ACCIDENT AT PICTOU—A de-plorable accident occurred Tuesday evening at Pictou. What the Stanley was loading coal at the pier her carpenter, namely, Barclay of Matland, N. S., got his foot caught in the wire hawser as the steamer was being hauled up to the pier. His foot was completely severed just above the ankle. The accident was witnessed by quite a number on the wharf, and Barclay bore the terrible pain like a hero. He was taken to the hospital in Pictou.

FLOWERS FROM THE BATTLE-FIELD—In May last Mr. James Paton, M. L. A., sent a bouquet of May flowers to his old employee, Pte. Harry McDougall, who went with Capt. Stanley's battery to France. In a letter of acknowledgment Harry writes: "Thanks very much for May flowers. They sure remind me of P. E. Island. I'm enclosing you some flowers picked very near a place that has seen some real scrapping. Shell holes are all around them, but they seem to defy the German artillery and bloom as though there were no war on." The flowers seem to be wild roses, and have a delightful fragrant perfume.
