IN MEMORIAM

MARY LILIAN MCKINNON.

At Selkirk, on Friday, April 8th inst. of spinal meningitis, Mary Lilian, infant daughter of Ronald D. and Mrs. McKinnon, aged ten months.

Sorrowing parents and one little sister mourn the loss of this fair flower, plucked in such tender youth.

But gone unto that school Where she no longer needs our poor protection.

And Christ Himself doth rule. "In that great cloister's stillness and seclusion, By guardian angels led, Safe from temptation, safe from sin's pollution, She lives, whom we call dead."

Thin Folks Who Want to Get Fat

Increase in Weight Ten Pounds or More

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man and woman. Such a result is not impossible, despite vast failures. Most thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are, when the powers of nutrition are normal.

To correct this condition and to produce a healthy, normal amount of fat, the nutritive processes must be artificially supplied with the power which nature has denied them. This can probably best be accomplished by eating a Sargol tablet with every meal.

Fry's Pure Cocoa

NO need to ask if you want your little girl to be bonny, plump and rosy-cheeked. Of course you do! Yet little folks' appetites are "finicky" and sometimes turn from ordinary foods. That is just the time to use FRY'S Pure Cocoa. It makes a delicious food beverage that no child can resist and its rich nourishment is absorbed by the little body as eagerly as the flowers drink in the spring rains.

"Nothing will do but FRY'S"
