

ANNUAL MEETING

(Continued from Page 9)

building. We recognize that the Church and Sunday School are the medium of religious instruction.

We have felt this year more than ever before the active and hearty co-operation of all the Protestant Ministers and their congregations.

Sunday Evening Services: Our Sunday evening services for Students and young people were held from Oct. 16th right through until the last of May. We feel that our services have been more successful than in the past. We have made use of as many young men and students in conducting the meetings; we have had numerous laymen as speakers as well as all the city ministers.

The services of Mrs. J. A. Lawson were secured to lead the singing and to build up a choir of young people. This new departure was indeed a step in the right direction.

The following churches Trinity, Zion, St. James', St. Paul's, Baptist and Central Christian.

Our average attendance each week was 345 or a grand total of \$900 for the twenty-six meetings.

Boys' Work: Our Boys' Work program has been an active one, but yet we have not been able to do all we would like. Our limited space is a big handicap, where Juniors, Students and Seniors all mix in the one set of game rooms specialized work is very difficult.

Some features of our boys' program are: regular gymnasium classes twice a week, Oct 1st to May 1st. We held five or six moving picture shows, two illustrated lectures, three Junior suppers, numerous outings, hikes and bowling matches each Saturday morning. Earn and Give Campaign for Foreign Work lasting through Nov. and most of December. Our Boys Sunday Morning Meetings were carried on for over three months during the Fall and Spring seasons. Boys' camps were held for both Junior and Intermediate members. About 25 "Y" boys attended Junior camp and 16 older boys attended the H-Y Club camp.

Y. M. C. A. Camp at Canoe Cove: The various camps held there last Summer were as follows: 1st group—Y. M. C. A., M. R. E. O. Joint camp. Attendance ... 90 2nd group—C. G. I. T. Girls. Attendance ... 60 3rd group—Presbyterian Summer School. Attendance ... 30 4th group—Rotary-Gyro Community Camp. Attendance 45 225

The above camps occupied our site from July 3rd until August 23rd. We now have one permanent dining hall and kitchen and three sleeping huts and tent equipment capable of handling from 40 to 90 people per day.

H-Y Club: Our high school club known as the H-Y Club is an active group of young men ranging in ages from 16 to 19 years. The club meets each Friday night at 6 o'clock for supper, sing-songs, talk or lecture and business. These boys are interested in Athletics and generally have an A1 team representing them in Basketball, Hockey, Baseball and other lines of sport. They also help the Association in many ways by giving Junior leadership in the gymnasium, coaching basketball teams and they stand four square for their school or college life.

Each year they have their own Summer camp with either member of your staff as camp leader. The H-Y Club has a meaning and a real place in the life of every member.

B-Y Club: This is a club designed to interest the boys from 14 to 16 along similar lines to the H-Y Club. This group was organized early in the Winter with fourteen members most of whom stayed with the club until its last meeting. This Club meets each Wednesday at 6 p. m. for supper and short program. Interest in this organization has held up and now the boys are finding their own program and arranged for numerous basketball, hockey and baseball games during the past six months.

Y's Men's Club: This is our Senior Service Club and as the years roll by this club increases in value to the Y. M. C. A. Its members find more service tasks personally and as a whole the club is putting its shoulder to the wheel of helping the Association in many phases of its work.

A few outstanding events put across successfully for raising funds were: Three annual dances for Y's Men and their friends, one moving picture show. Assisting Directors in the Annual Financial

Drive. They assisted in many other ways the work of the Y. M. C. A. and during the year contributed the sum of \$300.00 to the finances of the Association. Mr. T. W. Bentley is their immediate past President and Mr. W. R. LePage is President. Athletic Meets: The six main athletic meets we concentrated on were The Patriot ten mile road race in May, the Halifax Herald ten mile marathon (symbolic of the Maritime Championship) in June, The Maritime Track and Field Championships in Truro, N. S., July 1st, The Orange Tea Sports at Bradabane, July 12th, The Annual School Boys Athletic meet on June 24th. On June 27th we ran our own Y. M. C. A. track meet which brought out a large number of competitors.

The Labur Day Sports were also in charge of the Y. M. C. A. staff and the final meet of the season, the Central School Fair Athletic meet was also handled by our Secretary.

The assistance given by the staff of the Y. M. C. A. at all these various meets and the help given to hundreds of competitors did much to assure the success of the numerous meets and to show the Athletes themselves that the Y. M. C. A. was behind them and was ready to help them at all times.

