**SUPREME COURT.**—The Supreme Court in Georgetown, which opened Tuesday is engaged with the trespass case of McPhee vs. MacDonald. At the opening of the Court Mr. Justice Hazard, made fitting reference to the death of Sir Wilfrid Laurier. He also referred to the fact that there were no criminal cases before the court, a matter for which King's County was to be congratulated. Mr. Alexander Laird, of Bedeque, was admitted as an Attorney and called to the Bar. Mr. Laird, who is the son of the late Alexander Laird, has been a student-at-law in the office of McLeod & Bentley, Charlottetown. He passed a very creditable examination, and the congratulations of many friends will be extended him on his success.

**VISITING FORMER HOME.**—Pte. M. S. Matheson of Prince Albert, Saskatchewan, arrived in the province on Monday evening for a short visit to his parents, Mr. and Mrs. Malcolm Matheson, Bradalbane. Pte. Matheson has been in Saskatchewan for twenty two years, and enlisted in 1916 with the Cameron Highlanders of Canada. He served two years in France where he went through many of the principal battles, including Passchendaele, Vimy Ridge and Amiens. He came through them all unscathed although he had the sorrow of losing two brothers there, one of them, John having died from gas poisoning, the other Angus being killed in action at Vimy Ridge, in August 1917. Pte. Matheson leaves next week on return to Saskatchewan.

**A HANDSOME TROPHY.**—His Worship Mayor Wright received yesterday from the makers the silver cup offered by him last autumn to the cadet company in P. E. Island which made the best showing in the 1918 competition. The award to be made on arrival of Captain Black in the near future. The competing companies were Georgetown, Queen Square and West Kent, and much interest naturally awaits the award and presentation which will be a public function. The cup is a beauty, silver with gilt lining, and laurel design on side; the bowl, five by six inches, is supported by four crossed rifles on a silver base the center piece of which is a chastely designed beaver, the whole standing on an ebony pedestal four by six inches. The cup is to be won three times before it becomes the property of the holders. Before presentation it will be suitably engraved with the name of the winners. The cup will be on exhibition today in the show window of Messrs Johnson and Johnson's D rug store. All interested in the physical training of boys will appreciate this generous act on the part of His Worship. It will be an incentive both to the boys and their instructors to excel.

**APPOINTED TO HANSARD STAFF**

As the result of the Civil Service examination in Ottawa on Tuesday, Mr. T. S. Hubbard, Provincial Court Stenographer, of this city, has been appointed to the Hansard staff for reporting the House of Commons proceedings. Eighteen candidates entered the examination but only two survived the final test and Mr. Hubbard was offered and accepted the appointment on the spot. Mr. Hubbard is to be heartily congratulated upon his success which he richly deserves for it is the result of merit. He will be greatly missed here and his place as official stenographer will be difficult to fill. Mr. Hubbard joined the Guardian staff in 1912, and in 1915 was appointed official stenographer to the Supreme Court. As a shorthand reporter he has few equals in Canada. His speed is 200 words per minute, and he can transcribe his notes on the typewriter with a speed and facility that borders on the marvellous, while regretting his loss to the Province everyone who knows Mr. Hubbard will join the Guardian in heartily congratulating him on his well earned and well deserved appointment.

**ROTARY.**—At the regular weekly luncheon of the Rotary Club held at Hotel Davies, at which Rotarian James McMillan presided, the chief speaker for the occasion was Captain Kemp of the C. G. S. Ostrea, who gave a most interesting and informative address on the subject of Oysters in general with special reference to the diseases which have so depleted our Island Oyster beds. Captain Kemp has been the official guardian of the silent bivalve for many years and knew whereof he spoke. The affair yesterday was an altogether enjoyable one. At the close of the Captain's address a hearty vote of thanks was tendered him moved by Rotarian H. H. Shaw, seconded by Rotarian R. H. Jenkins. The guests yesterday were Lieut. H. L. Bethune, Wm. McGregor of Central, Lot 16 Major Rice of the Convalescent Home, C. E. Pratt, St. Peters and Mr. Appleton, Military Secretary of the Y. M. C. A. Entertaining this week was in the hands of Rotarian James McMillan and L. E. Wellner.

