CHECKING BOOTH for your coats at L.O.C. picnic Monday. 2087

ALL SHOULD COME to the strawberry festival and tea at Dunstaffnage on Thursday, July 22nd. Don't miss it. 2090

BRICK ARRIVED.—The schooner "Lena Young" arrived yesterday with a cargo of bricks for L. M. Poole & Co. 2085

LATHS ARRIVED.—The schooner "Grand Master" has arrived with a cargo of laths for L. M. Poole & Co., Connolly's West Wharf. 2085

HORSE RACES.—No use; anyone who enjoys a pleasant outing or loves a good horse race can't afford to miss coming to Souris on the 22nd. 2081

THE MINTO.—The steamer Minto is expected to leave here next week for Halifax, where she will be fitted up for her Hudson Bay trip.

BAYSIDE PERSONALS.—Miss George Meara, Brockton, Lot 7, is visiting in Bayside.—Miss Mary McDonald, Vernon River, is visiting in Bayside.—Mrs. A. J. Cole and Miss Hattie McIntyre, Brooklyn, New York, are visiting in Bayside, the guests of Rev. Father John McDonald.

LAWN PARTY.—A Lawn Party in aid of "Red Cross" will be held at the "Bungalow" (J. W. Grant's), Marshfield, Monday, July 19th, from 4 to 10 p. m. Entertainment provided; refreshments served. Admission, 10c. Strawberries, cream and ice cream for sale. A delightful way to help a good cause. 2092-7-16m3l.

SALVATION ARMY.—Brigadier and Mrs Taylor, Staff Captain and Mrs Combs, divisional commanders of St. John, N.B., also Ensign Clarke, Matron of the Evangelical Home of the Women's Social Work, will conduct special meetings of more than ordinary character, all day on Sunday in S.A. Citadel. Don't fail to hear those interesting people.

RECEIVES PROMOTION.—Recent letters received from Mr Hugh Warburton, son of Dr George Warburton, indicate that after a period of peaceful civil service work at Ibi, in northern Nigeria, Africa, he has again donned his uniform and resumed fighting on Muri Province. The Germans who had been driven out of that section of the country, have come back again, and Mr Warburton is leading a force of men with a machine gun against them. Mr Warburton, since coming to Africa, had been promoted to Assistant Resident Commissioner for that portion of Nigeria.

SUPREME COURT.—In the report which appeared in the "Guardian" yesterday morning of the case in which the Provincial Fox Co., Ltd., of St. John, N. B., claimed from R. C. A. Grant, of Charlottetown, the sum of \$11,125 balance of purchase money on 15 pairs of blue foxes at \$750 per pair on which he had paid 10 per cent., it was stated that the jury found for the plaintiffs on a number of issues and for the defendant on the sum of \$11,125. It was inadvertently omitted from the report, however, that a general verdict in favour of the defendant was returned by the jury, the issues which were found for him being essentially the material ones. The verdict, therefore, is for the defendant. Mr Grant's counsel was Mr. J. A. Johnston, K. C., while Messrs. A. M. McLean, K. C., and W. E. Bentley, K. C., represented the plaintiffs.

SAILINGS DISCONTINUED.—Mr Carragher, agent of the Plant Steamship Line, was notified by the Company yesterday that the sailings of the service between Boston and Charlottetown have been discontinued owing to want of business. This is regrettable. The discontinuance of a service which has been carried on successfully for a number of years will be a serious loss to the port and province. The want of business, needless to say, is not through any fault on the part of the service. It is doubtless due to the uncertainties connected with travel as a result of the war, so that a resumption of this service, as of many other enterprises that have been interrupted, may be looked for when the trouble is over. No doubt the Board of Trade will look into the matter and if a solution of the difficulty is in sight they will probably have a suggestion to make.

STRAWBERRIES and ice cream at L.O.C. picnics on Monday. 2087

MOTOR TRIP.—Mr and Mrs Spurgeon Hichon and family, Bonshaw, left the city yesterday afternoon with their motor boat Vandeleen on a trip to Mount Stewart.