Membership: Our paid up membership run up to about 500, this is just about the same as last year, but somewhat lower than 1931 and 1930. In the vicinity of 100 boys and men were carried along this year, allowed the use of our facilities who were unable to pay their usual membership fees. No boy or man was turned away from enjoying what the Association had to offer them (except two or three undesirables).

Girls Work: We have about 100 young ladies, members of our Physical Dept. who come once a week for their gym period of Basketball, Volleyball or Badminton. Their attendance has been very good and compares favorably with other years, only the total girl membership is down somewhat owing to economic conditions.

Finance: We desire to mention the good work of our Finance Committee under the chairmanship of Mr. W. M. Rowe, who will bring before you the financial report for the year 1932-33. I know you will agree with us that it is a very excellent report.

We are glad to report that our recent campaign for maintenance funds was most successful and when all reports are completed it is hoped that the amount secured will be as high as last year.

Staff: Our staff for the year consisted of our General Secretary, R. A. Pendleton, Physical Director, G. F. Partridge, and H. A. Craig in charge of the Bowling Alleys and House. Staff for the coming year will be considered at the first meeting of the new Board of Directors.

Ladies' Auxiliary: We must pay our tribute to the members of our Ladies Auxiliary, who are under the capable and congenial leadership of Mrs. Jean Crockett, served us so faithfully and was through out the past year, to record at the 77th Annual Meeting our grateful and earnest thanks for the efficient way they have assisted in the work of the Young Men's Christian Association.

The retiring President, Mrs. Crockett will present her report at this meeting. Their new President, Mrs. Dan McLean has already taken over her office and duties and has planned all the numerous suppers which have already been held in May.

We extend our hearty thanks to this group of loyal workers who during the year besides many other expenses earned and gave to the Y. M. C. A. the large sum of \$500.00.

Meetings: Our rooms have always been open for general or special meetings of many organizations outside of our own and in this respect have many gatherings held here. Your Directors welcome these meetings and trust that in the years to come that we may be able to serve you better than in the past.

In General: Many important activities of this Association have had to be passed over or merely mentioned in this report. Numerous acts of co-operation with the community in general, with the churches and schools were engaged in by our staff thus bringing the Y. M. C. A. closer than ever to our whole constituency.

In Closing: Your Directors and staff thank those who have so generously given to our Association of their time and money to increase the usefulness of the Y. M. C. A. to Young Men and Boys and to the Young Ladies as well, many of whom have no other place to turn for physical recreation during the Winter months.

We gratefully acknowledge the whole-hearted support and courteous treatment accorded us from

the press of our city. To the ministers and other Christian workers of Charlottetown who have loyally supported our work during the critical year just past, we extend our thanks and offer our co-operation for further Christian work in our city, especially for work among boys. We hope that our Association during the coming years may give more and better service in Christian work for our Lord and Master. It is the desire and purpose of the Young Men's Christian Association to work with and for the churches of Charlottetown. We ask for God's divine leadership and blessing for without Him we can do nothing. We pray that the influence of the Charlottetown Y. M. C. A. may increase, and that it may continue to lead many young men and boys to know and to acknowledge Jesus Christ as their Lord and Saviour.

DR. J. A. CLARK, President. RAY PENDELTON, General Secretary.

REPORT OF THE PHYSICAL DEPARTMENT

Attendance. From the standpoint of attendance, the past year was the most successful that the Physical Department has known. The following is a comparative statement for the past three years:

Table with 3 columns: Year, Men, Ladies, Total. Rows for 1930-31, 1931-32, 1932-33.

The attendance by months for the year was as follows: May, June and July, (No classes held); October, 1295; November, 1496; December, 1672; January, 1917; February, 1781; March, 1759; April, 1551; Total—11371.

The classes for the year and the enrollment at each, is as follows: Juniors, 40; Intermediates, 22; Students, 45; Business Men, 16; Volleyball, 36; Handball, 12; Badminton, 10; Halifax Herald 20; H-Y Club 22; Y's Men 12; Seniors 22; Basketball 18 teams. Approximately 150 matches played.

Ladies—Ables Sisters, 16; P. W. C., 20; Prince Street, 12; West Kent, 12; Nyedals, 12; Badminton, 5 gr-ups. Average enrollment 5.

Special Classes—Ables Hockey Team, 14; Tux's Boys 12. There were 220 boys and young men enrolled; 50 seniors; 90 girls and women.

