WINNIPEG GRAIN

WINNIPEG, April 23 — (CP)— Winnipeg grain prices showed a decided weak trend today with sizeable losses in oats and barley and a maximum decline of 10 cents in rye prices. The declines reflected a weaker tone on the Chicago market due to reports of good rains in the winter wheat belt, and disappointment in Canada over the absence of export trade in oats and barley. Support here was thin and limited to some light shipper demand.

Prices of class two wheat for export to countries other than the United Kingdom were reduced six cents.

Closing prices:
Oats: May 1 lower at 88 3-8;
July 1 3-8-1 1-4 lower at 81 3-8-1-2;
Oct 1 1-4 lower at 75 1-4B.
Barley: May 2 1-8 lower at \$1.16 5-8B; July 1 3-8 lower at \$1.11 3-8B; Oct 1 3-8 lower at \$1.02 1-2B.
