### Commission Fails To Solve Murder

MONTREAL, Jan. 3.—In spite of all facilities of the public, despite the invitations made through the newspapers, despite the large numbers of witnesses heard and despite the fact that it had been ridiculous and foolish—Rousseau

### WATER-KILLED TREES CAN BE MADE INTO PULP

In the development of water covers on Canadian rivers the erection of a dam has sometimes caused large areas of forest land to be inundated. The trees on these areas are drowned by such continuous submersion and the wood appears similar to dead and weathered wood. The use of such wood for sulphite pulp has been regarded as impracticable but the Forest Products Laboratories of Canada, Forestry Branch, Department of the Interior, have made trials of this material and find that the discoloration due to water is hardly perceptible in the unbleached pulp while in the bleached product every trace of colour due to the special nature of the material disappears entirely.

### SEASONING WOOD

A process for seasoning wood, which gives results in 20 days which would naturally take several years, is said to have been invented in France and consists of subjecting the wood to the action of a current of air containing ozone.

### PERPLEXING.

Rastus—No, sub, I nevah stole no haws, jedge, yo' honor.  
Judge—Did you steal those haws?  
Judge—Have you money to hire a lawyer to defend you?  
Rastus—Jedje, but I kin give him one o' de haws.

### Nervous People

That haggard, care-worn, depressed look will disappear and nervous, thin people will gain in weight and strength when Bitro-Phosphate is taken for a short time. Hughes Drug Co., Ltd., guarantees it.

### Commission Fails To Solve Murder