Remarks: Callisthenics, marching, apparatus work, tumbling, handball, basketball, volleyball, boxing, indoor-hockey, and numerous other games held the interest of the members throughout the year.

From now on the work of the Physical Department will be confined to an out-of-door program. At the present time we are planning to erect standards at Victoria Park for Basketball and Volleyball. Equipment for Cricket and Softball is available and these games will also serve to keep the Physical Department of the Y in touch with its members during the summer months.

Basketball: There was a great revival in this game during the past season. A "Y" House League and a City League was played, the former being won by the H-Y, and the latter by the Senior Y. Teams from Halifax, Sackville and Moncton played teams from the Y. These matches were witnessed by large crowds of spectators.

The Physical Director was given volunteer assistance during the year by the following members and extends his thanks to them: Walter Goss, Earl Goss, Frank Storey, William Partridge, Albert A'Dair, and Mr. Albert Dennis, who acted as pianist.

Now that we have passed another successful year we should plan to make the next one still better. It is with this idea that the following suggestions are offered:— A checking over of the Heating System of the whole building to make the gymnasium comfortable for classes, spectators and instructor.

The erection of bleachers to give greater and more comfortable seating capacity.

The procuring of some new equipment, new mats, dumbbells, wands, Indian clubs, wall racks, and relay stands.

The formation of a Badminton club. In general we feel that we have had a very active season. Many members unable to contribute to the Association were taken care of by the Physical Department and allowed its privileges. The service thus rendered both in these non-paying members and members in good standing will readily be recognized as a very important factor in the keeping up of youth's morale through the present economic crisis, the effects of which are so well known by those interested in Association work.

Respectfully submitted, G. F. PARTRIDGE, Physical Director. L. J. STACEY, Chairman Physical Committee

CENTRAL GUARDIAN

This column is reserved for Queen's County news of local interest but advertising of a new nature may be inserted at 4 cents a word strictly payable in advance.

CHURCH OF SCOTLAND—Central Parish. Services on Sabbath, May 28th, in Canoe Cove at 11 a.m. and Nine Mile Creek at 7 p.m.

MARSHFIELD BAPTIST CHURCH—Special young people's service Sunday, May 28, at 8.15 p.m. Dr. A. C. Vincent of Charlottetown will be the speaker.

PAINFUL INJURY—Mr. Joseph Fisher of Riverton, P. E. I., was badly bitten by a fox which attacked him while being fed. The furious little animal seized Mr. Fisher by the hand, sinking its sharp teeth through the fleshy part of the palm. Before the animal could be shaken off the hand was terribly lacerated.

FUNERAL NOTICE—The funeral of the late Luther George Douglas will be held on Saturday, May 27 from the home of Mr. J. Lester Douglas, 179 Grafton St., service starting at 2 p. m., funeral leaving at 2.30. Interment People's Cemetery.

Sweden To Take Finest In Drama Into Provinces

STOCKHOLM, Sweden, May 25—(C.P.)—A nation-wide and unified organization of the theatrical activity in Sweden is planned by the Swedish minister of education and worship, Arthur Engberg, and a committee has been appointed by the Government to draw up the lines for this new work. The plan, which will be sponsored and controlled by the state, is intended to provide increased opportunities for the provincial districts of the country to enjoy good dramatic and musical art performed by first-rate artists.

The committee proposes that the Royal Dramatic Theatre and later perhaps the Royal Opera in Stockholm should organize provincial tours with specially engaged artists reinforced by leading actors and actresses from the Stockholm stages and that societies of playgoers should be organized in the provincial towns to safeguard the economic part of the activity.

Sweden has a number of travelling theatrical societies and local theatre buildings in most country towns. During the summer season there are excellent open-air stages in many places including the popular public park theatres. These park theatres this summer will send out 15 different groups with together 250 artists and about 50 programmes to hold performances in about 130 different places.

MORGAN'S STATEMENT

WASHINGTON, May 25—(A.P.)—The text of J. P. Morgan's statement to United States Senate investigators today on how he happened to pay income taxes to Great Britain in the last two years although not to the United States: "I was asked yesterday whether I paid any income taxes to any foreign government and replied that I had paid income taxes to the British Government.

"May I state that my income tax to the British government is paid upon a statutory basis and is estimated by the inland revenue authorities, they basing their estimates upon the fact that I own property in Great Britain.

