

Are You in The Grasp of The Grim Reaper Death? YOU CAN SAVE YOUR LIFE BY USING Paine's Celery Compound THE GREAT SPRING MEDICINE A Resident of St. Hyacinthe, Que., Who Was Near Death Saved By The Wonderful Compound.

It certainly requires a medicine of great power and extraordinary virtue to save a man or woman brought near the dark grave by disease and suffering. Paine's Celery Compound in the best has saved many a precious life at the eleventh hour. Mr. A. Daignault, of St. Hyacinthe, Que. had become tired and weary of life owing to constant illness and pain, and looked forward to death as his only deliverer from agony and suffering. Happily those near him urged the use of Paine's Celery Compound after all other medicines had failed. Mr. Daignault and his friends were not disappointed. The marvelous compound banished his troubles and restored him to health. The same grand results—health, vigor of body, general activity and hardiness will be your reward, dear sufferer, if you make use of the same life-giving remedy. Mr. Daignault says: I desire to say, that had it not been for Paine's Celery Compound I would not be living to-day. Five years ago I was taken sick and suffered from dyspepsia and catarrh. For three years I was unable to work and would lose consciousness several times a day I was tired of life and could realize that death was my only deliverer from suffering. At that time one of my friends urged me to use Paine's Celery Compound, as all other medicines had failed. After the use of six bottles, I am as well as ever before in my life, appetite is restored and I can do a full day's work. My friends say my cure is a miracle as I was surely condemned to die, I cannot thank you sufficiently for your wonderful life-giving medicine.

NERVOUSNESS AND NERVE. The more nervous a man is, the less nerve he has. That sounds paradoxical—but it isn't for it is stamina. Hood's Sarsaparilla gives nerve. It tones the whole system, perfects digestion and assimilation, and is therefore the best medicine a nervous person can take. If you get tired easily, mentally or physically, take it—will do you good. A BICYCLE BODYGUARD. How Catarrh Can be Cured Now, see here a minute my friend, you ought to know that you can't cure Catarrh of the Nose and throat by swallowing Tablets, Blood Purifier, and things of this sort. The stuff you swallow goes into your stomach, and the trouble is not there at all. To cure any disease you must bring the right remedy under the right conditions; right in contact with the disease, in other words you must reach it. This is just why Japanese Catarrh Cure is so successful in treating and curing Catarrh. You apply it to the nostrils, and by the very act of breathing it spread itself over the entire membrane, where all the trouble is. It immediately kills the Catarrhal germ, heals and soothes the irritated membrane, and completely removes every trace of Catarrh. The dropping in your throat and pains in the head all stop. The throat no longer has that fullness in the morning, the desire to hawk and spit ceases. Mr. J. Sloan, 78 McGill street, Toronto, has had considerable experience during seven years with the hundred and one catarrh remedies on the market. Here is what he says:—"For several years I have been troubled with catarrh, which finally affected my throat. I had doctored with some Toronto doctors, used tablets, powders, and everything I saw advertised, some of which relieved me at the time, but was worse after I stopped using them. About a year ago I procured a sample of Japanese Catarrh Cure, and even this small sample did me more good than anything I had yet tried. I used in all about two and a half boxes during two months, which have completely cured me. It certainly does all claimed for it, which I cannot say of scores of other remedies tried." Japanese Catarrh Cure is without a rival. It is the only permanent cure for catarrh. Thousands of people tell us so. Sold by all druggists at 50 cents. TO NERVOUS WOMEN. Mrs. D. W.
