KIDNEY DISEASE

COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or supressed urination, burning sensation when urinating, etc.

Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes.

On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble.

Miss Albertha B. Clarke, Stony Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them."

Price 50 cts. per box, or 3 for $1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

1. Persons may join the club at any time during the year, but must, of course answer the 52 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8½
