YESTERDAY'S STOCK AND BOND QUOTATIONS

MARKET GOSSIP

By John Cooley, Associated Press Financial Writer.

NEW YORK, July 31—Prophets of reaction were confounded in the stock market Saturday, although the list did show further signs of stopping for breath.

Nevertheless, realising sales were generally absorbed with something to spare and average prices closed higher for the ninth time in the last 10 sessions.

Commission house opinion at the close Friday generally held that a climax was at hand, on the theory that the market had exhausted immediate possibilities and must soon stop for a correction. There was a fractional sag during the first hour, but once more activity diminished with the downturn and again the market quickly found enough energy to resume the advance. Rails closed irregularly lower and scattering losses appeared elsewhere, yet utility and industrial composites returned small net gains. Transactions of 910,590 shares were large for a summer Saturday.

Prospective help for the railroads involving possible extention of credit facilities for equipment and maintenance uses, had doubtless been discounted by advance gossip, so that the oil shares tended to await leadership from other sections. New York Central, Santa Fe and Southern Pacific reacted slightly.

U. S. Steel was prominent in the latter half of the market, followed by Bethlehem Preferred and Gulf States. Steel producers would be helped materially by a programme of railroad buying, and several inquiries of fair proportions are said to have been made so far.

Preferred Stocks were strong, inspired by the rising bond market. American Telephone, crossing 90, sold at its highest in some time, while General Electric, Westinghous, Case, American Tobacco "B", Lorillard, standard of New Jersey, Chrysler, Coca Cola, Chile Copper, Corn products, Du Pont and Nort American closed with mostly fractional advances. General Motors, whose dividend meeting is scheduled for next week, was up half a point.

BARN DESTROYED—A large barn owned by Charles McEachern, Rice Point, was totally destroyed by fire Thursday morning, between the hours of 6 and 7 o'clock. As soon as the fire, the cause of which is unknown, was discovered, neighbours quickly gathered to fight the flames, but it had made too rapid progress to be extinguished. Some farm machinery including a binder, which was in the barn at the time, was destroyed. The loss was partly covered by insurance.

Delegates will be present from all the branches on the Island for the transaction of any business coming before the convention. Election of officers will take place. In the evening at 8 o'clock a grand re-union (as announced in another column) for all returned men will be held under the auspices of the Legion in the hall at Mount Stewart, when it is expected a large number of old soldiers will be in attendance. A strong committee of which Dr. A.B. Martin is chairman, has been working to assure a suitable programme and entertainment. For the use of Charlottetown ex-soldiers cars will leave the Legion Home, Grafton Street, at 6.15 for Mount Stewart—so all aboard for the big re-union boys!

Montreal Market Sidelights

(Canadian Press)

MONTREAL, July 31—An almost equal distribution of gains and losses marked the close of the week's trading on Saturday morning here. The undertone continued good, as the action of Power, Nickle, Quebec Power and Shawinigan in closing higher suggests. The market was called upon to absorb a small volume of profit-taking, and this it accomplished with comparatively small lossess in such issues as bridge, steel of Canada, Massey, McColl and Canadian Car. The New York market suffered a similar slight setback. Trading was quiet here, with a total turnover for the two hours of some 6,000 shares. The index closed .05 lower, this being the first decline in nine sessions.

MONTREAL, July 31—(By The Canadian Press)—The Montreal stock exchange gave an uninteresting performance in Saturday's short session, in which market leaders held steady, while the general list tended to sag. Little leadership was offered from Wall Street. Price changes were mainly fractional.

Montreal Power, National Breweries and Dominion Bridge were relatively active. Power sold up to 33⅝, where it closed ⅝ higher, after selling at 33 in the past two sessions. Breweries held steady at 17½, while Dominion Bridge was off ⅛ at 18⅝.

Steel of Canada lost a point and a half at 18¼, International Nickle was up ⅛ at 7, Canadian Car was ⅝ lower at 5⅛, McColl-Frontenac and Lake of the Woods lost ¼ each at 9⅜ and 6¾, respectively. Massey-Harris was off ⅛ to 4⅞ while Quebec Power was up ¼ to 13½.

