Pale Faced Nervous Women

Always Grow Strong and Have a Rosy Complexion by Using

FERROZONE

Ferrozone is by long odds the best tonic for pale-faced girls and exhausted women. It forms the right kind of blood and tissue for rebuilding the system. It replaces tiredness by energy and vim, and adds nerve force and staying power. Miss Dorothy E. Leduc, of Chester, gives the following convincing evidence of Ferrozone's power.

"My work compels me to rise early in the morning and work ten hours daily as a saleslady. Last spring I was run down, lost my color and fell off in weight. I seemed to lack ambition and the life was out of me. A friend recommended Ferrozone, and I took one tablet after meals with wonderful results. It replaced my faded complexion and has given me new strength and abundance of energy and spirits. I would advise all young ladies to use Ferrozone.

Mrs. H. G. Wilder, of Dexter, says: "My daughter was not very well last summer and lost her strength completely when the hot weather came. I gave her Ferrozone and am glad to say it did wonders. After six boxes were used my daughter was strong and looked the picture of health. I can recommend Ferrozone to all mothers, both for themselves and daughters."

Go to your druggist to-day and get a supply of Ferrozone. Price 50c. per box or six boxes for \$2.50. By mail from The Ferrozone Company, Kingston, Ont.

There was a good attendance at the Social in St. Mary's Guild Room Monday night, despite the disagreeable weather. The principal features were a Flower Song taken part in by members of the Young People's Society, and musical questions and answers taken part in by the audience. The first prize for the latter was won by Miss McKelvie and the "booby" prizes by L. Romcke and Bannerman Tanton. The selections by Mr. McKelvie in the violin and on harmonica by Masters Mills and Ramsay were much enjoyed. Refreshments were served at the close. The young ladies deserve much credit for what turned out to be a very successful social.

ONE IN FOUR PERSONS

One person in every four suffers more or less from itching piles. Some do not know the nature of their ailment, and others have not heard of Dr. Chase's Ointment as the only absolute and guaranteed cure for this distressing disease. If you are a sufferer ask your neighbors about this great preparation. It has grown popular as a result of the news of its merits being passed from friend to friend.
