

# GIRLS! LOTS OF BEAUTIFUL HAIR NO DANDRUFF--25 CENT DANDERINE

HAIR COMING OUT? IF DRY, THIN, FADED, BRING BACK ITS COLOR AND LUSTRE.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and

scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

She was attended by her sister Miss Carrie Burrows. The groom was supported by his cousin, Major Moase. After the ceremony the guests repaired to the dining room where supper was served. The bridesmaid was dressed in blue silk and carried pink roses. Following the ceremony a reception was held at the residence of Patman J. H. Bagran, 2561 Massachusetts Avenue, where about fifty guests gathered to extend their congratulations and enjoy a delightful programme of music. Mrs. Walter S. Kennedy, of 6 Porter Road, and Daniel Watts furnished piano and vocal selections and Fred Churchill, Raymond Churchill and Nicholas Fanecon sang solos, while Albert Fanecon gave violin numbers. A supper was provided by caterer Churchill. Following the festivities Mr. and Mrs. Burnett left on their honeymoon, which will be spent in New York and Philadelphia. —NEW SOCIETY.—The ladies of Tignish Parish have on Sunday afternoon organized the "St. Vincent De Paul" Society, when they met in the Convent under the presidency of Rev. Monsignor D. M. MacDonald. Father MacDonald set forth the facts of this organization before them, dwelling on the imperative need of such a society here to look after the distress of the poor of the parish. In the past when the distress of a family was brought to the attention of the pastor he would speak of it from the pulpit and appoint someone to take up a collection, but now if such a case is discovered the new society will be able to attend to its wants. So that the whole parish may be under the guidance of this new organization, twelve ladies were named and appointed to look over the welfare of the poor in the district where each lives.—Z.