THE TEDDY BEARS to be given away at the League of the Cross picnic Monday are displayed in Beer & Weeks' window to-day. 2087

SUMMER SCHOOL FOR TEACHERS.—This evening at 8 o'clock Prof. M. A. Chrysler, Ph.D., will lecture on "Boarders and Lodgers in Plant Life," in P.W. College Hall. The lecture will be illustrated by a number of splendid slides and should prove extremely interesting. The public are cordially invited. Admission free.

TUG-OF-WAR.—In the tug-of-war contest at the 12th of July Celebration a team of ten men from Thistle L.O.L. defeated any ten Orange men from other lodges. The lineup for Thistle Lodge were: Joe Robertson, Lauchlin Ross, William Mackin, Dan Smith, Robert Cook, Duncan McTavish, Sinclair McRae, J. D. Martin, John R. McWilliam, Neil A. McLeod, and although their opponents were picked from the largest men on the field and had the advantage of four or five hundred pounds, they succeeded in pulling them twice and securing the prize of a magnificent Lodge lamp and also upholding the fact that the Belfasters generally outdo the Orange men in every contest. The Thistle boys were cheered with rounds of applause from the grand stand and all over the field.—Com.

FOR THE FRONT.—Lieut.-Col. H. D. Johnson, M. D., of this city, leaves today morning on overseas service in connection with the Canadian Army Medical Corps. Dr. Johnson volunteered for service at the outbreak of the war and it was only a few days ago that he received a telegram asking him if he would accept a position on the staff of the A. M. C. for overseas service. He immediately accepted and yesterday he received orders to proceed at once. Dr. Johnson has a son, Corporal Hammond Johnson, a Civil Engineer graduate, now at the front with the Canadian Trench Artillery. Dr. Johnson himself is a veteran of the South African war and has the privilege of wearing the medals, one A. S. A. medal with three clasps and the Colonial Officers' decoration. Dr. Johnson's office will be closed for the present. While congratulating him on the honor of being accepted in his full military rank as well as on the patriotism which induced him to leave his practice and his home for this service his many will wish him godspeed and an early return home.

MERCHANTS' PICNIC.—The merchants of the city will have a picnic at White's Point on Monday, July 26th. A band will be in attendance and a big programme of sports will be put on at White's track, consisting of open events and other events for merchants themselves to take part in. This is entirely a new idea. The S.S. Harland has been engaged and will make quick trips beginning at 12:30 on that day from Steam Navigation Wharf. The following committees were appointed:—Sports—S. A. McLeod, L. B. McMillan, George W. Prowse, W. A. Gaudet, Gordon Hughes, Transport—W. A. Stewart, W. A. Gaudet, Mr Doyle, Grounds, L. J. Reddin, Chas. Chandler, S. A. McDonald, W. W. Wellner, Music, Mr Paton, W. W. Stanley, G. H. Taylor, Mr Forsythe, Catering, Mr H. Beer, E. Seller, E. Coffin, Seth Henderson, Water Sports, G. J. Rogers, J. A. Webster, Isaac Gordon, J. J. Inman, Finance, H. W. Weeks, R. L. Cotton, L. E. Prowse, Mr Alley; Judges of Sports, W. L. Cotton, F. J. Nash, J. R. Burnett, Ed. Saunders, F. J. Holman, R. Grant, D. Gordon; Clerk of Course, J. P. Gordon; Referee, L. B. McMillan; Timers, W. A. Gaudet, C. W. Patterson; Advertising, Mr White, W. A. Gaudet, Mr Chappelle; Advisory Committee, R. C. Goff, Senator Prowse, Sextus McLellan, John McLeod, D. A. Bruce, J. T. McLeod, J. A. McLaren. The above committees are working on a hot time night and day in order to make this outing a great success, and there will be fun galore.

