be moved and options had been taken on properties outside the city limits. Prices and cost of moving the plant would be submitted at a special meeting of the council scheduled for next week. Coun. Foster said.

Coun. Chandler, chairman of the light committee read a supplement to the light committee's report to be read at the monthly meeting. The text of the report appears below.

A resolution was adopted authorizing the City Clerk to call for applications for a provisional police constable at a salary of \$80 per month.

The council also adopted a resolution providing that the next police constable to be appointed by the City of Charlottetown should meet the following requirements: Citizenship—British subject, of Canadian citizenship and a resident of Charlottetown for at least 12 months. Age—From 25 to 30 both years inclusive, provided returned soldier may qualify if under 45 years of age but shall be subject to all other requirements. Marital status—preferably married. Education—full public school course, with leaving school certificate from 10th grade, or equivalent education. Character—Good by record, habits and reputation. Height—5 feet 10 inches. Physique—athletic, with erect carriage, weight well proportioned to height and frame structure. Health—good by examination and record. Excellence of sight, hearing and feet required. Resolutions, authorizing the purchase of cloth for police uniforms and the calling for tenders for the making of the uniforms, and passed at the last meeting of the council were rescinded; and a resolution authorizing the City Clerk to call for tenders for the making of police uniforms, those tendering to submit samples of cloth, passed.

Coun. Henry Lapthorne was welcomed back to the council after an absence of three months.

Coun. Lapthorne expressed his pleasure at being back and thanked councillors for their kindness to him during his illness.

LIGHT CHAIRMAN'S REPORT

Coun. Chandler, chairman, read the following report, a continuation of the report at the last regular council meeting.

"Your Worship:—With your permission I should like to refer very briefly to the statement of Light Committee presented at the last regular meeting of this Council.

"Commenting on this statement of the Council—'Citizen'—wrote: 'The Council boasts of the reduction in the light rates. Some of the reduction was made before this Council took office.'"

"For the information of the readers of this correspondence I would like to list certain events in their chronological order.

(1) Feb. 12, 1936—Civic election held, the present Mayor and Council being elected.

(2) March 1st, 1936—Maritime Electric Co. Ltd., following a conference with the Light Committee, filed new schedule for street lighting, providing a reduction 12 1/2% or a saving of \$120,000 a year.

(3) Dec. 31st, 1936—Maritime Electric Co. Ltd. informed Board of Public Utilities that, commencing immediately, they will charge what was formerly known as "inducement rate" as their regular rate, resulting in a reduction, in the month of January, of \$47,117 from what the charge would have been if computed under the old rate.

"Another correspondent signing himself 'Light Burner' inquires as to the attitude of the Council to the matter of Civic purchase of the plant of the Maritime Electric Co. Ltd. I should like to take this opportunity to assure him that this Committee has not lost sight of the possible advantages of such action, and that I personally, basing my opinion on the knowledge I've managed to accumulate since being elected to this Council, am very strongly inclined towards the opinion he expresses—that this public utility should be municipally owned and operated—and I can further assure him that just so soon as the results of the present valuation are available to us to serve as some guide as to the value of the plant, the matter of Civic purchase will be taken up, and its possibilities explored very thoroughly indeed.

"I must apologize for taking up the time of the Council at this special meeting but your Committee does not want the public to be under any misapprehension regarding a matter of so great importance as the light situation in Charlottetown.

Thank you."

TO PRESENT PLAY—Ligurian players had a very enjoyable social evening recently at the Holy Redeemer Hall. This enterprising group of young people announced that they have started preparations for a new play to be presented early next month.

EVANGELISTIC SERVICES OPEN—Evangelistic services will open in the Central Christian Church this evening. Rev. George W. Titus, Maritime secretary-evangelist for the Churches of Christ will be special speaker, assisted by Rev. S. C. Cooper, the pastor. Rev. Mr. Titus has had very wide experience, carrying on evangelistic work in almost all states of the Union and in six of the Canadian Provinces. His sermons will be short and on the most timely subjects. A cordial welcome is extended to all. Meetings open at 7.45.

Mrs. Noel DeBlais arrived home last evening via Canadian Airways plane from Moncton. Mrs. DeBlais after returning from Jamaica with Mr. DeBlais stopped off in Baltimore visiting her sister Mrs. Story, and later has been visiting her friend Mrs. Irving of Winchester, Mass.

Junior C. W. L. Elects Officers At Meeting

Annual Reports Presented—Miss Mary McFarland Elected President.

The annual meeting of the Business Girls Unit of the C. W. L. was held last evening with the 1st Vice President, Miss Mary McFarland, in the chair. The meeting opened with prayer. The minutes of the last monthly meeting and also the last annual meeting were read and adopted.

The review of the year's work was read by the Recording Secretary; also reports from Corresponding Secretary and Treasurer, all of which showed that much good work was being done by this Unit of the C. W. L.

The Chaplin, Rev. Dr. McMahon, was present and congratulated the girls on their work for the past year.

OFFICERS ELECTED

The following officers were elected for the ensuing year: President: Miss Mary McFarland.

Past President: Miss Margaret Dougan.

1st. Vice President: Florence Hogan.

2nd. Vice President: Breta McCabe.

3rd. Vice President: Emma Kelly.

Recording Secretary: Miss Gertrude Coady.

Corresponding Secretary: Miss Evelyn Connors.

Treasurer: Miss Louise McDougall.

REVIEW OF YEAR

The following report was submitted by Miss Gertrude Coady, acting recording secretary.

