ESCAPE WEATHER PERILS

This sort of weather gives coughs and colds to the strong as well as to the weak-chested. Infectious throat and chest ailments are also about. To safeguard against this two-fold peril take Peps.

When a Peps tablet dissolves on the tongue, powerful medicinal fumes are breathed direct into the lungs. This Peps medicine soothes, heals and strengthens every part of the throat and chest. It speedily banishes

Coughs Colds & Bronchitis

Whenever you leave home, office or work, slip a Peps tablet in your mouth to keep out the "cold germs." If your throat feels sore, your head stuffy, or you start to sneeze, bathe your nostrils, throat and lungs with the germ-destroying Peps fumes. They prevent the development of serious throat and bronchial ailments.

PEPS are obtainable at all medicine dealers. 50c. per box. 10c. per tablet. Write to Peps Co., Toronto, Ontario, for a TRIAL SAMPLE PACKET.

IN MEMORIAM

MRS. ELIZA J. CAMPBELL
At her home Long River on Jan. 7, 1924, this passed peacefully to her eternal rest, after a short illness. Mrs. Campbell was the widow of the late John J. Campbell, who predeceased her a year and a half ago. Possessed of a gentle and loving disposition her place in the home can never be filled, and in the community around her she was ever an angel of mercy. Her sickness and trouble were known to her but to love her, one named her but to praise.

There are left to mourn the loss of a loving mother nine sons and one daughter, Gordon and William Hollister, Cal. George in Oregon and Allan John A. Donald, death, Grafton and Elwood all of whom filled the pretty little church.

Thanks are due to those who so capably trained the children. The meeting was presided over by the sister Mrs. J. D. McIntyre, the Pastor who also gave an inspiring and appropriate address.

At the close of the programme Robert and Gordon of Golden, B. C. were remembered by Santa. The funeral on Jan. 3rd was attended by many friends who came to show their respect for the memory of one loved by all and to sympathize with the bereaved family. Rev. Geo. Miller of whose congregation Mrs. Campbell was a faithful member, conducted the service, speaking of the comfort to the bereaved family and the remains were laid to rest in the Goddard Memorial Cemetery beside her husband, and where a monument erected to the memory of another dear son, Archie, who gave his life in France, June 2nd, 1916 bears silent testimony to one great sorrow come by this dear father and

CHRISTMAS CONCERT

A very enjoyable evening was spent in the Methodist Church at Dunstaffnage on Christmas Eve, when the scholars of the Sunday School gave a programme consisting of recitations, dialogues, motion song and flag drill. All of which were tastefully and beautifully rendered, and were very much appreciated by the congregation which filled the pretty little church.

Thanks are due to those who so capably trained the children. The meeting was presided over by the sister Mrs. J. D. McIntyre, the Pastor who also gave an inspiring and appropriate address.

Prize Gift To West Kent School

The following letter speaks for itself:
Mr. Johnston,
Principal, West Kent School,
Charlottetown, P. E. Island.

Dear Mr. Johnston:—
I am enclosing cheque for \$10.00 being Second Prize which I personally undertook to give in connection with our little campaign last winter for Children's and Young People's Savings Accounts, and which I promised to pay before the end of the year. In recognition of the very generous response on their part, I am handing you the enclosed cheque. I sincerely hope that the young people will maintain their Savings Accounts, and that the habit thus formed in early life may prove to be a real advantage in later years, not only from the standpoint of money saved which will assist them very greatly in completing their education or in getting a start in some profession but also in the formation of habits of self-denial which goes a long way toward character building.

Wishing you the compliments of the season, I am,
Yours very truly,
R. B. Towriss,
Acting Mgr.

Ryan, Taylor and Eaton. The choir of the Church rendered excellent music. The service this evening will be in St. James Church, Rev. W. M. Ryan speaking on "Prayer and Church Life." The service starts at 7:30 sharp. It is worthy of note that 75 per cent of the offering taken is for the Prince Edward Island Hospital, the remaining 25 per cent being for the Evangelical Alliance.

STUDENT DELEGATES.—Miss Margaret McInnis and Mr. Alexander Stewart, delegates from Wales College to the Students Convention in Indianapolis, arrived home last night.

Miss Irene Allen, Summerside, the only other delegate from this province, represented Dalhousie University. The convention was a historic one here being about 5,000 delegates in attendance, representing all the Protestant Colleges in Canada and the United States. All possible courtesy was shown to the delegates, the different educational institutions and Church organizations doing all in their power to make the visit as enjoyable as possible. The various meetings held were most interesting and helpful. Among the speakers were John R. Mott, Sherwood Eddy and other prominent men. Interlarded with the meetings were sight seeing excursions, visits to public institutions and historic scenes in and around the city. The Canadian delegates were delighted with their journey for which every accommodation was provided, their week's stay in Indianapolis and the return home.

Demand For New Dictionary Is Phenomenal

"From the way the people are crowding in here to get these dictionaries, I venture to predict this town is destined before long to become the intellectual centre of the universe." Thus spoke a young woman employed at one of the counters from which the New Universities Dictionary, being offered by this paper to its readers is being distributed.

She had no time for further comment, as a number of persons were waiting to present their coupons and secure a copy of the new dictionary.

The demand for the book has been phenomenal. Large numbers have been distributed within the past week, and the publishers have been called upon repeatedly to replenish the fast vanishing supply. The distribution has been heavy, indicating that this paper is giving its readers, at a nominal cost, an opportunity to satisfy a long-felt want.

A CAUSE

A cough is caused by inflammation in the air passages. It is nature's way of ridding the tubes of an accumulation of waste matter.

But the spasmodic efforts of coughing work injury by tearing the inflamed parts and increasing the inflammation.

The logical way to stop a cough is to remove the cause.

Keep a reliable cough remedy on hand and use freely when first symptoms of a cough appear.