Abitibi Common sold unchanged at 1⅛, while the preferred was up a point at 3¾.

Canadian Pacific at 15, Brazilian Traction at 9⅛, Canda Cement at 5 and Cockshutt Plow at 7 were all unchanged.

In the mining section Hollinger lost 10 cents to $5.50.

There was no trading in Bank shares, and in the bonds Montreal Power Bebentures changed hands at 39¼, unchanged.

Total sales were 6,623 shares and $30,450 bonds.

Pound Sterling closed at $4.0248 and the United States Dollar at a premium of 14⅝ per cent.

WINNIPEG

(Canadian Press)

WINNIPEG, July 31—A lack of export and weakness at Liverpool withheld support from the wheat market today. In mediocre trade prices in the short week-end session sagged to close ⅞ to ½ lower.

July cleared at 57½; October at 59½; and December at 60⅝.

Prices slipped off about one cent in the early trading around mid session, however, an upturn at Chicago brought prices back to the previous closing levels but the high points were not held.

Pit operations were featureless. Some month-end liquidation through commission houses was in evidence but on a very light scale and the closing out of the July future was uneventful.

Broomhall intimated that fair quantities of Canadian wheat were purchased by the United Kingdom and the continent Friday. News from most sections of Europe particularly in France and Russia showed an improvement.

A flurry of short covering in July oats, rear the close improved the price of that cereal two cents to 41¾. Cash wheat and coarse grains in dull trade were little changed.

BONDED WHEAT

NEW YORK, July 30—Bonded Wheat closed easier. Close: July 53; Oct 56; Dec 57.

CHICAGO

CHICAGO, July 31—Abatement of speculative interest accompanied a narrowing of price changes in wheat today, and the market developed no definite trend.

Reports suggesting that the 1932 United States outturn of all wheat would be somewhat below trade expectations and 38,000,000 bushels under the government figures of July 1 had no lasting effect, and neither did absence of rains in Canada or likelihood of a return of high temperatures. Late firmness of the stock market was a steadying influence.

Wheat closed irregular ½ lower to ¼ up compared with yesterday's finish, corn at ¼ decline to ¼-⅜ advance, oats unchanged to ⅛-⅜ off, and provisions unchanged to a rise of 5 cents.

PRODUCE

(Canadian Press)

MONTREAL, July 30—Export of both butter and cheese last week from Montreal to the United Kingdom were lighter than the preceding week. Cheese shipments totalled 44,802 boxes against 47,861, bringing the total for the season to date to 322,066 boxes against 228,209 boxes at this time last year. Butter exports were 3,505 boxes for the week compared with 7,787 in the previous week. So far this year butter shipments have totalled only 29,905 boxes against 78,535 at the same time last year.

Potatoes declined sharply in price last week here. Increasing supplies of new locally-grown stock sent the market off daily. At the close the price was generally 45 cents per 80-pound bag, wholesale, which compared with 75 cents to 80 cents a week ago.

Butter closed genrally at the 17c per pound level for carlots or less of no. 1 quality, down nearly a cent for the week. Jobbing houses were selling to retailers at 19c for solids and 20c for prints, off one cent. The drop brought butter closer to a level at which more export business would be done, according to dealers.

Cheese ended at 9¾c for Ontario's and 9c for Quebec's off slightly.

The egg market showed a little easier feeling, Saturday quotations ranged from 19 to19½c for extras with some new Ontario's up to 20c a dozen. Firsts were 16c to 16½c; seconds 13c to 13½c.

Egg receipts were 8,596 cases; butter, 23779 boxes, cheese, 47,583 boxes.

RELIGIOUS SERVICES

ST. PETERS CATHEDRAL

Services were held yesterday as usal at 8 and 11 a. m. and Evensong at 7 p. m. At Evensong Canon Malone preached from the words "For so he giveth his beloved sleep" which words are taken from the 3rd verse of the 127 Psalm.

