Impaired Digestion

May not be all that is meant by *dyspepsia* now, but it will be if neglected.

The uneasiness after eating, fits of nervous headache, sourness of the stomach, and disagreeable belching may not be very bad now, but they will be if the stomach is suffered to grow weaker.

Dyspepsia is such a miserable disease that the tendency to it should be given early attention. This is completely overcome by

Hood's Sarsaparilla
which strengthens the whole digestive system.

Six Boxes of Dodd's Kidney Pills do a Great Work for G. C. Chalker.

HONORARY REPORT, Ont., July 22.—(Special).—The following letter is from G. C. Chalker of this place:

"I want to say right here on the start of this letter, I am cured by Dodd's Kidney Pills of my kidney complaint. I have no doubt about it, none in the least. I weigh ten pounds more than I did fourteen months ago and can do a fair day's work any day.

"I can say I am completely cured of my old enemy Lame Back, and am no longer troubled with heavy aching arms and dull bloated eyes. Yes, it is all gone, purged out by Dodd's Kidney Pills. The work was done by taking six boxes of that life saving medicine.

"I often wonder what powerful virtue Dodd's Kidney Pills contain. I don't entertain a doubt in the least particular that where Dodd's Kidney Pills are said to cure they will cure every time.

"This is strong talk but I can prove it by my own case anywhere. If anyone is in doubt he can write to me."
