The pupils were carefully examined in the different studies by their teacher, Miss Emma Cahill and also by many of the visitors present, and ready answers showed how carefully they were being taught. After the examining was over, a short programme of dialogues, songs and recitations were given by the pupils which the visitors very much appreciated. Then Santa Claus suddenly made his appearance, and after speaking words of good cheer to the pupils and distributing an abundant supply of goodies hurried again on his way as he had many other school-rooms to visit. The examination was then brought to a suitable close by the singing of the National Anthem.

PLAN TO EXCLUDE UNDESIRABLES

(Canadian Press.)
