BENJAMIN COFFIN.

In the death of Mr. Benjamin Coffin on April 3rd, Bay Fortune has lost one of its very best citizens. The late Mr. Coffin was a man who was held in very high esteem by all who knew him.

He was a good neighbor, considerate, always ready to speak the kind-sympathizing word and do the kind deed when opportunity afforded.

He has left a noble legacy in the memory of a well-spent life. Mr. Coffin was seventy-eight years of age and leaves a widow; two sons, Charles and Duncan of Bay Fortune, and two daughters, Mrs. Ernest Dingwell, of Bay Fortune, and Mary of Denver, Colorado; also three sisters, Mrs. William Aitken, of Springfield, Mass.; and Frances Isabel Brown, of Boston.

The funeral took place on Friday afternoon, April 6th, and was largely attended. His pastor, Rev. A. MacKay officiated at the home and the grave.

"Blessed are the dead which die in the Lord."

ANAEMIC PEOPLE

Need more iron in the blood. If you are anaemic, you need more iron in your blood, and the tell-tale symptoms are a pale face, colorless lips, aching fingers, poor circulation and short breath and more serious diseases are easily contracted when in this condition.

M. L. Trotter of Toronto, Ont., says: "For forty three years I suffered from anaemia, and doctored most of that time, but did not gain as I would like to, I had no ambition for anything and was afraid to go out alone as I had such dizzy spells and would almost fall on the street."

My mother wanted me to try Vinol and three bottles built me up so I felt like a new creature, so I am gladly recommended Vinol to others because of the good it has done me."

The bad effects of poor, devalitized blood cannot be overestimated, and it is the beef and cod liver peptones, iron and manganese peptones and glycerophosphates contained in Vinol that enriches the blood, improves the circulation and in this natural manner builds up health and strength. Try it on our guarantee.
