SUNDAY SCHOOL LESSON

LESSON VIII. FEBRUARY 19.

ELIJAH'S FLIGHT AND RETURN.

1 Kings 19: 1-16.

GOLDEN TEXT

"They that wait upon the Lord shall renew their strength."—Isiah 40: 31.

POINTED SUGGESTIONS.

By Rev. D. W. Snider.

The truth-telling Bible! Last week's lesson prepared for us something different about Elijah than what appears this week. Why is not the chariot of fire made ready for the prophet upon Carmel? That would leave the story in the shape that the mere hero or saint worshipper would wish to have it.

The feelings of admiration and awe are deeply stirred by the sublime spectacle of Carmel, but those of sympathy and fellowship and intercession crowd the heart at the revelation of the discouragement and dejection and stark pessimism which possesses Elijah in his flight and hiding in the rocky skirts of Horeb. But the story is true to nature and we are the gainers.

Moses, David, Elijah, Peter, Paul—what names! The history of the world produces none greater but when all the facts are in and all the facts are told it is learned that they became great and were perfected through suffering and discipline and the lift of grace. There were the subject of temptation, they yielded to sin, they suffered reactions as other men. But they rose upon their dead selves to higher things.

The stories of these heroes of the faith, however, throw the prophetic statement concerning the Christ into remarkable relief upon which the record of the life of Jesus casts a unique and fadeless lustre, namely, "He shall not fail nor be discouraged till he have set judgement in the earth." The big question after all to which the scriptures lead us is not "What think ye of Elijah?" but "What think ye of Christ?"

Without a doubt God was with Elijah upon Carmel. But He is not only with His faithful ones upon the crest of the high wave of their experience but He also, in the very tenderness of a compassion and mercy which never fails, forsakes them not when that experience is overshadowed because of the deep through of despond in which through overmastering temptation, they are flung.

Note the tenderness of God in this lesson! The Strong son of God has been touched with our infirmities. He understands physical and mental exhaustion. He knows the rebounding force of action and its danger. Jesus conquered at such times by retirement and prayer. But Elijah's feet had well-nigh slipped. He was saved by the firm yet gentle ministries of God—the ministry of bodily refreshment, the ministry of startling interrogation, the ministry of illustrative counsel, the ministry of correcting knowledge, the ministry of reassuring hope, the ministry of appointment to new and definite service.

That God works in the silences is a profitable lesson—the sound of the gentle stillness. If some loud-mouthed agitators for some things that are good could get inside of that fact the good that is sought would come more surely into evidence.

To learn that results are with God is important. The story of many besides Elijah confirms the fact that no one is quite so essential to the success of things as he may suppose. Why should Elijah think he should be regarded as better than his father? What necessary concern was it of his that he alone served God? That was both his certain duty and high privilege.

Not petulance, not inaction, not re-creation is the cure for discouragement, but purpose, something to do. No one accomplishes anything while in the cave of doubt or the cell of gloom.

Elijah was told to anoint his successors. Men may pass but the work lives. Happy are those who content to stand in their lot, faithfully. God looks after the jointing of lots.

FREE PSYCHINE FOR THE SICK

Let us buy a 50c. bottle from your Druggist and give it to you to try. Here are our reasons:

For nearly the third of a century we have known what Psychine will do. We have known it to cure hundreds of thousands in that time, of some of the most desperate cases of disease known to medical science.

We have received thousands of unsolicited testimonials, which we will gladly let you look over should you desire.

Think of it, a third of a century's experience with one preparation, a third of a century's intimate knowledge of what extraordinary cures it has made—almost a lifetime!

Do you wonder then with that perfect knowledge of Psychine, that we are anxious to bring it to the notice of everyone in Canada suffering from disease?

Do you wonder that we want those to know who are using wrong methods of cure, who are not getting well, and who we know will be benefited by Psychine.

Do you wonder that we can buy hundreds of thousands of 50-cent bottles of Psychine from the druggists of Canada to give to those who wish to try it?

Psychine builds vitality.

It strengthens and increases the white corpuscles of the blood—the phagocytes, the policemen or scavengers of the blood.

These white corpuscles of the blood, when strong enough, destroy every disease germ that gets into the body, keeps the body healthy.

If these white corpuscles are not in sufficient numbers or are not sufficiently strong, then these disease germs destroy them and disease holds the body. That's the cause of nearly every disease that afflicts the human race. For years, centuries, in fact, it has been recognized that herbs are the most effective treatment for disease.

It is only within recent times that we have been able to tell just why they were so effective.

Because certain of them increased and strengthened the white corpuscles or phagocytes.

These herbs are employed in compounding Psychine.

We go all over this world to obtain these herbs. Arabia, South America, China and Japan all contribute.

And the result is a preparation that will restore health and build vitality as no other preparation will.

That has proven itself in nearly the third of a century's use as no other preparation has proven itself.

That is a most effective treatment for:

- La Grippe
- Bronchitis
- Hemorrhages
- Sore Throat
- Anaemia
- Female Weakness
- Indigestion
- Poor Appetite
- Chills and Fevers
- Sleeplessness and Nervous Troubles
- After-effects of Pleurisy, Pneumonia and La Grippe.

Now we don't ask you to take our word for the tremendously beneficial effect of Psychine. Fill out the coupon

below, mail it to us and we'll give your druggist an order (for which we pay him the regular retail price) for a 50-cent bottle of Psychine to be given you free of cost.

We will undoubtedly buy and distribute in this manner hundreds of thousands of these 50-cent bottles of Psychine.

And we do that to show our entire confidence in this wonderful preparation.

A confidence that has been based on our 30 years' experience with this splendid preparation, with a full knowledge of the hundreds of thousands of cures it has made.
