

Cleanliness is Next to Godliness

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by a Board of Health and Health officers.

THE PRINCE COUNTY GUARDIAN

Offices in Summerside Fred. Tanton, Manager and in Alberton Herbert Clark Manager.

—John T. Best, Lot 16, is recovering from his recent illness.

—Those attending the hockey match tonight call down around the corner from the rink and have a hot lunch or oysters at the Crystal Cafe, Summerside. 1-21d1pd.

—The opening of Happyland in the Labor Union hall was greeted with a full house in Summerside last evening and some of the best motion pictures ever seen were thrown on the canvas. The promoters have bought the films outright at the cost \$200 and they certainly are a choice lot of pictures.

—At a recent social meeting of the Presbyterian church choir, Summerside, Fred McSweeney who leaves in the near future for Boston was presented with an engraved gold ring in appreciation of services so generously given to the choir and church. Short addresses were made by Rev. R. G. Strathie, W. S. Bearisto, B. D. Ramsay and others. The ladies served refreshments.

—The managers of Fairyland in Summerside deserve praise for their enterprise and for the excellent entertainment they have been giving for such a moderate price. Following Kimball and Donovan the Passion Play and Joe. Ellis last night Hansone the magician was for the first time seen and as in every other town he took the audience from the start. Hansone is certainly a past master of magic and the things he tried last night are both puzzling and mystifying and every one asks how he does it. Fairyland is fortunate in securing such a high class act and the patrons will no doubt appreciate it.

—The hockey teams of Summerside which compete for the Championship of Prince Edward Island this winter will line up in the Crystal rink against the Abegweits of Charlottetown tonight as follows: FIRST CRYSTALS.

Goal, Alf. Reid. Point, Harry Allen. Cover Point, William McNeill. Rover, George Deagan. Centre, Eddy Perry. Side, Harry Baker. Side, Ubran Gillis, Captain.

SECOND CRYSTALS. Goal, Major Strong. Point, Arthur Allen. Cover Point, Will Phillips. Rover, Arthur Buote. Centre, Stanley Perry. Side, Eddie Webber, Captain. Side, Eugene Adams.

Every precaution will be taken to make this a clear clean, scientific game of hockey and bring this great Canadian game into better favor than has been existing lately with respect to it. Two of the old noted players Rosy Baker and Will McNeill are noticed on the personnell.

—Fred and Harry Heckbert, Wilmet, caught 1500 pounds of smelt in the Wilmot River Saturday.

—Prof. Hansone will give four nights more entertainment in Summerside with a number of new tricks introduced each night.

—The Meteorological records of Summerside give seven degrees below zero for Sunday evening. The high wind which prevailed at the time made it feel like winter.

—The Crystal rink was in splendid shape for skating last night and is as ever a popular place for recreation and amusement. Mr. Hunt, with his usual unaffected generosity, is allowing the children of the Summerside schools a free skate from 3.30 to 5.30 Friday afternoon next, thus allowing the young element to enjoy themselves on the icy arena shortly after school hours.

THE SPIRIT OF WINTER.

The Spirit of Winter is with us, making its presence known in many different ways—sometimes by cheery sunshine and glistening snows, and sometimes by driving winds and blinding storms. To many people it seems to take a delight in making unpleasant things happen. It is a cruel, hard, twinges sharper, catarrh becomes more annoying, and the many symptoms of scrofula are developed and aggravated. There is not much poetry in this, but there is truth, and it is a wonder that more people don't get rid of these ailments. The medicine that cures them—Hood's Sarsaparilla—is easily obtained and there is abundant proof that it cures are radical and permanent.

WONDERLAND

TO-NIGHT

Continued from page 1. prehension in their wonderful perfection.

For some time past the management of Wonderland has had these artists in view as owing to the great demand for first class entertainers great difficulties were in the way. But as ever, Wonderland has succeeded, and tonight opens its doors to these world renowned and unsurpassed performers, The Three Great Juliens.

The picture program will be that of last evening, comprising The Street Fakir, a picture which met a rousing good reception and explained how to get out of a difficulty to perfection. An Unwelcome Legacy and Handling A Battle Ship Fleet showing the dexterous manner in which the ships of the great British Navy are handled, and a film of interest to every loyal citizen of the Old Flag.

Mr. Harney's song "In the City of Sighs and Tears" is new and is illustrated by the most striking pictures some of which show well known places in the great city of New York. Mr. Trainor's song is "Somebody's Waiting For You" This is another gem and the general interest is one that should certainly draw the largest house which has yet filled Wonderland. It's everyone's privilege to attend and no one should miss it.
