CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this province.

Fred Piggott, Savage Harbor, was in the city yesterday.

Dr. P. C. Murphy, Tignish, was in the city yesterday, registering at the Victoria.

A. C. Rogers, Summerside, came to the city yesterday and is registered at the Victoria Hotel.

Potatoes are selling at 95 cents per bushel in Glace Bay, the green mountains variety being the most in demand.

P. McEachern, son of B. McEachern, Trackmaster, P. E. I. R., city, leaves this morning on the Earl Grey for Cranbrook, B. C.

Rev. D. MacLean will preach on Sabbath 26th., inst., as follows: St. Peter's at 11 a. m., Greenwich at 3 p. m., Marie at 7 p. m.

The city market was fairly well attended yesterday and considerable produce was handled. The prices, which remained unchanged, are itemized elsewhere in this issue.

Yesterday was the first day of spring and March 21st marks that period of the year in which the days and nights for a short time are almost of equal length.

A large number of tickets have been sold for the Daughters and Maids of England's Social and Dance in the S. C. E. Hall tonight. There is still room for more. Tickets 25c.

The many friends of T. M. Howatt, Coleman, are pleased that he is again able to be up, after having met with a severe accident about three weeks ago, which kept him confined to his bed.

Rev. Samuel Howard, B. D., of St. Stephen, who was recently invited to become pastor of the Sackville Methodist Church, has accepted the call and will take up his residence there in July next. Rev. Mr. Howard is well known in this Province and but recently was here on the occasion of the death of his father.

A pretty marriage was solemnized, on Feb. 25, 1911, at Cranbrook, B.C., when Miss Carrie Haslam, Belle Plaine, formerly of Springfield, P. E. I., became the wife of J. G. Abbott of Joffray, B. C. The bride and groom were unattended and immediately after the ceremony, left for their new home in Goffray, B. C. The many presents from Belle Plaine, Prince Edward Island and other places, bespoke the popularity of the couple.

At the March quarterly meeting held in Vernon River Church on March 20th, with a full board in attendance, the pastor, Rev. George Orman, was heartily and unanimously invited to labor a fourth year. This invitation he accepted, subject to the authority of the Conference of New Brunswick and P. E. Island. The preceding years have witnessed an increase in membership and finances. In addition to this fully $200 have been raised and expended in renovation and repairs to church and parsonage at Vernon River.

On Sunday afternoon in the Baptist Church, Hazelbrook, the Rev. Mr. Fash of Charlottetown, preached an interesting and instructive discourse from Mat, 12 and 13 "Stretch forth thine hand." In God's Government of the Universe he uses economy. In the case of the blind man he took some clay, using what was at hand and restored his sight. The same with the loaves and fishes, and then, to verify the grand law of economy, said gather up the fragments. The leaves of the trees return to furnish fertility to the soil. The water of the stream turns the machinery of the mill, and goes on to do good to others. How God used the Jewish people, how He conserved them, until, in the fullness of time, a Saviour was born. How is the law of this wonderful divine economist to be carried out. By the one word "obedience," even as the planets are obedient, to the inexorable law of gravitation. So with the laws of vegetation. Spring comes, grasses grow, buds burst, all obey the law. The farmer who attends to every little detail about the farm is the one who makes farming a success. Christ could have healed the withered hand without saying "Stretch forth thine hand," but he wanted to teach obedience. The man might have said "How can I," but he obeyed, and his hand was restored whole as the other. The child must obey its parents, if he grow up to a useful and happy life. And should not the soul be obedient to God. Should not all obey the command to stretch forth a hand to help a fellow man in distress. "Let us stretch forth our hands for service to God, and we shall be blessed."

H. M. Davison, city, was a passenger to O'Leary yesterday.

E. J. McTague, station agent, Mt. Stewart, was a visitor to the city yesterday.

B. Callaghan, of the Charlottetown Light and Power Company, city, was a passenger to Montague yesterday afternoon.

The Bruce Stewart & Co., Ltd., City, have received an order from Holman's Ltd., Summerside, for the manufacture of a steam hoist.

