is hauled down from there a distance of five miles.

FOR A CERTAINTY I AM CURED.

Mr. James Treneman, butcher, 536 Adelaide Street, London, Ont., writes that for two years he was laid up with kidney disease and urinary troubles. He became dropsical and his legs would swell so that he could scarcely go round. He never used any medicine that did him so much good as Dr. Chase's Kidney Liver Pills and knows for a certainty that this treatment cured him. One Pill a dose 25 cents a box.

Our Spring '903 Flaked dress cloths are entirely new productions of medium weight made from specially picked yarns in a range of excellent mixtures. They are extremely durable, do not show dust and rain will not harm them. They make up into costumes of exceptional type. \$1.40 per yard 58in wide.—Jas. Paton & Co. 18 t

Scientific Eyecasting

In fitting glasses, we claim pre-eminence. It has been our special study and aim, to use the most up-to-date system of examination. To-day our tests are equipped with the necessary apparatus to treat the most difficult cases. Its to your advantage to call, if you need glasses. G. F. Hutcheson, Expert Optician, Desbrosses Block.

APPIN ROAD NOTES.—It is with much pleasure that we wait for our mail man to bring us our papers, one of which is the Weekly Guardian and as we read its pages we are sure to learn all the reliable news of our fair province.—We are all blocked up with snow at present and it is with great difficulty that we are able to leave our humble homes.—The concert and graphophone performance which took place in the school house Monday evening was a grand success, the youngsters were delighted and the old folks astonished.—Our school has a large attendance this winter and we believe good work is being done by our painstaking teacher, Miss Cassie McRae who has won the respect of both parents and pupils and contentment reigns supreme along these lines throughout the entire community.—We buried our oldest and much respected resident the other day in the person of James Gordon. He came to this country over 50 years ago and was one of our first settlers. He reached his 98th year and we can all remember him as one who lived as he died trusting in the merits of Him who never forsakes his own.—A notice with pleasure that Mrs. McCall has returned home to her little family after an absence of three stormy weeks.—James McPhail of this place lost his only horse the other day which was a valuable one. It dropped dead in the shafts. Mr. McPhail was on the way for his wife and family who were visiting friends at Eilm Wood.—Some valuable horses changed hands lately and found homes in this community among them is Thorneade Echoes a handsome Golden Chestnut with a record of 2.27 purchased by M. O'Brien of this place from Mr. Bowness of Summerside. Also Northwind owned by John Gillespie and purchased from Mr. Essery of Charlottetown.—There has been a Try Again society of the Sons of Temperance organized in the neighboring village of Bonshaw and we are pleased to add that the majority of the inhabitants of this section have pledged themselves with the mighty host of temperance people of this country.

YORK COUNTY'S LIVING PROOF

That Dodd's Kidney Pills Will Cure Gravel.

Thomas Harrison Tells of His Sufferings and of His Speedy and Permanent Cure.

ST. MARY'S FERRY, YORK CO., N. B., Feb. 23.—(Special.)—York County has a living proof of the efficacy of Dodd's Kidney Pills to bring back health, when all other means have failed, in the person of Thomas Harrison, of St. Mary's Ferry. "I began to suffer with a severe pain in my back, followed by a very lethargic feeling," Mr. Harrison says in speaking of his cure. "This continued for some time, gradually getting worse, when I was obliged to call in a physician, who termed my disease appendicitis. Still I could get no relief, and very shortly I commenced to urinate blood. "My attention had been called to Dodd's Kidney Pills, but I was skeptical of patent medicines, and it was some time before I made up my mind to try them. "The first box gave me relief and greater relief followed when I passed a stone that had formed in the bladder. By the time I had finished the third box I was cured. I have had no return of my trouble either, for if I feel any symptoms of its return I get another box of Dodd's Kidney Pills and in that way keep myself clear of that terrible disease." Mr. Harrison is only one of many here who have benefited from the use of Dodd's Kidney Pills, and the general accepted conclusion is "If the disease comes from the Kidney's Dodd's Kidney Pills will cure it."

AMI GETS BIGSBY MEDAL

LONDON, February 20.—At a meeting of the Royal Geological Society today, Dr. Henry Ami, of the geological survey of Canada, was awarded the Bigsby medal.
