The news of the death of Mr. Ross Douglas which took place at Bay Fortune on Aug. 12th, was received with general regret. Mr. Douglas was in the prime of life being only 36 years of age and an energetic and successful farmer and a member of the community. He was a member of the Presbyterian church at Bay Fortune and took an active interest in all movements for the betterment and social uplift of the community. The sadness of the case is increased by the fact of the death in Feb. last of his eldest son Willie and in May last of his father, Mr. Joseph Douglas. Mrs. Douglas, nee Miss May Best of Lot 16 and four small children, Alice, Belle, Harold and Amy are left to mourn the keen loss of a devoted husband and loving father. There remain also a brother William in Ontario and a sister, Mrs. Wesley McKenzie of Bay Fortune, also a half brother and half sister, both of East Boston. The funeral services on Sunday afternoon were conducted by his pastor, Rev. E. Lockhart. More than eighty carriages were in the cortege which followed the remains from his late residence to the Presbyterian cemetery at Bay Fortune. Mrs. Douglas and family have the sincere sympathy of neighbors and friends in their sad bereavement; they have also the comfort of the blessed memory of one to whom belonged the strong faith and deep peace of the redeemed in Christ.

He is a superintendent of schools and discharges important functions in the civic affairs and public duties of his adopted town.

ON FIRST VISIT—Mr. and Mrs. Haxter Reid of Montreal arrived in Charlottetown Friday night on their first trip to the island. They will visit Brackley Beach and other places. Mr. Reid who is now retired from active business life was for a number of years General Manager of the C.P.R. Hotel System. Prior to that he was connected with the Indian Department and was intimately acquainted with the late Hon. Davison, the Interior and Governor of the Northwest Territories. Mrs. Reid, while her husband was with the C.P.R., selected the furnishing for the principal hotels of the system, having made special trips to Europe for that purpose.

GATHERING OF THE CLAN MUTCH—The "Mutch" picnic held at home of David Mutch, M. Herbert, on Saturday, August 6th, was really a gathering of a great number of members of the third, fourth, fifth and sixth generations of the family name of Mutch were present. An historical sketch of the family, prepared and read by Mr. Robert Mutch, M. Herbert, was a most interesting feature of the afternoon. Mr. Alexander Mutch, the original founder of the family in P. E. Island, was a soldier of the Revolutionary war, with the British forces. He and his brother John fought at the Battle of Bunker Hill, and John was killed. In 1778 Alexander Mutch came to P. E. Island with Governor Fanning and Private Ladner, his rank being that of Major and lived at Rocky Point, for one year. He then settled at Brackley Beach, where his farm is now occupied by Mr. David Mutch, Mr. John Mutch and Mr. Munn. More than one hundred and thirty descendants were present at the picnic, seventy-five of whom bore the name "Mutch". It was the intention of the "clan" to make the picnic an annual affair and to endeavor to get all the members of the family together at least once a year. The original Alexander Mutch came from Aberdeen, shire in the north of Scotland. He was married twice and had fifteen children.

VISITORS ON MANOIA—The S. S. Hancoa arrived yesterday morning from Montreal on her way to St. John's, Newfoundland, and a general cargo. Mr. A. A. Pomeroy, President of the Charlottetown Board of Trade had received information some days previously that the President and Vice-President of the Belleville, Ontario, Board of Trade were on board and he made preparation to entertain them, a banquet and auto drives being part of the proposed programme. Unfortunately the stay in port of the steamer was too short to permit of the carrying out of the whole programme, but Mr. Pomeroy, with his usual tact and with the willing assistance of a number of automobile owners, was able to squeeze into the two hours stay ashore, just enough of the programme to give the visitors an idea of the enjoyment a longer stay would make possible. Five cars in all conveyed the visitors and a number of citizens to the Exposition, Bank Farm, Farms and several other points. The visitors expressed keen pleasure over what little they saw of the far famed beauties of Prince Edward Island and appreciation of the kindness shown them, together with deep regret at the compulsory shortness of their stay. The visitors included Mr. John Elliott, President of the Belleville, Ontario, Board of Trade, and Mr. H. F. Keitheson, Vice-President of the Chamber of Commerce, Belleville, Ont., Mr. and Mrs. White of Montreal, Mr. Copley, Mayor Hamilton, Ont., and Mrs. Copley, and many others. Among the citizens who accompanied them on the auto drive were Mr. A. A. Pomeroy, Mr. H. E. Beer, Mr. P. W. Turner, Mr. E. H. Beer, Mr. James Paton, Mr. Nelson Rattenbury, and Mr. E. T. Higgs.

