FRANTIC WOMEN

Organic disturbances of the female system act like a firebrand on the nerves of women, often driving them fairly frantic.
A nervous, irritable woman is a source of misery not only to herself, but to all those who come under her influence. That such conditions can be entirely overcome by taking **LYDIA E. PINKHAM'S VEGETABLE COMPOUND**
Mme. Emma Clatet, Valleyfield, Bellevue, Quebec, writes to Mrs. Pinkham:
"I want to tell you that without Lydia E. Pinkham's Vegetable Compound I would not be alive. For months I suffered with painful and irregular periods and inflammation of the female organs. Doctors could do nothing for me, and said I must submit to an operation because I had a tumor.
"One of my cousins advised me to take Lydia E. Pinkham's Vegetable Compound as it had cured her.
"I did so and now I have no pain and am entirely cured. Your remedy is deserving of great praise."
FACTS FOR SICK WOMEN.
For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, Why don't you try it?
Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.
