**BELL-FORBES WEDDING AT HIGH NOON TUESDAY A PRETTY AFFAIR**

A very pretty home wedding took place at twelve o'clock Tuesday, June 12th at the residence of Mr. Seymour E. Forbes, 311 Robinson street, Moncton, N. B., when his daughter, Miss Margaret Isabell, was united in marriage to Mr. Frederick Horace Bell, of the T. Eaton Co. Staff and formerly of Charlottetown. About thirty-five immediate friends of the contracting parties witnessed the ceremony which was performed by Rev. Henry Irvine, pastor of the Central United Church. The house was beautifully decorated for the occasion with purple and white lilies. The Wedding March was played by Miss Louise Bedford. The bride who was unattended, was becomingly attired in figured georgette, and carried a shower bouquet of roses, sweetpeas and maiden hair fern. Her travelling dress was Rose Crepe Romaine with navy blue hat and coat trimmed with moleskin fur.

The bride was the recipient of many handsome gifts. The groom's present to the bride was a substantial cheque, and to the pianist a white gold bracelet with amber setting.

Out of town guests in attendance were Mrs. George Snellgrove, Charlottetown; Mr. and Mrs. George Proud, Fredericton; Mr. Harris Forbes, Fredericton; Mr. Harold Forbes, South Devon.

At the conclusion of the ceremony wedding luncheon was served, these having charge and assisting being Mrs. W. H. Uppham, Mrs. Geo. Proud, Miss Kate Storm, Miss Helen Hutton, Mrs. James Lutes and Miss Gladys Bell.

Congratulatory telegrams were received from friends in Boston, Somerville, Mass.; Belleville, R. I., Montreal and other places.

The numerous friends of the popular young couple extend best wishes for a happy wedded life.—Moncton Times (Patriot please copy)

**A STATEMENT RELATING TO THE FUTURE OF THE CHRYSLER CORPORATION and DODGE BROTHERS, INC.**

The widespread public interest in recent events affecting the Chrysler Corporation and Dodge Brothers, Inc., deserves an authentic and official statement and an assurance regarding the future of these two corporations.

Subject to the approval of stockholders, Dodge Brothers, Inc., will be acquired by the Chrysler Corporation, the plan of amalgamation having been recommended by their respective boards of directors.

Each of these great institutions will retain its identity, and will continue, as heretofore, to produce and market its own product in accordance with the high and progressive standards from which motor car buyers the world over have previously benefited.

Each will benefit from the consummation of a plan which unites such tremendous resources in material, manufacturing facilities, financial power and manufacturing genius.

Dodge Brothers will continue to be Dodge Brothers, and Chrysler will be Chrysler. Their products will be separate and distinct and will be continued in production without interruption. Their sales organizations will be unrelated except as they shall mutually share in the advantages of the consolidation.

Both public and dealers may look forward to the greater benefits which the consolidation of such tremendous resources will produce—and the men identified with these businesses may be assured of a stable and definite future, inspired by the progressiveness which has been responsible for this uniting of two great companies.