ABNEY.—Miss Sarah Gidding has returned home from Picton to visit her parents and friends. She is accompanied by her friend, Miss McCallum.—A number of the young ladies who had been working at Picton Island, have returned home.—The fishermen also have returned home.—Mr. Lemuel Buell has recently left for Picton Island.—Mr. Percy Buell has recently left for New Glasgow, N.S.—Mr. John Moore is busy working at his new dwelling house.—Mr. Austin Bell, Roadmaster, has completed his road work, and has also sold by public auction, a portion of the new road running from Murray River to High Bank.—The public school examination of Abney School took place on June 25th, with twenty-two pupils and a number of raterappers as visitors present. The pupils were examined in various subjects. Muscular movement writing has lately been introduced into this school and is proving fairly successful. The closing exercises of the school took place on June 30th, when a number of ladies visited the school, and a programme of recitations, songs and phonograph selections was given.

HARD COAL.—We expect two cargoes of best quality Hard Coal in Egg, Stove and Chestnut sizes. Customers would do well to leave their orders now as coal will be higher later in the season. C. Lyons & Co. 1925-7-9M10i

GEORGETOWN.—Service in Holy Trinity Church, Georgetown, next Sunday at 11 and 7. Mr A. G. Cribb will officiate.

CHERRY VALLEY METHODIST S.S. Picnic at China Point, Tuesday, July 20th. Visitors' tables, ice cream and all kinds of refreshments. If not fine on Tuesday picnic on Wednesday. 2085-7-16m3l

SCHOOL EXAMINATION.—The semi-annual examination of DeSable School was held on Tuesday afternoon, June 29th, and was attended by quite a number of visitors. The schoolroom looked neat and tidy, and this, together with the bright faces of the pupils, the decorations, etc., formed a very pleasing picture. The scholars were examined in the various subjects by their teacher, Miss Coyne, assisted by Miss McQuarrie, teacher at Argyle Shore, and answered the questions promptly and satisfactorily. A programme of choruses, recitations, etc., was then carried out by the pupils, a special feature being the reading of several compositions on the war written by Christine McPhail and Masters Clifton Ince, Aubrey McPhail, Russell McFarlane and Stewart McFarlane, which, considering the age of the pupils, were really excellent. Thus another school year was brought to a close.

FIRST METHODIST S.S. PICNIC.—The Sunday School of the First Methodist Church was held yesterday at Murray Harbour and added another to the growing list of summer outings. A special train consisting of ten cars all filled with pleasure seekers left Charlottetown at 9 a.m., arriving at Murray Harbour about 1.30. The tables were placed in a field overlooking the river, and shortly after twelve the picnickers did the regulation justice to themselves and to the good things spread before them. After dinner games and sports of all kinds were indulged in to the pleasure of participants and spectators. Swings, motor boating on the river and rambling over the beautiful grounds contributed to the enjoyment of a beautiful afternoon amid beautiful surroundings. About five o'clock supper was served, stiched with music, which was entertained for home, where they arrived about 9.15, all delighted with their day's outing. The attendance was very large and by no means delicate, as may be inferred from the fact that a case of oranges was disposed of during the return trip.

VERNON W. HARRINGTON.—It is with feelings of deepest sympathy that The Guardian records the death of Vernon W. Harrington, son of Peter Harrington, which took place at his home in Clinton, Friday, July 9th. On Saturday, June 26th, he was stricken with pneumonia, which finally developed meningitis and despite all that the best medical skill and kind friends could do, he passed peacefully away on the above date. Deceased, who was only seventeen years of age, had just completed a two-years course in Prince of Wales College, and his collegiate career gave promise of a very brilliant future. He was of a very genial disposition and his quiet, unassuming manner endeared him to all who knew him. He will be greatly missed by a large circle of classmates and friends, but particularly in his own home, where besides his parents, a large family of sisters and brothers is left to mourn their sad loss.

