Had Bronchial Asthma

SO BADLY MAN COULD NOT LIE DOWN—CURED BY VINOL.

For years and years we have been telling the people of Charlottetown that Vinol is a wonderful remedy for bronchial troubles. Here is a positive proof.

Tilden, Ill. "For five years I suffered from bronchial asthma. In the winter time I was obliged to sit in a Morris chair all night, as I could not lie down, owing to that dreadful choking sensation. I tried nearly every known remedy, but nothing gave me any relief until one day I met the Station Agent at Witleville, Ill., and he said he had been a sufferer for years, but had been cured by Vinol. I at once commenced to take it, and the result is my cough is gone, my appetite has improved, and I can lie down and sleep all night, and my experience leads me to believe that Vinol is a certain remedy for bronchial asthma." John H. Con-

dell, Tilden, Ill. The reason that cough syrup fails in such cases is because they are palliative only, while Vinol removes the cause, being a constitutional remedy in which are combined beef and red liver peptones, iron and manganese peptones and glycerophosphates. It strengthens and revitalizes the entire system and assists nature to expel the disease.

NOVEMBER WEDDING.—St. Dunstan's Cathedral, Charlottetown, was the scene of a very happy event on Tuesday morning, November 7th, when one of the most prominent young ladies of Johnston's River, Miss Beulah Smith, daughter of Mr. and Mrs. Joseph Smith was united in marriage to Mr. Fred Collings of the G. S. Stanley. The ceremony was performed by Rev. Maurice McDonald. The bride was attended by Miss Agnes Proud of Charlottetown, while Mr. Joseph Smith, brother of the bride was groomsmen. The bride was tastefully gowned in a suit of brown broadcloth and wore a black picture hat, while the bridesmaid's suit was suited for the occasion. After the conclusion of the nuptial mass the bridal party enjoyed in the forenoon a delightful drive to the home of the bride where a wedding dinner was served. The afternoon and night was spent in dance and piano music with song. In the morning the guests departed wishing Mr. and Mrs. Collings a long, prosperous and happy married life. The popularity of the bride and groom was shown by the many costly presents. The groom's present to the bride was a set of costly furs.

PICKED UP THE CREW OF HALIFAX SCHOONER

HALIFAX, Nov. 30.—A wireless to C. H. Harvey, agent of the marine and fisheries department, received through

the naval authorities, announces that the S. S. Rockingham from Liverpool to Baltimore, has picked up the crew of the schooner Arthur J. Parker in lat. 40.49; long. 59.27. The wreck was set on fire.

The Arthur J. Parker was on her Evans and the mate was Duncan Con-

blown away and proceeding under a double-reefed mainsail. In spite of her predicament it would seem that those on board were confident of their being able to make port, as no distress signals were flying.

Sir Douglas Haig in his report upon The Battle of the Somme, writes:

"First let me thank the munitions workers. This magnificent victory could not have been won without the self-sacrifice and devotion of those women and men who have so faithfully laboured to provide us with the munitions necessary to carry out our plans."

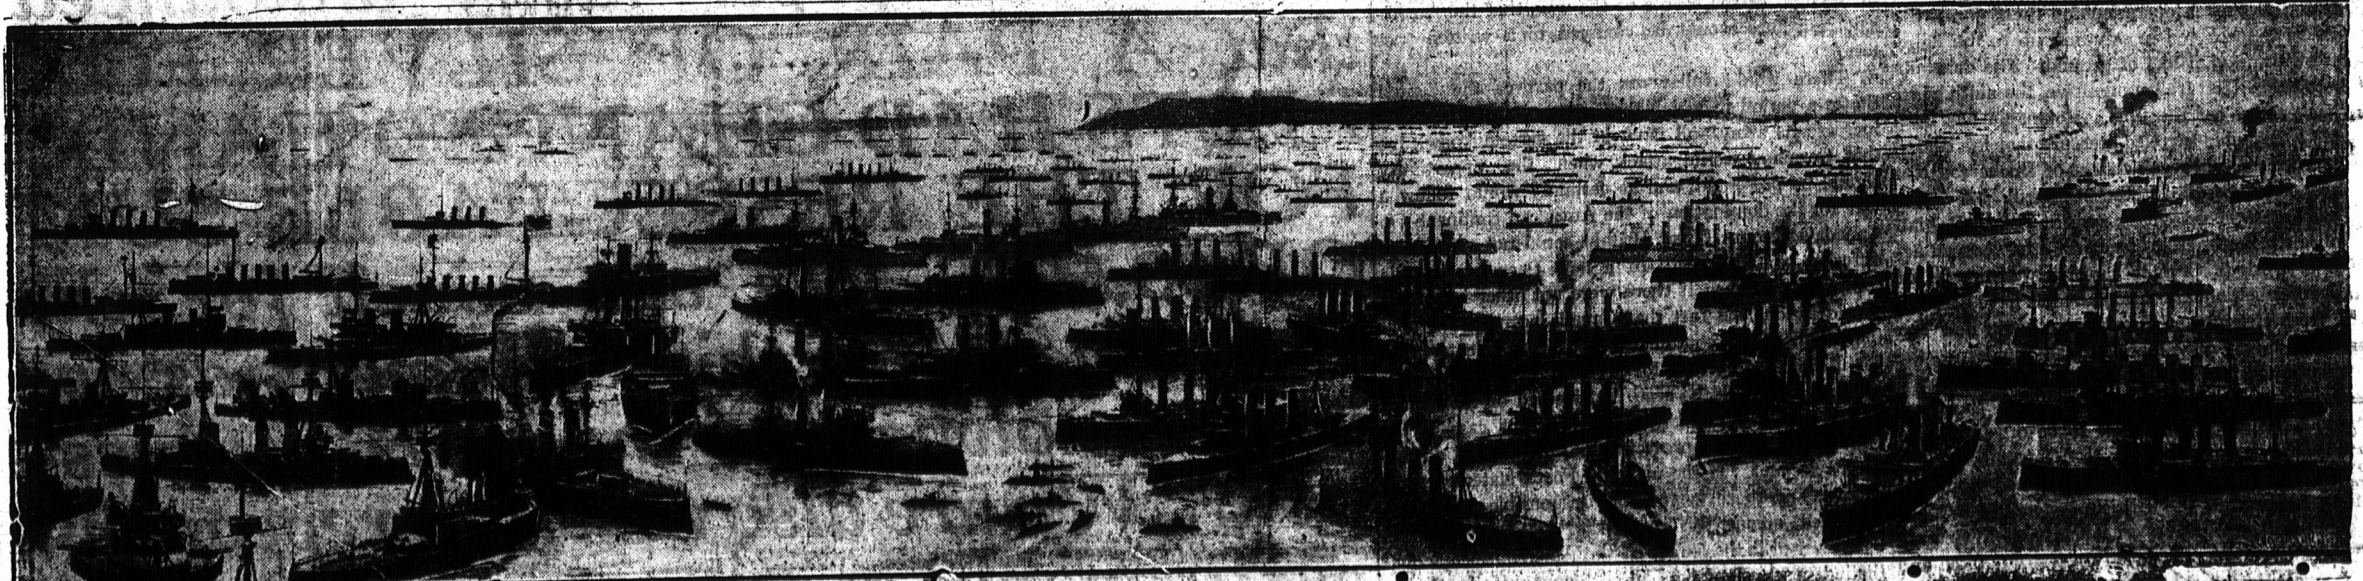

When the history of this war is written, the part played by the munitions workers will rank in importance second only to that of the soldiers and sailors.

To-day the cry is for more and yet more munitions.
