Sore Lungs We want everybody who has a hard cold in the chest to use Ayer's Cherry Pectoral. Our long experience with it, over sixty years, tells us there is nothing its equal for coughs, colds in the chest, bronchitis, hoarseness, sore lungs, weak throats, and weak lungs. Doctors tells us the same thing. Ask your doctor about it.

We have no secrets! We publish the formulas of all our medicines! J. C. Ayer Co., Lowell, Mass.

GORDON IVES, Montague, has purchased from Donald Howatt, Cape Traverse, a very fine Chief horse weighing 1100 pounds and can show less than a minute gait. He is a horse of very fine conformation and style. Mr. Ives left Saturday on return to Montague.

J. W. MCKENNA, C. P. R. travelling passenger agent, was in Quebec last week attending the funeral of his brother, the late Con. Eugene McKenna. The late Conductor McKenna was 58 years of age and had been ill some time. He ran between Campbellton and Levis.

IN many places in this city the sections of plank sidewalk have dissolved partnership and do not speak to each other. In other places it would require a pipe organist to pedal the springy planks which lie in wait for runaway feet. These are the relics of a hoary past which will annually recur to annoy citizens and cause expense to the City until the era of granolithic sidewalks arrives.

IN a fast game of basket ball Friday evening the C. B. C. won from the store clerks by 16 to 9. The C. B. C. team had 15 fouls called on them while their opponents had only nine. By defeating the teachers Thursday night and the store clerks Friday the C. B. C. boys win the championship of the league. Though they were defeated by the teachers and store clerks, and teachers in the early part of the league series, they have wiped out that defeat by defeating both these in the play off. They have now defeated every team in the league. The personnel of the victorious team is Ernest Rice (capt.), Fred Rice, Hammond Steele, Fred Howatt, Arthur Gaudet and Louis Lafferty.

YACHTING is flourishing in Sydney. Last summer the Royal Cape Breton Yacht Club had a fleet of ten small one-design boats built. They were only small lap streaked boats about 20ft in length, but they served to stimulate interest in the sport. This year they are building another fleet of larger boats and the prospects for a successful season are exceedingly bright It is hoped that when our Charlottetown Yacht Club becomes more firmly established that a similar move will take place here. These small boats are inexpensive and furnish interesting races as the one-design reduces the contest to one of skill in handling the boats. A Yachting Association of our several clubs with this end in view would be a good thing for our yachting enthusiasts to consider.—Com.

MARTIN PINAUD has just turned out a light harbor boat for Walter Hall of Sydney, N. S. The design is by John Pinaud, of that place, and shows a nicely turned craft, suitable for afternoon sailings in inside waters such as Sydney harbor affords. She is of the skimming dish type such as Micmac and Cabot, but is not so near the scow type as the latter, having a well pointed bow and easy bilges and is more suitable for comfort, not being intended principally for speed. She carries her fin in a low centreboard box which does not come above the platform. This allows of the boat being hauled out with little difficulty. A feature of the boat is the arrangement of the inside supports which are much simpler than seen in Cabot, having fewer parts and being stronger besides. Her sails will be silk and the rigging etc. of the best quality. Her dimensions are: Length over all 32 ft. 6 in., beam 8 ft. and load water line 19 feet. Her sail area is about 460 square feet. She will carry a steel fin with 500 pounds of lead. The boat is planked and decked with American cedar; the frames are oak and the strengthening work of spruce. The boat will not be rigged here but will be shipped to Sydney by steamer, where she will be got ready for use.

EDITOR'S MAIL

MURRAY HARBOR BRANCH AND THE MAILS.

Sir:—Great indignation is expressed here from the fact that, with the railway running through our village all fall and winter we still have to depend on the old antediluvian system of a one horse shay for our belated mails. To think of having to drag mails from Charlotttown—some seventeen miles over snow banks, alternated with slush and mud, and old news at that with an occasional miss altogether when the railway runs daily right through the village seems almost incredible. What's the matter with the Murray Harbor Branch R. R. that it cannot carry the mails? Is this not one of the special functions of a railway? This inconvenience exists all along the line—some forty-seven miles. Is it a cheese paring policy between one department of the Government and another? We would like some one in authority to rise and explain this unnatural state of affairs; and we call on our members in the House of Commons, before their number is further reduced, to demand an explanation.

Watch the Skin For Bad Blood

Comes to the Surface in the Form of Pimples, Boils, Rashes and Humors.

No medicine exerts such a marvelous influence for good as Dr. Hamilton's Pills; they clear the complexion, make it exquisitely beautiful; they cure pimples, rashes and skin troubles of every kind. Read the following carefully:

NO APPETITE—BAD COLOR—GENERAL DEBILITY.

"I was run down," writes Mr. Albert E. Jackson, of Fairhaven P. O. "My color was dull and unhealthy, appetite was poor, and I constantly suffered from rheumatism.

"I found it hard to sleep, and felt worn out and tired all the time. Dr. Hamilton's Pills made an instant change. I grew stronger, my blood was restored, rheumatism vanished. Today I am vigorous, cheery and healthy in every respect."

You will never realize what good health means until you feel the quickening, vitalising effect of Dr. Hamilton's Pills. Every tired, overstrained, nervous man and woman should use this grand tonic regularly. Life will then be full of happiness and buoyant health. All dealers sell Dr. Hamilton's Pills 25c per box, or five boxes for $1. By mail at price is forwarded to N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irretrievably losing at least a portion of their eyesight.

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted,

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.
