WIT'S END CORNER.

Are you standing at "Wit's End Corner."
Christian with troubled brow;
Are you thinking of what's before you,
And all you are bearing now?
Does the world seem all against you?
And you in the battle alone?
Remember at "Wit's End Corner."
Is where God's power is shown.

Are you standing at "Wit's End Corner"
Blinded with wearing pain.
Feeling you cannot endure it,
You cannot bear the strain,
Bruised through the constant suffering,
Dizzy and dazzed and numb?
Remember to "Wit's End Corner"
Is where Jesus loves to come!

Are you standing at "Wit's End Corner,"
Your work before you spread,
All lying begun unfinished,
And pressing on heart and head.
Longing for strength yto do it,
Stretching out trembling hands?
Remember at "Wit's End Corner"
The Burden Bearer stands.

Are you standing at "Wit's End Corner"
Yearning for those you love,
Longing and praying and watching,
Pleading their cause above,
Trying to lead them to Jesus,
Wondering if you've been true?
I'll win them as I won you!

Are you standing at "Wit's End Corner"
Then you're in the very spot,
To learn the great resources,
Of Him who faileth not!
No doubt to brighter pathways
Your footsteps will be moved,
But only at Wit's End Corner"
Is God who is able proved-.

REBUILDING THE RUSSIAN NAVY.

ST. PETERSBURG, June 3— The premier will shortly submit estimates for the rebuilding of the Russian navy. The ships of Rojestvensky and Makaroff, which the Japanese destroyed during the war, are to be replaced by up-to-date battleships and cruisers, the contracts for which will be placed abroad. While there is no doubt that the estimates will be hotly debated in the Douma, the naval program of the imperial council will be forced through in spite of any such opposition.

In connection with these preparations for the building of ships Russia is also planning to reform and reorganize aer navy. It is not at all unlikely that she will have the assistance of British naval officers in this work, a suggestion in which direction has already been voiced by several of the St. Petersburg newspapers. While at first sight it might seem that this is a confession of inferiority which no great power might care to make, this view of the matter is not taken by the czar's advisers. England is now virtually Russia's allay, and what more natural than that in the interest of peace Great Britain should help train a strong peace preserving Russian navy.

There is another and a practical side to the question which no doubt will appeal to British naval authorities like Mr. Churchill. Outside of the Black Sea and the Baltic Russia's ships projected in the new estimates would find their berths in Oriental waters between Vladivostok and Hainan, where Great Britain is gradually reducing her naval strength. The reduction of the British China station began shortly after Lord Landsdowne negotiated the Anglo-Japanese alliance, and it has continued steadily ever since. A strong Russiaa fleet in Chinese waters would equalize the balance of naval power in the Orient in case any rift should riffle the Anglo-Japanese lute of amity.

THE TEST OF STRENGTH

CHICAGO, June 3—Friends of Colonel Roosevelt have announced that the first real test of strength between their candidate and President Taft will come next Thursday, when R. B. Howell, of Omaha, national republican committeeman elect from Nebraska, will demand to be seated as the successor of Victor Rosewater, acting chairman of the national republican convention, prior to the hearing of contests by that body.

The Roosevelt managers are prepared to make a determined fight to have Mr. Howell seated and if they succeed, they will demand that other national committeemen elect, chosen either by direct primary or state convention, be seated. By this means they may succeed in controlling the national committee and deciding whether Senator Elihu Root, of New York, shall be recommended as temporary chairman of the convention.

Harry S. New, chairman of the subcommittee on arrangements for the convention declined to discuss the plan of the Roosevelt leaders, but intimated that he believed the national committee would not seat Mr. Howell or any other committeemen elect until after the appointment of the convention. He also expressed the opinion that national committee would approve of the selection of Senator Root as temporary chairman and endorse the plan adopted for the distribution of convention tickets.

At the Yarmouth Y. M. C. A. Boy's Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

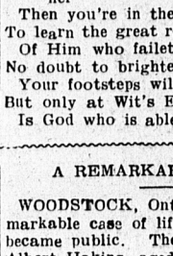
A REMARKABLE RESCUE

WOODSTOCK, Ont., June 3—A remarkable case of life-saving has just became public. The child saved was Albert Hakins, aged eight years. He had been playing on the banks of the River Thames in company with his sisters, Bertha, aged fourteen, and Edna, aged twelve, when he fell in, where the water was about fifteen feet deep. Bertha standing on abridge saw this and plunged after him. She was unable to swim, but managed to paddle to the shore, leaving the little boy, whom she could not aid. The younger sister tnen seized a fishing pole, which they had been using and in a last hopeless effort to save the child, cast the line at him. Providence was kind and the hook caught in his clothing, thus allowing the girls to draw him to shore, altho he was almost past rescue.

MOTHER OF LARGE FAMILY

Tells How She Keeps Her Health — Happiness For Those Who Take Her Advice.



Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, Lydia E. Pinkham's Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has helped her.

"I am always ready and willing to speak a good word for Lydia E. Pinkham's Vegetable Compound. I tell every one I meet that I owe my health and happiness to your wonderful medicine." —Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy for woman's ills known.

"Don't Eat Them ALL, Grandpa!"

It's no wonder Maple Buds taste **good**, and it's no wonder mothers everywhere are encouraging the little folks to spend their pennies for them.

Maple Buds are nothing more than the best of chocolate, pure milk and sugar—things the doctor would recommend to build up a sickly child. The most delicate child can digest them.

The distinctive flavor of Maple Buds is entirely due to the use of only the best chocolate. The fine velvety texture comes from grinding and grinding through innumerable steel rollers.