"I paid an assessment during 1930 for \$7,000 and approximately similar amounts for 1931 and 1932. The English income tax includes a tax on the rental value of property owned which the owner uses and which would have increased his income had he rented it.

"It does not include any capital gains and losses." After concluding the written part Morgan added: "I take great pains and have all my life to pay all the taxes I am called upon to pay by the various governments, not to underpay and not to overpay."

"Then the fact that you paid no income tax here in 1931 and 1932 because your losses were greater than your income?" asked Baroley (D, Ky.) "That's it," Morgan replied. "My losses were greater than my income."

CLARK—At North Wiltshire, on Wednesday, May 24, George C. Clark, aged 72 years. Funeral from his late residence on Friday, May 26th, service starting at 2 o'clock. Interment North Wiltshire Cemetery.

IN MEMORIAM

In loving memory of John Trainor who died May 26th, 1932.

A light is from our household gone, A voice we loved is stilled, A place is vacant in our home, That never can be filled.

Inserted by his Wife and Family.

DEMANDS

(Continued from Page 1)

sador is accomplishing signal success in attacking humanity. He is sowing the seed of international hate and illwill on which wars thrive.

"We sent Mr. Davis abroad to negotiate a disarmament treaty and he has been a most efficient representative.

Davis in a statement issued yesterday at Geneva said that he had borrowed \$50,000 from the Morgan Company several years ago and was paying it back. Testimony before the committee this afternoon by George Whitney, one of the Morgan partners, disclosed that he had raised the loan to \$75,000 at the time but now had reduced it to \$10,000.

Robinson, in the first reference on the Senate floor to the Morgan inquiry, wanted to know if Davis was representing the Morgan house in Europe, called him a "mythical ambassador" never confirmed by the Senate and added:

"He should be brought back from Europe because the American people have lost confidence in him. He should be recalled."

Turning to Woodin, and citing to Senators that he had been named before the banking committee as one of the Morgan customers who were offered stock at low prices several years before he became secretary of the treasury, Robinson said:

"Mr. Woodin is occupying an enviable position, with vast powers that call for the confidence of the people behind him. He cannot now command that confidence. His usefulness as secretary of the treasury is ended."

He reminded Senators "the internal revenue bureau is right in the treasury and the secretary of the treasury also directs the collection of income taxes."

"It is a definite shock to the nation that J. P. Morgan is too poor to pay income tax in the United States. But, at the same time, he can find money to pay income tax in England."

Senator Wheeler, Democrat from Montana, interrupted to observe that the Morgan inquiry "has shown the difference between the British system and the American system in dealing with these financiers."

FAMOUS CAT DIES, FOOD TOO RITZY

JACKSON, COAXED AND STUFFED BY MAYFAIR'S FAMOUS, COULD NOT TAKE IT.

LONDON, May 25—(C.P.)—Jackson was only a cat, but he was the most famous cat in Mayfair. Kings looked at him, and he seldom deigned to look back. Jackson was the mascot of the Embassy Club in Bond Street. He has figured in novels, caricatures, and innumerable gossip columns. Now he is dead at the comparatively early age of eight.

Like other martyrs to the cause of High Life, he died of acute indigestion. It is impossible to estimate how much smoked salmon, foie gras, leg of chicken and caviare he ate in those eight years. Guest after distinguished guest tried to pay court to him with titbits. Often he turned disdainfully away, but not often enough. It got him in the end.

Lambent green eyes, arched back, tail stiff as a ramrod, he walked aloof. Sometimes he would decide in a sudden fancy to sit on the knee of a millionaire or the lap of a film star. No one dared move him then. Sometimes he would jump through a human hoop formed by a waiter's arms—his only parlor trick.

Jackson junior reigns in his stead—a small black kitten barely a month old. At his first appearance, he tasted caviare, blue trout and quail—and he found them all good, far too good for any kitten which hopes to live past the age of eight.

WISDOM

Wisdom never forgives. Whatever resistance we have offered to her law, she avenges for ever; the lost hour can never be redeemed, and he accomplished wrong never undone.—Ruskin.

NEW MARKETS FOR CANADIAN COAL

MONTREAL, Que., May 25.—Nova Scotia and British Columbia coal have been proved suitable for use in the manufacture of coke and are likely to be used to a considerable extent in this connection, states the Natural Resources Department of the Canadian National Railways. This will mean approximately 150,000 tons of coal from the Sydney area alone, in Nova Scotia, will be utilized for the making of coke in Montreal to replace coal hitherto imported. The Michel coal from the Crows Nest Pass area, British Columbia, under test also shows up well and there is a market for 50,000 tons in the generation of electricity in Winnipeg which will also displace imported coal.

