

FOR SALE IF WOMEN ONLY KNEW

Thousands of women suffer untold misery every day with aching backs that really have no business to ache. A woman's back is made to ache. Under ordinary conditions it ought to be strong and ready to help her bear the burdens of life.

It is hard to do housework with an aching back. Hours of misery at leisure or at work. If women only knew the cause. Backache comes from sick kidneys, and what a lot of trouble sick kidneys cause in the world.

DOAN'S KIDNEY PILLS

will help you. They're helping sick, over-worked kidneys—all over the world—making them strong, healthy and vigorous. Mrs. P. Ryan, Douglas, Ont., writes: "For over five months I was troubled with lame back and was unable to move without help. I tried all kinds of plasters and heard tell of Doan's Kidney Pills and after I had used three-quarters of the box my back was as strong and well as ever."

Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready-made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgewise about them, we had so many other good things to tell you of. Besides our reputation for selling stylish and up-to-date garments in these lines, is well established, and ladies naturally turn their steps to this department when in need of anything specially nice.

Never before, however, have we shown such extremely pretty styles at such moderate prices, and the demand for them is so brisk, we are continually ordering and so have always something new and pretty.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and withal cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them.

Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.
