## Card of Thanks

The Ladies' Aid of the P. E. Island Hospital wish to thank the management of the Forum for so kindly placing the rink at their disposal for the Hospital skate; also the Canadian Legion Band for their services on that occasion, and all those who in any way helped to make the evening such a success. These acts of generosity are greatly appreciated. 8247-11.

## IN MEMORIAM

In loving memory of my dear Mother, Mrs. Annie Warren, who departed this life March 4th, 1929.

Four years have passed since that sad day  
When God called one we loved away  
We loved her then, we love her still  
Forget her no we never will.

Inserted by her Son and Family,  
Mr. P. H. Farrar.

## IN MEMORIAM

### BENJAMIN GARFIELD ACORN

The citizens of Charlottetown and his many friends throughout the Province will regret the passing of Benjamin G. Acorn, which took place in Montreal early on Sunday morning, March 5th.

For over a year Mr. Acorn had been in failing health. In January of this year, upon the advice of his physician, he went to Montreal to undergo special treatment, but despite loving care, and the best of medical skill, his soul passed to the God who gave it, to that House not built with hands eternal in the heavens.

The late Mr. Acorn was born in Charlottetown on October 12th, 1897, the son of William H. and the late Margaret J. Acorn. At the outbreak of the War in 1914 he was among the first to enlist in the Heavy Artillery.

Upon his discharge Mr. Acorn took up railroading for a time, and about ten years ago he returned to his native city and through his own initiative and courtesy, was most successful in establishing a large Taxi and Transfer service.

Mr. Acorn's loss will be felt particularly by the music lovers of Charlottetown. Possessed of a rich baritone voice, he never hesitated to give his best service as a singer to help any worthy cause. Only a few nights before his departure for Montreal the writer will remember how, though ill, Mr. Acorn sang with wonderful feeling and tone "There is no Death". For many years he was a faithful member of the Choir of Trinity United Church, and also a member of that famous aggregation who have given such pleasure to the music lovers of this City, the Orpheus Eight. He was also a member of the Oddfellows, and Victoria Lodge No 1 A. F. and A. M. Alexander Chapter, and Knight Templar and Order of the Mystic Shrine, Philae Temple Halifax, N. S.

He leaves to mourn the loss of a loving husband and father, his widow, formerly Miss Lelia M. King of Presque Isle Maine U. S. A. and young son Jackie, also his father, William H. Acorn, and four brothers, Raymond G. Edgar F. and Percy, all of Charlottetown, and William of Toronto, also three sisters, Mrs. Pogson, St. John, N. B., Mrs. Wm. McMillan, Mattapan Mass., and Mrs. Clifford Smith of Summerside, P. E. I. to all of whom we extend our sincere sympathy.

"We can spare him, loving Saviour,  
For we know Thou guardest well  
Those who now with all the ransom  
Sinless dwell.

"They nor thirst, nor suffer  
hunger,  
All their tears are wiped away.  
Night has past, and they have  
entered  
Endless day."

**SKATE ENJOYED—The skate** sponsored by the Ladies' Aid of the Prince Edward Island Hospital Friday night at the Forum was one of the most successful skates of the season, the rink being crowded. The Ladies' Aid speaks in the highest terms of the band and the rink and all the officials who did so much towards helping the cause. The Forum was placed at the service of the Ladies Aid free of charge. The band did not charge for their services and this helped to make the great success that the affair was, a nice sum of money being realized. It was a most enjoyable evening and a profitable one.

## Quick! Stop That COLD!

Don't Let It Run Beyond  
the First Stage!

A cold ordinarily goes through three stages: the Dry Stage, the first 24 hours; the Watery Secretion Stage, from 1 to 3 days; and the Mucous Secretion Stage. To let a cold run beyond the first stage is inviting danger.

Grove's Laxative Bromo Quinine taken at the first sign of a cold will usually stop it in one day. This famous tablet is effective because it does the four things necessary. It opens the bowels, kills the cold germs and fever in the system, relieves the headache and tones the entire system. Anything less than that is trying with a cold. Get Grove's Laxative BROMO QUININE today and accept nothing else. Now two sizes—30c and 50c—at all drug stores.

## Communitistic Tendencies Of New Woodsworth Party Exposed In Parliament By Mr. A. LaVergne

The following striking speech is from the Hansard reports of the House of Commons, Feb. 22:

The house resumed from February 21, consideration of the motion of Mr. Woodsworth for the second reading of Bill No. 24, to amend the criminal code (unlawful associations), and the proposed amendment thereto of Mr. Gauthier.

Mr. ARMAND R. LAVERGNE (Montreal): Mr. Speaker, I feel I must ask the indulgence of the house in speaking on this bill at this late stage of the debate, but having spent a good deal of my life in addressing public meetings, I thought I should give the house the benefit of my general experience. I for one believe in freedom of speech and would certainly support the principle of any bill that would maintain or more clearly define and recognize such freedom.

But the bill of the hon. member for Winnipeg North Centre (Mr. Woodsworth) goes rather far and I think we must come to a definition of what is freedom of liberty. Freedom, so far as I understand it is not the right to choose between evil and good, between obeying the law and disobeying it, between supporting society and disorganizing it; it is the right to choose in favor of good and the power to renounce evil.

The bill of the hon. member for Winnipeg North Centre proposes

**THIRD ARREST—A third arrest** was made last evening in connection with the recent breaking into E. A. Foster's drug store. Police placed under arrest, Andrew Dunn on a charge of breaking and entering. The accused will appear in the Police Court.

**POLICE COURT—At the Police** Court Saturday morning, a man charged with breaking and entering was remanded until this morning for sentence. A man charged with receiving stolen goods was also remanded until this morning.