BEEF GRADING REGULATIONS EFFECTIVE

A proclamation has been issued by the Executive Council putting into effect in this Province the beef grading regulations under the Dominion Livestock Act.

The regulations have been in effect for some time in various parts of Canada as far east as Three Rivers. They provide for the grading of beef either at the slaughter house or store by the Dominion Department grader. The meat is graded on the points of weight, thickness and quality. There are two grades, "red ribbon" and "blue ribbon." A special stamp is used and the carcass is carefully marked, each cut carrying the stamp.

In sections where the plan has been carried out meat stores generally handle the two grades and no other.

ANGLO-TIGNISH INSTITUTE

The May meeting of the Anglo-Tignish Institute was held at the home of Mrs. Joseph Shea on May 17th. Roll call, "Pinning the tail on donkey," was responded to by eleven members. There were about twenty visitors present.

The minutes of the last meeting were read, moved by Mrs. Clotus Gavin, seconded by Mrs. Frank Ready.

The reports of the Sick and School Committees were taken and new ones appointed, viz: School, Mrs. Clotus Gavin, Mrs. Frank Ready; Sick, Mrs. John Shea, Mrs. James McInnis.

It was moved and seconded that a Mass be offered for the success of the crops and the fishing.

It was decided that roll call for next month should be answered by "Whistle or Sing." Mrs. John Shea invited the members to her home for the June meeting.

After the meeting, what was played, till the hostess, assisted by her two daughters, The Misses Eva and Naome, served a delicious lunch. The singing of the National Anthem brought the meeting to a close. The whist prizes were won by Mr. Pat Hogan, Mrs. Pat Hogan; Consolation, Miss Eva Shea, Mr. Howard Shea.

PROGRAMME

Duet, "Spring's Caress," Calvin. Misses Florence Dalton and Mary Hogan. "Echoes of the Ball," Gillet. Miss Mary McDonald. Saltarelle, "Caprice," Lack. Miss Mary Hogan. Song, "Carols of Cheer." Rondo, "Capriccioso," Mendelssohn. Miss Margaret Smith. Study in E flat, Burgmuller. Miss Florence Noonan. Recitation, "Mr. Jazz," Miss Mary McDonald. Butterfly, Merkel. Miss Florence Dalton. Hungarian Rhapsody, Liszt. Miss Margaret Smith. Elementary and Intermediate Certificates. Good-night Song. S.

LOCOMOTIVES NOW MAKE LONG CONTINUOUS RUN

MONTREAL, Que., May 25.—Conversation between motorists usually includes the query "How many miles to the gallon?" Among the railway officials charged with operating and maintaining locomotives the question is "How many miles to a run?" On the Canadian National Railways locomotives are making runs of 800 miles without change, drawing heavy all steel passenger trains. The longest one-engine run is performed by the "Continental Limited" between Winnipeg, Man., and Edmonton, Alta., 801 miles. This increased service gotten out of locomotives is due to employment of steel alloys in wearing parts, mechanical lubrication of cylinders and valves, use of grease instead of oil in lubricating wearing surfaces and other refinements in design. There is as much difference between a 1933 locomotive and one of 1918 as there is between two motor cars of the same vintage.

"ADAM BEDE" COTTAGE SOLD FOR \$975

MANCHESTER, England, May 25.—(C.P.)—Adam Bede's cottage in Derby Road, Wirksworth, Derbyshire, which was the setting for George Eliot's famous novel, "Adam Bede," has been sold by auction. The property belonged to a resident of Manchester and the new owner is W. Doxey, a local newspaperman, who paid \$975 for it.

For Baby's Bath More than that of any other member of the family, baby's tender, delicate skin needs the greatest care and attention. The soft soothing oils in Baby's Own Soap make it especially suitable for babies, and its clinging fragrance reminds one of the roses of France which help to inspire it. "Its best for you and Baby too!"

FRIDAY 7.00—Choir Rehearsal. MISCOUCHE CONVENT

The pupils of Miscouche Convent held a very high class piano recital on Tuesday evening, May 23rd, and some excellent pieces were heard and enjoyed by the parents and friends of the pupils.

