

**Half-Sick** When your nerves are weak, when you are easily tired, when you feel all run down, then is the time you need a good strong tonic—Ayer's Sarsaparilla. Your doctor will tell you why it has such power over weak nerves, why it makes the blood rich, and why it gives courage and strength. Ask him if it is not just the medicine you need.

AN interesting short copyrighted story entitled "When Betty Sailed" by Donald Allen, will appear in the Saturday Guardian of 28th. Be sure you get it as it will not appear in any other paper.

W. K. ROGERS of this city, is local representative of the Canada Cycle & Motor Co. Ltd., for the sale of their automobile, "Russell", an announcement of which will be found in another column.

ARE you out of work? You need not become disconsolate. There is plenty of work for everyone. But don't sit on a fence, like Micawber, waiting for something to turn up. You will have to turn it up yourself, and the best way to do it is with the aid of The Guardian's want columns. Merit is always rewarded, and if you really want employment The Guardian is always willing and able to assist you in securing it.

JOHN A. MCGARRY, formerly of Iowa, and Heber J. McLean, formerly of Coleman, P. E. I. but now officers at the State Farm Mass., on April 10th, unearthed a nest of young red foxes, and captured alive the entire lot of four. They are most half grown and are very lively, and at present are confined at the State Farm, being considered quite a curiosity. The young men have received quite a liberal offer for them, but have not as yet accepted it.

ABRAHAM YOUNG leaves to-morrow morning after a short visit to this province, for his home in Sanford, Maine. Mr. Young formerly lived and was a prosperous farmer at Lower Montague. He left the province some fourteen years ago and took up his residence at Sanford. He is now doing an extensive business as a contractor and builder. He is a capable and energetic man and the business has grown rapidly under his management. He still speaks kindly of his native province and intends paying a visit this summer. While in Georgetown he was the guest of W. W. Jenkins.

AMID all the horror which attends the reading of the frightful details of the San Francisco calamity, one point stands out in marked relief. That is the wonderful value of fire insurance. Those so protected when loss and damage come have much to be thankful for; in many cases they really suffer no money loss. It is well to bear a lesson like this in mind and apply the moral by insuring in a first class company with a strong reserve, such for instance as the Hartford Insurance Co. which has telegraphed its agents here the W. K. Rogers Co. Ltd. that they will at once pay the San Francisco losses as they did in the case of the Baltimore and Chicago fires. See ad.

DIED at Elmira, Kings County, on Thursday, April 12th, 1906, after an illness of over two years, which she bore with patience and resignation, the Divine Will, Mary Eliza Mellick, second daughter of the late William Henry Mellick, Esq., aged seventeen years and six days. She was a general favorite with her young companions. Of a quiet and unassuming disposition, she won the esteem of all who had the pleasure of her acquaintance. Peter R., her elder brother, who had been in Boston arrived home only four days before she died. She leaves a widowed mother, two sisters, four brothers to mourn their loss. "Truly in the midst of life we are in death." Com.

THE summer train arrangement on the C. P. R. will go into effect May 6. It will be much the same as last season, except that the day train from St. John for Boston will make a connection for Montreal, landing passengers there in the evening, and the train arriving at St. John from Boston in the evening will bring in passengers leaving Montreal in the morning. This will give St. John two trains each day to and from Montreal. The suburban arrangement will probably be the same as last year. The hours of departure from St. John for Boston and Montreal will be: Day train for Boston and Montreal, 6.45 a. m.; Montreal express, 8.40 p. m.; Boston express, 5.55 p. m.; Fredericton train, 4.10 p. m. The times of arrival at St. John will be: Fredericton train, 8.55 a. m.; Boston express, 10.40 a. m.; Montreal express, 11.20 a. m.; and Boston and Montreal day express, 11 p. m. It is probable the Boston train at 10.40 a. m. will run through to Point du Chene. The change this year is more than a month earlier than usual.

How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irretrievably losing at least a portion of their eyesight.

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted.

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.

You are invited to call.
