

The skin rids the system of more urea than the kidneys?

Nearly one fifth of the waste products of the body is eliminated by the skin. Suppose there is some unsuspected, unseen skin trouble—the pores are closed—the skin is unable to rid the system of its share of the waste.

Then the blood carries this waste product to the kidneys—immediately they are overworked—they strain to throw off the extra load. What the kidneys can't possibly eliminate, the blood takes up again and deposits on the nerves.

Then come the dull aches in back, hips and head—the nerves unstrung and irritated—the urine charged with impurities and highly colored—and you fear you have "Kidney Trouble."

Nonsense. Your kidneys are overworked—not diseased. What you need is "FRUIT-A-TIVES" to act on the skin.

Fruit-a-tives

(or Fruit Liver Tablets)

open the clogged pores—start up healthy skin action—and let the skin perform its natural function. This instantly relieves the kidneys of overwork—the back-aches stop and the complexion is beautified. There is no excessive waste matter in the blood to bring dull headaches—the urine is cleared—the bowels are opened and regulated—and the kidneys strengthened.

"FRUIT-A-TIVES" act directly on the three great eliminating organs—Skin, Kidneys and Bowels—make them well and keep them well. That is why "FRUIT-A-TIVES" cure so many cases of apparent kidney disease that are really skin troubles.

"FRUIT-A-TIVES" are fruit juices—in which the natural medicinal action of fruit is many times increased by the secret process of making them. Valuable tonics and antiseptics are added and the whole made into tablets—the finest formula known to medicine.

Buy them—try them—and cure yourself at home. 50c. a box—6 boxes for \$2.50. At all druggists or sent on receipt of price.

PANDORA RANGE

A Strikingly Handsome Range

The owner of a Pandora is always proud of the impression this strikingly handsome range makes upon her neighbors.
The solid, compact appearance of the smoothly finished body, the bold, large pattern of the carving, and the brilliance of the heavy nickel coating, combine to produce an effect that is distinctly pleasing to the eye of the most critical observer.

The Pandora Castings undergo a "special process" to make them easily and quickly take a lustrous shine.
The Nickeling is done with extraordinary care—will not chip and crack like the nickeling on ordinary stoves, but will retain its smoothness and brightness for years.
Because of the absence of any fine, fancy carving, which catches and holds the dust, the Pandora is much more easy to polish and will remain clean longer.
Altogether, the Pandora is a very superior range.
If your local dealer does not sell the Pandora, write direct for free booklet.
