We are instructed by the owner Lawrence C. Worthy, E. Q., to sell at Public Auction on Tuesday, the 25th inst., commencing at 2 o'clock p. m., on Connolly's Wharf in Charlottetown a quantity of lumber including plank, deal and cedar scantling, also about 1700 cedar posts. Terms Cash.

### Turnips!

The accompanying illustration is a genuine photograph of a specimen of Carters' "Hazard's Improved" Turnip grown from seed purchased at our Seed Store by James Partridge, Esq., Summerside, and grown in his field together with many other Turnips of same variety nearly as large. Four other turnips weighed 9 1/2 lbs. combined. We have no hesitation in saying that this Turnip weighing as it did 25 pounds is the heaviest Turnip of the Swedish variety at least grown in the Maritime Provinces, or perhaps in Canada. Don't experiment with cheap so-called "Hazard's Improved" sold by foreign Seedmen. They haven't got the genuine "they can't get it." Our stock is grown annually for us from selected roots. We have sole control for the genuine Carters' "Hazard's Improved Turnip" Seed. Sold only in sealed packages. Price 30 cents per pound.

### ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupies space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagant.—American Medical Journal.