A pleasing feature of the entertainment was the presentation to Miss Margaret Smith of McNeill's Mills, of an Intermediate Certificate, awarded by the Art Publication Society, St. Louis, Missouri. The Progressive Series of piano lessons is taught only by teachers who have taken the Society's normal course and passed rigid examinations.

The course includes the theory and practice of music. The former has thirty-six lessons for the intermediate grade and includes principles of artistic piano playing, advanced ear training, harmony, melody writing, counter point and the history of music from the earliest stages up to the ultra modern composers of the present day.

Miss Smith passed so well in the four final examinations required of this grade as to claim an average of 97.70

As a test Miss Smith was given two compositions, one "Rondo Capriccioso by Mendelssohn and the other an Hungarian Rhapsody by Liszt. These difficult compositions Miss Smith played from memory, before an audience which appreciated the technical ability of the player and her artistic touch.

Rev. Father Monaghan, who presided at the recital, highly congratulated Miss Smith on her success and mentioned particularly that he admired the pupil who could play from memory.

He also congratulated the other pupils and said that although there were not quite so many pupils this year owing to the depression, the quality of the work made up for the usual quantity.

Mr. Smith, Margaret's father, spoke a few words of appreciation for the convent and especially of the painstaking care of Sister St. Mary Phelias, music teacher, to whom his daughter owed in a great measure her success.

Miss Smith received hearty congratulations from her friends on the success she had attained in her chosen profession, the teaching of music.

The Misses Mary Hogan and Florence Dalton, both of Summerside, received the Elementary Certificate and received congratulations.

POST NUPRIAL RECEPTION—Mr. and Mrs. Ephraim Phillips gave a reception on Wednesday evening at their lovely home in Tyne Valley in honour of their daughter Georgie, who was recently married to Mr. Cecil Birch. Many friends from out of town were present to congratulate the young couple.

Guests present included Mr. and Mrs. John Boates and Mr. and Mrs. G. W. Hogg, of Summerside. The evening was pleasantly spent in music and social games. Mr. and Mrs. Birch received many lovely gifts of silver and china, and other beautiful and useful presents. A dainty supper was served by the hostess, who was assisted by some of the young ladies. Heartiest congratulations were showered on the bride and groom as the guests took their departure.—S.

IN MEMORIAM

MISS LOTTIE ALLEN

The death occurred recently in the Prince Edward Island Hospital in this city of Miss Lottie Allen, who had been in failing health for the past year and who was a patient in the hospital for only a short time. She was a daughter of the late William B. Allen of Charlottetown, and is survived by one sister, Mrs. Catherine Bardwell, of New York. Miss Allen was for many years in the employ of the Island Telephone Company, first as an operator and later as clerk in the accounting department. She retired from the company about two years ago. She was always courteous, obliging and capable, and held in the highest esteem both by the company and by the general public.

SENT TO HOME OF GOOD SHEPHERD—A young girl, who appeared before Judge Inman in the Juvenile Court on Thursday, on a charge of vagrancy was sent to the Home of the Good Shepherd in St. John, N.B.—S.

CONGRATULATIONS—Mr. E. H. Strong, K.C., and Mrs. Strong are receiving the congratulations of their friends on the arrival of a little son on Victoria Day in the Prince County Hospital.—S.

GIVEN SUSPENDED SENTENCE—His Honour, Judge Inman, gave a suspended sentence in the case of Theodor Hayes, a seventeen year old youth, who pleaded guilty to trying to pass a forged cheque and who had been up before His Honour under the Speedy Trials Act. His Honour, on account of the prisoner's youth, suspended sentence, the young man entering into a recognizance of two sureties. Provision was also made that he be placed in a foster home and taught a trade. He was required to keep the peace and be of good behaviour and to appear and receive sentence whenever required. He was placed on probation, being required to report to the Sheriff of the County periodically.—S.

POST NUPRIAL RECEPTION—Mr. and Mrs. Ephraim Phillips gave a reception on Wednesday evening at their lovely home in Tyne Valley in honour of their daughter Georgie, who was recently married to Mr. Cecil Birch. Many friends from out of town were present to congratulate the young couple.

Guests present included Mr. and Mrs. John Boates and Mr. and Mrs. G. W. Hogg, of Summerside. The evening was pleasantly spent in music and social games. Mr. and Mrs. Birch received many lovely gifts of silver and china, and other beautiful and useful presents. A dainty supper was served by the hostess, who was assisted by some of the young ladies.
