### GLAMIS TO FETE CORONATION DAY

**EDINBURGH, May 3**—(CP)—What of Glamis Castle, Scottish home of Queen Elizabeth, and the villagers of Glamis on Coronation Day? They have not been forgotten in preparations. Indeed, it was in this village that the present King was initiated by the former village blacksmith and postman as a freemason. In the Masonic Hall there a caddy to tea, with pictures of their Majesties stamped on it, will be given to old ladies of the village, with tobacco for the old men—children over six will receive a souvenir silver spoon. A dance in the Masonic Hall and a bonfire on Hunter's Hill will be part of the celebration for the daughter of Glamis crowned as a Queen.

### WAKE UP YOUR LIVER BILE

And You'll Jump Out of Bed in the Morning Rarin' to go  
 The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sick and the world looks punk.  
 A mass bowel movement doesn't always get the cause. You need something that works on the liver itself. It takes those good, old Pills of the Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up". Harmon and gentle, they keep the bile flow freely. They do the work of nature, but have no cathartic or mercury in them. The Chamberlain Little Liver Pills by Chamberlain Medicine Co., New York, N. Y.

### GET IN TUNE WITH SPRING!

**Throw off**  
**WINTER WEARINESS**  
 with this natural  
 laxative food

This past winter has been a bad one for "colds" and other weakening illnesses. Get yourself in shape for spring. Keep in mind that "spring fever" is usually the tag-end of a winter of sluggishness.

Give your system a gentle spring cleaning with Kellogg's ALL-BRAN. Eaten regularly, this food corrects constipation due to insufficient "bulk." It also supplies vitamin B and iron.

Within the body, ALL-BRAN absorbs at least twice its weight in water, forms a soft mass, and gently exercises and cleanses the system. Two tablespoonfuls daily are usually sufficient. In severe cases, with each meal.

Serve ALL-BRAN as a cereal with milk or cream, or cook into recipes. Isn't this food better than doing yourself with pills and drugs?

Buy a package of ALL-BRAN at your grocer's, and put spring in your step this spring. Made and guaranteed by Kellogg in London, Ontario.

Serve Kellogg's ALL-BRAN regularly for regularity

### PATCHED BOILERS WITH BRAN MASH

**WINNIPEG, May 5**—(CP)—Memories of days when railroad-rigging was young and duties of an engineer ranged from trimming the wicks of coal-oil headlights to patching blown boilers with bran mash, were revived here when 200 retired employees met as guests at the annual Canadian Pacific Association dinner.

Veteran "Bill Edwards, old time engineer, fondly recalled the celebration that marked the arrival of the "Countess" of Dufferin. Winnipeg's first engine, when she steamed into the growing town—

by boat. The "Countess" was shipped by stern-wheeler from Fargo, North Dakota, as tracks from the east had not yet been laid into Winnipeg.

Shipment of troops to suppress the Riel rebellion in Saskatchewan saw the arrival of the first "through" train from Montreal in 1885, but even then the militia were forced to march over a 100 mile stretch still uncompleted somewhere east of Winnipeg.

Religion was never designed to make our pleasure less. Men who are true to their wives are half way to heaven.
