CORRESPONDENCE FOR PRISONERS OF WAR

Postmasters may accept correspondence for onward transmission to prisoners of war in Germany under the following regulations:—

1. Letters (letters should be left open) postcards and postal parcels should be addressed as follows:—
a. Rank, initials, name.
b. Regiment, or other unit.
c. British (or Canadian, French, Belgium or Russian) prisoner of war.
d. Place of internment.
e. Germany.

Place of internment should be stated always if possible, and parcels cannot be accepted unless place of internment is stated. All addresses must be in ink.

2. Communications should be limited to private and family news and to necessary business communications, and should not be sent too frequently.

No references to the Naval, Military or Political situation or to naval or military movements and organizations are allowed. Letters or postcards containing such references will not be delivered.

3. Friends of prisoners of war are advised to send postcards in preference to letters as postcards are less likely to be delayed. If letters are sent, they should not exceed in length two sides of a sheet of note paper and should contain nothing but the sheet of note paper. On no account should the writing be crossed.

4. Letters cannot for the present be accepted for registration.

5. Postage need not be paid either on letters or parcels addressed to prisoners of war.

6. No letters should be enclosed in parcels, and newspapers must not on any account be sent. So far as is known there is no restriction on the contents of parcels; tobacco may be sent and will be admitted duty free but food stuffs of a perishable character should not be sent. Parcels should not exceed 11 lbs. in weight.

7. Remittances can be made by money order to prisoners of war. Instructions as to how to proceed can be obtained from Postmasters of Accounting Post Offices. The transmission of coin either in letters or parcels, is expressly prohibited. Postal

NOTES AND BANK NOTES SHOULD NOT BE SENT.

8. It must be understood that no guarantee of the delivery of either parcel or letters can be given and that the Post Office accepts no responsibility. In any case, considerable delay may take place and failure to receive an acknowledgement should not necessarily be taken as an indication that letters and parcels sent have not been delivered.

9. So far as is known, prisoners of war in Germany are allowed to write letters or postcards from time to time; but they may not always have facilities for doing so and the fact that no communication is received from them need not give rise to anxiety.

HORSE NOTES.

What an undoubtedly one of the best, if not the best Clydesdale mares ever imported into Cape Breton, was brought here last week by Mr. Rod McLeod, of Grove's Point, says the North Sydney Herald. The animal, which was purchased in P. E. Island, was bred by Robert Currie, of Glen Head, Auldgrith Keir, Dumfrieshire, Scotland. Her name is Neil of Glen Head, No. 1016, and is sired by Lord Lonsdale, first dam Kate of Glen Head by Woodside Chief; second dam Bess of Glen Head, by the Tyrion, and third dam Jess of Glen Head, by Garibald. She is nine years old, and carried off the blue ribbon at the P. E. Island exhibition, and in fact won first honors wherever shown. She weighs 1660 pounds, and is a valuable acquisition to the breeding stock of Cape Breton.

How sleep the brave who sink to rest
By all their country's wishes blest!
When Spring, with dewy fingers cold,
Returns to deck their hallow'd mould,
She there shall dress a sweeter sod
Than Francys' feet have ever trod.
By fairy hands their knell is rung,
By forms unseen their dirge is sung;
There Honour comes, a pilgrim gray,
To bless the turf that wraps their clay;
And Freedom shall a while repair,
To dwell a weeping hermit there.

Cures Biliousness Prevents Bright's Disease

THE CERTIFIED STATEMENT OF ONE WHO HAS PROVEN THE EFFICIENCY OF DR. CHASE'S KIDNEY-LIVER PILLS.

Mr. Colin M. Kiel, Craighurst, Simcoe county, Ontario, writes: "My mother and I have both used Dr. Chase's Kidney-Liver Pills with great satisfaction. We find that there is nothing to equal them as a prompt cure for torpid liver, biliousness and indigestion. Some years ago my mother came near to death from kidney trouble and has to be careful in preventing Bright's disease. By using Dr. Chase's Kidney-Liver Pills occasionally she keeps the kidneys healthy and active. Another point favorable to Dr. Chase's Kidney-Liver Pills is that they do not gripe and yet accomplish good results. You are at liberty to use my letter."

This statement is endorsed by Mr. Marmaduke Caston, Justice of the Peace, who writes: "This is to certify Mr. Colin M. Kiel and I believe his statement regarding Dr. Chase's Kidney-Liver Pills to be true and correct."

If you are interested in this case, write to Mr. Kiel, enclosing stamp for reply, and he will verify his statement. We like to have people to do this, for we are very careful to only use statements from responsible persons.

Should this case not be similar to yours, write to us for the statement of someone whose troubles was along the same line. We have thousands of letters to choose from. Or better still, put the Kidney-Liver Pills to the test right away. They will only cost you a quarter and a box lasts for some time.

As a means of awakening the action of liver, kidney and bowels and thereby curing biliousness, indigestion, backache and kidney trouble, Dr. Chase's Kidney-Liver Pills hold a unique position. By their combined action on these eliminating organs they prove effective in complicated ailments which defy ordinary treatment. One pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Company, Limited, Toronto.