After an illness extending over a period of some years and finally culminating in an attack of influenza, Mrs. Isabella Jenkins, relict of the late John Porter departed this life on December 21st 1918, in the 56th year of her age.

Although in feeble health, as stated, the deceased did not relinquish the stern duties of an arduous life but by indomitable perseverance and thrift succeeded in maintaining the home in an efficient state.

Of a quiet and unassuming disposition, she was much endeared to the people of this vicinity, and will be much missed by those with whom she associated. The nature of the sickness prevented that social intercourse which was always shown by her neighbors, yet the faithful few who did attend testify that all through her illness she exemplified an implicit trust in her Saviour and was resigned to leave this earthly tabernacle to inhabit a world where pain and sorrow are unknown.

The deceased leaves to mourn a family of three: William N. and Annie of Murray River and Raoulston at home.

The funeral services, necessarily brief were conducted by the Pastor Rev. A. Sutherland and the remains were interred in the Cemetery at Murray Harbor North. "Thou remainest therefore a rest to the people of God.—W. L. M.

The death occurred at St. Roch's Hospital, Winnipeg, on Friday, Oct. 18th, of Bortram D. Penpraise, only son of Mr. and Mrs. Neil Penpraise of Victoria, P.E.I. He had been sick less than a week with Spanish influenza which developed into pneumonia. Bert, who was twenty-five years of age, was a quiet lovable young man, greatly liked by all who knew him. He was very faithful in the discharge of his duties and a great favorite with all the office staff at the Canadian Northern Railway offices where he worked.

Some three years ago he visited his parents in Victoria.

Early in the winter of 1915 he joined the 184th. Battalion, then being recruited in Winnipeg, but, in the summer of 1916 was, much to his regret, honorably discharged as medically unfit.

The funeral, which took place in Winnipeg on Oct. 22nd, was a private one, but this did not prevent a large number of friends from going to Clark-Leatherdale's funeral chapel to pay their last respects.

Interment took place in the Soldier's plot at Brookside Cemetery. Rev. Mr. Colwell of Grace Methodist Church conducted the service at the graveside.

Besides the sorrowing parents, there is left to mourn one sister, Florence, who arrived in Winnipeg the night before her brother took ill and was able to be near him during his illness.

The sympathy of the whole community goes out to the family in their bereavement.

With deep regret do we record the death at McDonald College, Quebec, on the 25th day of January last, of Mrs. Cameron McFarlane, wife of Lieutenant, N.C. McFarlane.

Mrs. McFarlane, formerly Frederica Campbell of Park Corner, Prince Edward Island, graduated from Prince of Wales College at the early age of fourteen. Following a successful career in the teaching profession she took a course in Nature Study at Guelph, Ontario. Later she entered McDonald College, St. Anne de Bellevue and graduated with honors in Household Science, being Valuedictorian of her class. She was then appointed Vice Principal of Red Deer Ladies College, Alberta, but returned to St. Anne de Bellevue, the following year and accepted the position of Domestic Demonstrator for McDonald College, which position she held till her death.

About three months ago her brother the late George L. Campbell and his little son died of influenza. Mrs. McFarlane hastened to her home where she nursed and cared for the stricken ones. Shortly after her return to McDonald College she contracted the dread disease which caused her death. Mrs. L.M. McDonald was with her during her illness.

Mrs. McFarlane was the daughter of the late John Campbell who died about one year ago. She is survived by her mother and two sisters, Mrs. Wilson and Miss Stella of California. She was an exceptionally bright and clever woman. Her services were highly appreciated in the Province of Quebec and at McDonald College, where she was regarded as a leader in her profession.

She was a cheerful, witty conversationalist.

By sincerity of purpose, courage and optimism she won the respect and admiration of all who knew her.

The degrees of success attained in the various enterprises of the Home-makers Clubs in Quebec are attributable in a large measure to her clearness of vision and her unflinching, tireless energy.
