

Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation. To treat these eruptions with drying medicines is dangerous. The thing to do is to take

Hood's Sarsaparilla and Pills

Which thoroughly cleanse the blood, expelling all humors and building up the whole system. They cure. "I was greatly troubled with small boils, caused by working among the oil at the refinery. Hood's Sarsaparilla was recommended to me as the best blood medicine obtainable. I began taking it, and though many other remedies had failed to benefit me, three bottles of Hood's fully and permanently cured me." Angus Fisher, Emeric St., Sarnia, Ont.

Hood's Sarsaparilla promises to cure and keeps the promise.

NEWSON of Holt & Newson, Boston produce dealers well known to many Island shippers, who has been on the Island visiting his old home at Crapaud since Monday last and looking into the prospects of the Island produce market, came to the City yesterday and leaves next Tuesday on return to the "Hub." The firm of which Mr. Newson is a member handles an enormous amount of produce, their trade in potatoes being well up to the half million mark each year. Mr. Newson does not anticipate as large shipments as last year, from this province to Boston this season owing to the extremely high price prevailing, and the keen competition from the State of Maine where their largest purchases are made.

At a meeting of the Abegweit Football Team last evening the action of St. Dunstan's College in refusing to play the game scheduled for today was considered. After a good deal of discussion the team decided that though they might as a matter of course claim the championship by default they would not do so. They resolved to make an effort to get the game on next week and left the matter in the hands of their managing committee Messrs. Thomas Trainor, C. J. Macmillan and A. A. Sullivan. It was also resolved on motion of Mr. Sullivan seconded by Mr. B. Thune that a wreath be sent to the late Mrs. Donahoe's family as a mark of the sympathy of the Abegweit Club. A PRETTY AUTUMN WEDDING. One of the most fashionable events of the season took place at the home of the bride's father Reuben Bulman, New Glasgow, Wednesday evening last, it being the occasion of the marriage of his daughter Desda to W. W. Smith, a popular young merchant and postmaster of the same place. Rev. A. N. Simpson pastor of the Christian Church officiated. The bride looked charming dressed in a pretty gray suit of crepe de chene with pink chiffon trimming and was attended by Miss Elythe Read who also looked charming in a suit of white organdy. The groom was supported by Melville Birdshaw. After the ceremony the company repaired to the dining hall where a sumptuous repast was partaken of. The remainder of the evening was whiled away by music, songs, speeches, and recitation. George Smith the father of the groom and an old respected resident of New Glasgow delighted the company present with a recitation entitled, "An address to the Clyde" composed some years ago by himself to which Rev. A. M. Simpson made some complimentary remarks. About ten o'clock the bride and groom accompanied by the invited guests who were their immediate friends and relatives left for their new home where a reception was tendered. The bride who is a favorite with all in this City and New Glasgow received numerous costly presents. The Guardian joins in extending best wishes to Mr. and Mrs. Smith.
