ABOUT 27 excursionists from Moncton enjoyed a very pleasant two hours sail on the Northumberland yesterday afternoon. The excursion was arranged by the Grand Lodge of Oddfellows in session at Moncton who paid all expenses. The Moncton Cornet Band provided the music for the occasion. Another excursion will be held next Saturday afternoon when the Railway picnic takes place at Shediac.

SOME men are so mean as to be unworthy of an existence in a fair Province like ours. Yet there are it is regrettable to say men even here here who will to satisfy some grudge, or for reasons of spite, stoop to almost anything so long as they are able to keep clear of the court. Actions small in themselves sometimes make of the perpetrators still smaller men. A short time ago Mr. Duncan McCallum, St. Eleanor's, placed a wheel of a truck wagon in a brook near by his farm in order to swell the rim so that the tire, which was somewhat loose, might be more secure. Shortly afterwards while busy at the hay he went for his wheel but found that it had been removed. This was a great source of annoyance because of the inconvenience to which it placed him during the busy season. The wheel has not yet turned up. The party who would rather that Mr. McCallum did not have it would make a good candidate for Dorchester.

EVERY WOMAN NEEDS IT.

There are times when every woman is tormented by itching skin and would give anything for relief. There is a preparation known as Dr. Chase's Ointment, which is a prompt relief for these sufferings. Women prize it both for their own use and for its wonderful effectiveness in curing Eczema, scald head, ch-fing, and the various skin diseases of childhood.