The Prayer Book directs the following commemoration this week Friday, Oswald King and Martyrs in the seventh century and Saturday the Transfiguration of our Lord.

TRINITY UNITED CHURCH

The music was the outstanding feature in the services yesterday. Several artists who are visiting the City contributed solos. Mrs. Pollard, of Bridgeport, Conn., gave two delightful selections in the morning Handel's "Come Unto Him, All Ye That Labor" and Bernard Hamblem's "Beside Still Waters." In the evening, Mrs. G. Burton Lord, a former member of the choir, but now of Fitchburg, Mass., captivated her hearers in "He That Dwelleth in the Secret Places of the Most High" (Miller), whilst Miss Lucille Brown also of Fitchburg, Mass., and who is visiting with Mrs. Lord as the guests of Mrs. Col. D. A. MacKinnon gave a truly magnificent rendition of "Ave Maria." She was assisted by Miss Thelma Teed as violinist in addition to Prof. Kendall at the organ. Not only in the sweetness and purity of tone but in the manner of rendition and the personality of the performers their contributions were an edifying and inspiring feature of each service.

Dr. Ramsay in his opening remarks, welcomed the many visitors who were present including a deputation of 30 men and officers from the two ships of the Canadian Navy now in Port.

Rev. Dr. Ramsay was the preacher at both services. In the morning his text was Luke 18-1. "Men ought always to pray" and he pointed out some conditions of effectual prayer. The evening text was Matt. 25-28: "Take therefore the talent from him." The theme of the sermon being worldly wisdom vs. Spiritual knowledge

The opening hymns in the morning was:

"New every morning is the love
Our wakening and uprising prove"

And the closing hymn at night:

"The day is past and over
All thanks, O Lord, to Thee."

Miss Teed rendered two violin solos with organ accompaniment and also accompanied the different hymns at night.

Mrs. G. Waller and Miss Jennie Turner are the Flower Committee of the King's Daughters for August and any who may wish to contribute flowers from their garden will please notify either members of the committee.

The World's Sunday School Association is holding its eleventh Convention at Rio De Janeiro, being the first time such a convention has been held south of the equator. There are 1500 Sunday School leaders from fifty countries present, every continent being represented.

ST. PAUL'S CHURCH

A very hearty welcome was extended by the Rector of St. Paul's Church to the officers and men of H. M.Ships Saguenay and Champlain, who joined in the morning worship, helping to make it a hearty service of praise. During the offertory a solo was pleasingly rendered by Mr. Percy Williams. Prayers were again offered, asking that God will grant His guidance to those taking part in the conference at Ottawa.

The Rector preached from the text: "Whatsoever things are true, whatsoever, things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things." He said these words, show us humanity is entrusted with its own thought programme. We can think or not as we will, and thought produces deeds—great and noble deeds or otherwise. Thoughts of love cannot produce deeds of hate. And our character is expressed in what we do. Many think to have their own way in all things and failure results. God sent His son to take away sin and failure, and through Him we can start afresh. The text calls us to think, and to fit our lives into harmony with God. Through prayer and companionship with Him our lives are enriched. We shall want others to know the story of new life that the light of the glory of God manifest in Jesus Christ, may shine in the dark places of the earth.

Capt. Wittig, of the Church Army was the speaker at the evening service. Taking as his text: "Ye are an epistle, known and read of all men," he said. St. Paul in these words was telling the Corinthians that they were to be the means of transmitting the message of salvation to those who had not yet heard. One of the Christian duties is to be a missionary. Jesus Christ was a living epistle and through Him people saw God. Just what kind of lives are we living today. Are they saturated in wickedness or poor quality and unintelligible, or can people look at us and see Jesus in us. Let us remember we are all Christ's epistles and are known and read by all men.

Pickpocket: "What are you doing reading a fashion paper?"

Colleague: "Well, if we are to do well in our profession, we must know where pockets are worn."