"As our Recording Secretary, Miss Kit McKenna, resigned her position last February, it devolved on myself, who was temporarily appointed to fill the vacancy, to give a brief review of our activities for the past year. We had two meetings after our Annual Meeting last April, after which we disbanded for the summer months. Resuming again in September we have had regular meetings ever since, making a total of 9 meetings, preceded by Executive meetings.

"Our activities for raising funds were somewhat curtailed, first owing to the big Parish Bazaar held in June, for the success of which we concentrated our efforts. We as usual, conducted a booth, for which our girls had made some nice varieties and which was very successful. Then again in the Fall, in deference to the wishes of our Rector, Dr. McMahon, we closed down on everything which would interfere with his plans for the raising of funds for the needs of the whole parish. However we had a few cake sales, a rummage sale and sponsored a skate at the Forum, from which we realized enough to pay off the balance owing on our tables and chairs. We also

thoroughly indeed.

"I must apologize for taking up the time of the Council at this special meeting but your Committee does not want the public to be under any misapprehension regarding a matter of so great importance as the light situation in Charlottetown.

Thank you."

A third source of new revenue taxes the income of "one man companies" created to evade the tax while "bond washing" — the selling of a bond at the price which includes the accrued dividend and buying it back after the dividend has been paid, will be checked.

Termed "War Budget"

Labor, although it welcomed the profits growth tax as one striking primarily at big business, nevertheless criticized the speech as a "war budget." Clement Attlee, leader of the opposition, said Labor would fight it because "we are marching straight into another war" and because the budget "is an expression of the foreign policy which is ruining the world." He called the budget "more completely unbalanced than any of its predecessors for \$80,000,000 are to be met from a loan."

tection which we consider the most effective on the high seas, we will not bind ourselves to any particular form of protection."

Foreign Secretary Eden also advised the House the Cabinet's policy was provisional and subject to change as the situation warranted. The ministers spoke after an attack by Labor members who emphasized that announcement two British foodships had reached Bay of Biscay ports indicated the insurgent blockade of Bilbao was not effective.

Mr. Hon. A. V. Alexander, former Labor First Lord of the Admiralty, declared the "circumstances are such that we ought to demand either that the Government's policy be changed or that they immediately resign."

A Labor motion of censure was rejected by a vote of 119 to 49.

English Miners Threaten Strike

LONDON, April 20 — A nationwide strike of 600,000 coal miners appeared likely tonight as the miners' federation announced a ballot taken in England and Wales showed overwhelming sympathy for the projected walkout.

Miners' representatives planned a meeting in London for April 30 to announce when to issue strike notices.

The vote, taken last Thursday and Friday, showed 444,546 members of the miners' federation in favor of a strike with 91,445 opposed.

something to the support of a band.

Coun. Hennessey suggested that the Council was working in the dark. The Councilors did not know the financial position of the Band, what it earned or what happened to the money.

On the suggestion of Mayor Turner, who explained that he understood that a local agency had the matter under investigation and might later call for assistance, the council let the matter of the voting of money for the support of the band stand over.

Continuing his discussion of the estimates Coun. McLeod informed the meeting that the new system of collection of taxes was working out very well. They had been hampered at the start by not being able to get out the notices on time.

Speaking on relief the chairman of finance said that expenditures for relief in the Months of January, February and March was \$31,225. In January there were 2008 persons on relief; in February 2206; and in March 2198. In November \$2116 had been spent in relief and December last year. The time was coming, Coun. McLeod said, when the relief business would have to be called off.

In reply to a question by Coun. Foster, the speaker said that some \$10,000 less had been spent for relief this year over last year.

The City had the guarantee from the governments that they would bear two thirds of the relief expenditure to the end of March.

Little Theatre Vote

After a short discussion \$100 was voted to assist the Little Theatre players participate in the Dominion drama festival at Ottawa next week. A delegation headed by Judge H. L. Palmer had waited on the Council requesting financial assistance, Mayor Turner announced.

Coun. Chandler said, supporting the suggestion, that in the ordinary course of events he would have been on his feet objecting to the expenditure of money. However, the council had been assured by Judge Palmer that there would be no further request for assistance and that it was only because the occasion was a special one, where a local cast had won with a play written by a local resident, that assistance was requested at this time to enable the group to continue in the competition.

Coun. Foster, reporting on the City asphalt plant, said that the public property committee and street committee had learned the plant could be repaired in its present location. But delegations of citizens and business men had waited on him protesting vigorously against having the plant resume operations on its present location. It was a great nuisance near-by residents and it interfered with their business, objected business men.

The Committee had been advised that with care the plant could

Evangelistic Services

will begin at the
Central Christian Church

on Wednesday Evening of this Week at 7.45 with
Geo. W. Titus, Secretary-Evangelist of the Maritime Provinces doing the preaching assisted by the pastor,
Rev. Samuel C. Cooper

These services have been planned for some time, and special features have been decided upon in the way of making the meeting not only interesting but most instructive. Mr. Titus who has held some of the largest pastorates of the Christian Church in the middle west of the United States has had a very wide experience in evangelistic work in nearly every state and in six of the Canadian provinces. He has introduced a very novel feature known as the Question Card which contains one hundred of the most important questions that come up in a series of meetings. These questions are asked and answered each evening from the teaching of the Bible. The sermons throughout the campaign will be short and on the most timely questions.

Special music will also be featured each evening by members of the choir and visiting singers.