MURRAY HARBOUR NORTH CEMETERY showed the esteem in which he was held by his friends and family. (Nova Scotia papers please copy.)  
MR. WILLIAM McLEOD.  
There passed away to his eternal rest on May 28th, at his home, Loyal Oak street, Burnaby, C. Mr. William McLeod, in his seventy-sixth year. Mr. McLeod was unable for some months to take any active part in life's ordinary affairs, yet during his rather prolonged sickness he never lost that deep interest which he always manifested in his fellowmen and in that which concerned his country's welfare, always keeping himself well informed on the great current questions of the day. He bore his sickness with true Christian patience and submission, and during the long days of confinement no murmur or complaint passed his lips. The late Mr. McLeod was born in the Isle of Lasay, Inverness-shire, Scotland, in 1839, coming to Canada with his parents, Malcolm and Mary McLeod, in September, 1840. They landed at Charlottetown, P. E. I., and in a short time moved to the district of Hartsville, where they took up land in the green woods. Here he lived with his parents for over thirty years, assisting nobly in the hard task of transforming the standing forest into fertile and productive fields. In 1874 he married Isabel McLeod, daughter of Roderick and Catherine McLeod, of Darlington, and moved to his own home adjoining that of his father. Here he and his life partner with the bright hope of youth entered joyfully on the task of making a home. For thirty-six years they remained together and brought up a family of six sons and two daughters, courageously facing the many hardships and difficulties of life in the early years, in what is now known as the "Garden Province."

PERCY BOEHNER.  
A very sad event occurred at Peters Road, Lot 63, on June 27th, when Percy Boehner, a strong young man, was called to his eternal home in the 35th year of his age.  
The deceased was a native of Martin's River, Lunenburg Co., N. S., and belonged to a highly respectable family in that locality. About eleven years ago, he and two brothers came to this Island and entered the employ of Mr. Samuel Johnston, engaging in the lobster industry at Murray Harbour, where Mr. Boehner, with his wife (nee Beatrice Johnston), and family generally lived. At the time of his sickness (paralysis) which caused his death, he was employed as cook (in which capacity he excelled) by a company of surveying engineers on the Railway near Vernon River. The deceased was an honest and industrious man, a kind and obliging neighbour and a worthy and upright citizen in every respect. His wife and little children (three boys) have the deep sympathy of the community in their North bereavement. Besides his wife and children, he leaves a mother, his mother, five sisters and four brothers, who reside near his old home in Nova Scotia. The funeral services at the house and grave were conducted by the Rev. Mr. Sutherland, and the large concourse of carriages which followed the remains to the

**Thin Men and Women**

Here's a Safe Easy Way to Gain to 30 lbs. of Safe, Healthy Permanent Flesh.

Thin, nervous, undeveloped men and women everywhere are heard to say, "I can't understand why I do not get fat. I eat plenty of good, nourishing food." The reason is just this: You cannot get fat, no matter how much you eat, unless your digestive organs assimilate the fat-making elements of your food instead of passing them out through the body as waste. What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood, where they may reach the starved shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge—eager to get fat. The reason is just this: which it is being deprived by the failure of the alimentary canal to take them from the food. The best way to overcome this sinful waste of flesh building elements and to stop the leakage of fats is to use Sargol, the recently discovered regenerative force that is recommended so highly by physicians here and abroad. Take a little Sargol tablet with every meal and notice how quickly your cheeks fill out and rolls of firm, healthy flesh are deposited over your body, covering each bony angle and projecting point. All good druggists have Sargol, or can get it from their wholesaler, and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each package. It is inexpensive, easy to take and highly efficient.

**Summer's Touchy Appetite**

Calls for food that is easy to digest and nourishing but not over-heating to the blood.

**Grape-Nuts**  
FOOD

—the meat of wheat and barley—meets this requirement and has a most delicious, nut-like flavour.  
But most important.  
Grape-Nuts is full of Nature's richest nourishment that builds nerve, muscle, bone and brain in a way that appeals to thinking people everywhere and has made the food famous.  
Grape-Nuts is long-baked, partially predigested and economical—requires no cooking—always ready to eat direct from package.

**"There's a Reason" for Grape-Nuts**