DISTINGUISHED VISITOR—Mr. W. M. Brittain, General Manager of the Export and Import Board of Trade, Baltimore, is at present visiting the island. Mr. Brittain has been in the city here since 1912 this being his fourth visit. He is an enthusiastic Scotsman hailing from Glasgow but has been for forty years in the States. Mr. Brittain has the unique distinction of being the son of a Canadian born father, the husband of a Canadian, and the father of a Canadian, though he himself is a Scotsman and an American citizen. Mr. Brittain represented the United States at the Supreme Economic Council of the Peace Commission in Paris, where he met two old Glasgow school fellows in the persons of the Right Honorable A. Bonar Law, and the Right Honorable Arthur Henderson. The three were educated at the same Presbyterian school and attended the same Sunday School. Mr. Brittain's home is in New York, but at present he is located in Baltimore where he is engaged lecturing on "Economics" at the John Hopkins University. He is an authority on pertaining to the Highland Clans, especially MacDonnells, and has travelled all over Scotland, Nova Scotia, Cape Breton, and Prince Edward Island making notes and collecting information. On the present occasion he is accompanied by his daughter, Miss Agnes M. Brittain, who served overseas and enlisted in the army. Mr. Brittain is a graduate of Columbia University and took the Juris Doctor degree in law at New York University where he became a special lecturer in Economic Law. A deep shadow of gloom was suddenly cast upon Bonshaw and vicinity early in the morning of August 15th when it was learned that one of its most promising young, John Bell, had suddenly succumbed to complications following an operation for appendicitis. He went to town Friday, Aug. 12 in apparently good health, but shortly after two o'clock was taken suddenly ill which necessitated his removal to the P. E. Island Hospital where he was operated upon. Complications set in shortly after the operation and he passed peacefully away Sunday at midnight. He was cheerful up to an hour or so before his demise, but was suddenly called away to that land from which no man ever returns.

A loving quiet and genial boy he was beloved by all who knew him. He was devoted to his last resting place, besides his mother, who predeceased him by one year by many sorrowing hearts. His loss in the home of his uncle, Russell Boyce and his grandparents, Mr. and Mrs. Alexander Mutch, is irreplaceable. They have the assurance that he is not lost, but just gone before.

The funeral which was from the Presbyterian Church was very largely attended and was conducted by Rev. P. C. Gauthier, who preached a fitting discourse from Corinth.ians 15. "Where the Apostle ably treats of the resurrection, and exhorts all to believe in Him who died to save us all." The sorrowing relatives and friends the Guardian extends its sincere sympathy.

He will not grow old, like we that are left grow old. Age will not weary him or the years condemn him. At the going down of the sun and in the morning, We will remember him."

BROWN—WESSELS.—The following is taken from a Toronto paper. The marriage of Miss Margaret Wessels, daughter of Mr. Harold D. Brown, son of Mr. and Mrs. C. W. Brown, of Brampton, took place at four o'clock this afternoon in the Bloor Street Presbyterian Church, the Rev. W. G. Walker officiating. The bride, who was given away by her father, was attired in navy blue pussy willow taffeta trimmed with grey and a collar of Carrimacross lace, a grey and blue hat and corsage bouquet of Sunburst roses. The bridesmaids wore white. After the ceremony the bride and groom motored to the station and left for the Lake of Bays. After their honeymoon they will reside at Ithaca, N. Y., where Mr. Brown takes up his post graduate work in Cornell University. Mrs. Margaret Wessels is a niece of Mrs. Harry Stetson, of this city.

The passing away of Mr. Charles Cole of Milton Monday evening deserves more than the ordinary notice. Mr. Cole, who was in his 75th year, had been ailing some six months, but was able until a short time before his death to go round and direct matters pertaining to the farm. The several farms acquired—very largely through his industry and perseverance—of which his sons are settled, together with the beautiful homestead stand as a monument to a life crowned with signal success, and while Mr. Cole was so diligent in business, he never forgot the one thing needful, being a consistent churchman and a valued member of the Episcopal Church at Milton, in which cemetery his remains will be laid to rest beside those of his dear wife who predeceased him almost 2 years ago. Mr. Cole was of a most endearing disposition, kind and genial, with a generosity not too often met with and which will long be remembered, and a death such as his leaves a blank in a community hard to fill. He leaves behind to cherish the memory of a dear and loving wife

their five sons and six daughters, viz:—Dr. Wm. R. in Regina, Saskatchewan; Mr. Benjamin at Milton; Mrs. John H. Buntain, Milton; Mrs. Chas. E. McKenzie of Milton, with Annie, Winnie, Etta and Lilla at the homestead, to all of whom the Guardian tenders heartfelt sympathy.