The branch of the Royal Bank at Crapaud will be closed on the 31st of this month. This branch had been conducted by the Union Bank before the amalgamation.—Pat.

There will be a horse race on Pinette's ice on Saturday next at 1 p.m. sharp. There will be three classes, which, it is expected, will be well filled, and liberal prizes are offered. Everyone is cordially invited.

The will of the late Charles W. Kielly, Stanley Bridge, has been presented for probate. It was dated October 15,1909, and by it the deceased bequeathed all his property, real and personal, to his widow. Mrs. Kielly was appointed sole executrix of the will.

An article on "Charlottetown" written by Lambert Chiverie, student of St. Dunstan's College appears in the latest issue of the "Canadian Century." Mr Chiverie reviews the progress of the city and notes the improvements made in recent years.

In the interests of Sabbath School work in the Eldon District, a meeting will be held in the Baptist Church, Hazelbrook, on Thursday evening, March 23rd, at 7.30 p. m. Rev. Wm. Field, Rev. Mr. Fash, Rev. E. Styles and J. F. Whear are expected to be present and will address the meeting on the different departments of the work. All are cordially invited.

A carload of 20 horses arrived Friday evening from Prince Edward Island, for the Dominion Coal Company. Fourteen of the animals will be used in the underground work at the collieries, four are sent to George's River, and another will be used as a truck horse for one of the stores. One of the animals had been purchased by McKinnon & Moffatt for their delivery team.—Glace Bay Gazette.

J. A. S. Bayer, photographer, city, has on exhibition in his showcase on Grafton Street, two composite groups which have attracted much attention. They are the senior and junior 1910 football teams of St. Dunstan's College, the latter the Intercollegiate champions of P. E. I. The work is finely executed, the former group having as a background a splendid enlargement of the College itself.

A party from the country named William Mahar was fined $2 or ten days at the police court yesterday. He was arrested Monday night while driving around the city in a sleigh and on his arrest the horse and vehicle were also taken in charge by the police. In the sleigh there was a quantity of ardent spirits. Mahar could not explain how this got there and the Magistrate ordered it to be forfeited.

Bruce Stewart & Co., Ltd., City, have commenced supplying their spring orders for Gasoline engines—the famed Imperials. They are receiving orders daily, and large ones at that. One day this week six were shipped and among the orders received are some from Nova Scotia, New Brunswick, and even the western sections of Canada. The firm has been manufacturing Imperials of different sizes all through the winter months in the effort to get ahead of their spring orders and be able to supply the demand on the opening of navigation and in so doing provided employment for the largest staff of workmen of any local industrial establishment in the city. In this way the well merited success of the Imperial motor means a great deal more for Charlottetown than many realize, while the engine itself, in going to other parts of Canada, advertises this province in a desirable manner. Only good goods, whether manufactured or grown, can benefit or advertise a province when sent abroad, and the Imperial motor in this respect, surpasses almost anything produced in Prince Edward Island in the matter of excellence and genuine value.

THE REDUSO
A Corset for Large Women That Is Not An Experiment.

YOU HAVE NO NEED to demonstrate the **Reduso** upon your own figure nor to submit to an unknown degree of adaptation before you gain any benefit from its wear.

The **Reduso** is the result of scientific work. Every line in it has been carefully thought out with a definite end in view. And every model has been worked out upon the living figure to its last possible demonstration before it is ever brought to the attention of the public.

Every seam and curve has a definite "pull" in the direction of the fashionable lines. The result is that the figure is molded, not compressed, into shape. The soft parts are not crowded into themselves or into the internal organs, but are gently and firmly persuaded to a proper proper distribution without undue pressure. That means comfort as well as grace.

The woman whole body is comfortably supported and molded, whose internal organs are not compressed, who is sure of good body poise and resultant grace, is a woman without "nerves" And if she is a woman who has the fashionable figure with its long lines, four times out of five she is wearing some model of the *Reduso*.

Three models for both tall and short figures. The price is $4.00 per pair.

Models from regular people from $1 50 per pair.