**"LANSEA" the famous knitted** sportswear will be demonstrated all day Tuesday, 7th instant. This wonderful line of ready to wear garments will include Lansea suits in Silk and Wool, Brambles, Wool Brambles, Botany and Knitted Tweeds. Early visits are suggested. Moore & McLeod Limited.

**TO BE REPRESENTED—The** Fourteenth Quadrennial Council of the Alliance of Reformed Churches Throughout the World Holding the Presbyterian System will meet in Belfast, Ireland, June 29th to 29th, 1933. As one of the member churches of the Alliance, the United Church of Canada made arrangements at the last General Council of the Church to be represented at Belfast by a strong delegation. Rev. Dr. E. H. Ramsay of Trinity United Church, Charlottetown, has just received notice of his appointment as one of the representatives. This tribute to Dr. Ramsay as a leader in the Maritime Conference of the United Church of Canada and an outstanding scholar and minister, will be very gratifying to his people in Trinity United Church and to his numerous friends throughout the Maritimes.

**LIGHTS ON VEHICLES—A** Summerside contemporary says: "The matter of lights on vehicles is being taken up by the various Farmers' Institutes throughout the province with a view of arriving at a solution. The problem of lighting a carriage is an expensive one and the belief has been expressed that the installation of proper reflectors on carriages and truckwagons would be just as effective and far more economical. These reflectors have been used for some years in other parts of Canada and the United States and have been found to be quite practical. The penetrating qualities of an oil lamp on a carriage would be practically nil while an electric light would be out of the question. A satisfactory solution seems to lie in the reflector—that is one properly designed and approved by the proper authorities. The necessity of lights on horse drawn vehicles is so obvious that discussion is not necessary."

not to amend what may be defective in section 98, but to do away with that section altogether. I would ask the house to look at the question in this way: Is there any hon. member or any citizen in Canada who is prevented by section 98 of the criminal code from expressing his ideas? I have spoken in this country for the last thirty years, sometimes on rather ticklish subjects, and I have not yet found myself in any jeopardy on account of this section. No man, whatever ideas he may have to express, whether they are the most conservative or the most advanced, is deprived of freedom of speech by section 98. This section has only one object and one we cannot avoid: it is to prevent the destruction of our institutions by force. You can go on the hustings, on the public platforms, just as you can do in Hyde Park, London, under the protection of the police, and express any opinion, and the law cannot touch you, but the moment you try to incite the people of this country by force, murder, arson, to overthrow our institutions, section 98 steps in. With the worldwide revolution organized today by Moscow, this section is one of the most important we have in the criminal code. There is absolutely nothing new in it; all the paragraphs of

## BANKING

(Continued from Page 1)

was expected to weaken. The English pound was quoted at \$4.02 in Montreal, a gain of two cents.

Canadian banks generally accepted United States funds on a delayed-delivery basis, exchange to be adjusted next week when the United States financial system against starts functioning. Many hotels and other organizations accepted U. S. funds at par pending revision while, as for several days past, cheques on United States institutions were accepted only on a collection basis.

### SIR JOHN AIRD OUTSPOKEN

Among the leaders of the Canadian financial world taking pains Saturday to stress the fact the United States tie-up would, in the final analysis, probably prove a constructive development in the situation at large, Sir John Aird was most outspoken. Sir John, president of the Canadian Bank of Commerce, declared "the Canadians will likely be carrying some of the American banks before we're through."

Sir John added, "it is absurd to suggest there is any likelihood of Canadian bank holiday. Our banks are not affected adversely by the United States banking situation."

### RHODES TO THE POINT

The statement of Rhodes was brief and to the point. "The Canadian banks," he said, "are in a very strong and exceptionally liquid position and wholly capable of meeting any demands made upon them. The situation in the United States arises out of domestic conditions in that country and any reaction upon our position should result to our advantage."

At Montreal Morris Wilson, General Manager of the Royal Bank declared he had no doubt United States authorities would be successful in reaching a successful conclusion of their efforts to untangle the situation.

Earlier, President Sydney T. Smith of the Winnipeg Grain Exchange had pointed out the grain market was holding very steady under the disturbed conditions caused by the United States financial crisis.

Jackson Dodds, General Manager of the Bank of Montreal echoed

### Talk of Gold Embargo

WASHINGTON, March 5.—(A.P.)—Talk of a gold embargo for the United States as a development of the present banking situation continued in Washington tonight.

In semi-official circles it was said such an embargo "was naturally under serious consideration." But there was no direct sign this step to retain the country's gold was regarded as necessary.

### May Close All Banks For A Week

WASHINGTON, March 5.—(A.P.)—United States Government officials who conferred today with President Roosevelt expect him to take action under a war time law to close the banks for a week and impound all currency under the treasury.

They expect Mr. Roosevelt will issue a proclamation carrying this out before business opens tomorrow. There are signs at the White House, meanwhile, that a statement might be issued there within a few hours.

## Death Of Mrs. W. D. Pollock

In the death yesterday of Mrs. W. D. Pollock at her residence on McGill Avenue, Charlottetown lost a well known citizen, beloved by all who knew her. Mrs. Pollock whose maiden name was Miss Mary Hales had been ill several weeks, and had been in failing health for two years. She was 77 years of age and was a daughter of the late Mr. Frederick W. Hales.

Although Mrs. Pollock lived for a number of years in Western United States, the greater part of her life was spent in Charlottetown. She was a devoted member of St. James Church, and took an active part in the work of that congregation. She is survived by two brothers in Western Canada, Arthur and Henry Hales, and one sister, Mrs. T. C. James.

The funeral will be held from her late residence on Tuesday afternoon at 2 o'clock.