On Friday evening, August 19, Mr. and Mrs. Thomas Trainor of Windon entertained in their spacious home about two hundred invited guests in honor of their son, Mr. James Trainor, who leaves shortly for his home in Boston. The time was enjoyably spent in music and dancing, music having been furnished by our noted violin specialist, Mr. Ward Crane, assisted by some of our local talent. A special feature of the evening was a step dance by Miss Agnes McCarthy and Mr. Tom Trainor. A sumptuous supper was served in Mrs. Trainor's best style, after which dancing was again resumed and continued until the "wee sma' hours of the morning, for as "Tom" is a jolly good fellow, every body enjoyed themselves and all departed for their homes feeling convinced that Mr. Trainor is "the right man in the right place."

CHRISTIAN CHURCH EXPANSION—The St. John Telegraph says: Having registered a determination to raise \$4,000 to secure the services of an evangelist, and having already pledged or contributed about \$700 to that cause, the annual convention of the Christian Churches of Nova Scotia and New Brunswick, whose sessions concluded in the Douglas Avenue church on Saturday evening, marked a big advancement in the work of the Christian churches in the two provinces. Business sessions were held on Saturday morning and afternoon and a public meeting in the evening. On Sunday the special services were held in both the Coburg street and Douglas Avenue churches, and C. E. Armstrong, of Montague, P.E.I., was the preacher in St. Matthew's church on Sunday night. J. S. Flagler, in appealing for support of the home missions for which \$4,000 was to be raised, urged an evangelist, predicted that before ten years had passed the vacant pulpits in the Christian churches would be filled, and capably filled by women. He spoke of the funds which the Home Mission Society already had, which gave \$200 annually in interest, exclusive of another fund of \$800. L. A. Miles, the chairman, also appealed for support for the cause. \$37.30 was taken in the collection and pledged were given to contribute \$530, while the previous night pledged for \$150 had been given. The officers were elected for the ensuing year as follows: For the Maritime Christian Missionary Society, president, L. A. Miles, Halifax; vice-president, J. C. B. Apple, St. John; secretary-treasurer, J. S. Flagler, St. John; members of the Executive, J. W. Barnes, St. John; C. Amery, Danvers, N. S.; A. M. Gates, Kentville, N.S.; auditor, E. Barnes, St. John. The officers of the annual convention elected were: Chairman, O. Wallace, Halifax; vice-president for Nova Scotia, J. W. Hayter, Milton, N.S.; vice-president for New Brunswick, H. E. Cooke, Burt's Corner, N.B.; secretary, Allan Gates, N.S.

it was hoped, yet the work done was of a splendid type and keen interest was taken by all. At 8.45 a. m. we were led by Dr. DeWolfe of Acadia Seminary in Devotional Study. Lectures on the general Sunday school work were given by Rev. W. A. Ross, general secy., of the M. R. E. C. studies on the "Teaching Values of the Life of Christ" were led by Rev. H. S. B. Strothard Maritime Field Secy., of the Methodist Church. The work taken in specialization courses was followed with very keen interest. Classes were conducted in Young People's Work by Rev. F. M. Milligan; Teen Age Boys' Work by Mr. A. M. Gregg; Teen Age Girls' Work by Miss Grace Wood, Toronto; Children's Work by Mrs. W. A. Ross. "Training in Worship" were given by Rev. F. M. Milligan, Maritime Field Secy., of Maritime secy., of the Baptist Church, gave the closing lecture of the day outlining the Program of Christianity. It was quite impossible to hear these lectures without feeling the thrill of desire to be of greater service in the home Sunday School. The school of 1921 was the practical nature of the work done. The whole course seemed to be full of suggestions worth carrying home for use. It is a pity that more of our Sunday school officers and teachers do not attend this school, but surely if they cannot, they might see that delegates are appointed from their school. School is four square. The work of the class-room furnished intellectual stimulus and also splendid recreational training. The afternoons were completely free for recreation. The students were divided into teams and an interesting series of volley ball games was played. Tennis afternoon was given over to group games, one to stunts and another to contests. The fellowship enjoyed by the members sat around the spacious sitting-room in Mt. A. Ladies College, singing in something for every one present to remember. Even in the short space of a week we seemed to get acquainted with the leaders and with one another, so that we are better fitted for teams and work which lies ahead of us this year. Com.
