What might have been a more serious accident occurred on the corner of Main and Chapel streets in Thursday afternoon when the little daughter of Mr. and Mrs. George Perry was struck by a passing car. The little child was playing on the street, and ran out directly in front of the car which fortunately was going at a very moderate rate of speed. The driver immediately upon striking the little girl stopped his car and picked up the child who was bleeding profusely around the head. She was rushed to Dr. A. A. MacDonald's office where it was found necessary to put several sutures in her head which was easily cut. It is pleasing to report that the little girl is doing nicely.
