TYPHOID VICTIM RECOVERED HEALTH

By Rebuilding His Wasted Frame With Ferrozone.

If it is Health, Renewed Vigor, Well Balanced Nerves You Want, Try The Food Tonic Ferrozone.

No's negative evidence in the case of Jao. M. Amseel is needed to prove that Ferrozone is unsurpassed as a tonic and restorer. Writing from his home in Toronto, Mr. Amseel says: "I had typhoid fever two years ago, and for a long time couldn't get strong. I carefully followed my doctor's orders and for months took his medicine, regularly but no matter what I did I couldn't get up enough strength to take up active employment again. Like most weak people I was also nervous and finally had to give up to a doctor. I read of Ferrozone and decided to try it. I took the first box with fair results. I felt a stronger second box astonished me and my strength returned very rapidly. I kept on using Ferrozone and my friend then noticed how quickly I was improving. This encouraged me to take more Ferrozone and my strength all returned in two months. When I started Ferrozone I gave up all other medicines and can say that it alone restored me. For weak, nervous people Ferrozone will do more good than anything else."

Ferrozone is both a food and a medicine. It builds up the wasted tissue and strengthens the weakened nerves by giving the system a plentiful supply of pure nourishing blood. It puts new vigor into every organ of the body, dispels nervous sickness and lassitude. The person that uses Ferrozone will have a good appetite, healthy complexion, good digestion and a reserve of strength that protects you against pneumonia and weakening fevers.

Ferrozone is not a nauseous or liver oil mixture but a chocolate coated tablet, combining the most strengthening elements in concentrated form. Very easy to take. Its sale has multiplied year by year and no remedy today holds a higher place in the esteem of the public. The success of Ferrozone is due to its ability to give strength to the weak, and cure the sick of their troubles. Insist on getting Ferrozone when you ask for it, and refuse to deal with any druggist who tries to induce you to buy some substitute, or afford you him mere profit. Price 50c per box or six boxes for \$2.50, at all druggists or by mail from N. C. Parsons & Co., Kingston, Ont., and Halifax, Canada, U.S.A.

Charlottetown BUSINESS COLLEGE
WRITING ACADEMY

This College re-opened Tuesday morning August 15th. During the vacation, the rooms have been handsomely fitted up and about 1200 feet of floor space have been added to the Shorthand and Typewriting departments to accommodate the increasing patronage. In ALL DEPARTMENTS, the latest and best methods will be taught by a staff of COMPETENT teachers, specialists in their departments. Nine teachers will form the staff during the coming term. Our Business Training course, always taking rank among the best will be more interesting and inviting than ever before because of the many new features being introduced. Our Shorthand and Typewriting departments have been enlarged and Mr. Trainor, the principal, will have all the assistance he requires to bring them up to that high state of perfection to which he aspires. His unparalleled success last year was a revelation to many, and we cannot help it if some would be competitors are angry and "know mud." Every one to his calling. Mr. Trainor will continue to educate the young men and women in the art of Shorthand and Typewriting and will always be found attending to his business. SEVENTEEN graduates last year from the Phonographic Institute of Cincinnati. While it is a record unapproached by ANY OTHER teacher last year, yet, Mr. Trainor with his efficient assistants, hopes to double the number this term. There are some so called business colleges that claim everything on paper. But when it comes to thorough, high grade work, lowest expense with absolutely no risk on the part of the student, College environments and opportunities, the Charlottetown Business College stands out in bold relief. Two things should be remembered by intending students—Our high grade work and unheard of low tuition rates. Students may enter at any time. For full particulars, address,
